They Have Come!

NOW dew tell; what do you mean?
Why, surely Sam, you ain't that green.
Didn't you see them wagons four
Standing at the Fairview Store?
Bless your soul, there's goods thar sure;
Bigger stock than ever before,
So nice and cheap for cash;
Knocks the doller stores all to smash.
Now, I'll tell you what I saw,
And my word is as good as law:
Muslins and Lawns, so nice and gay,
Pretty as the earliest flowers of May,
Calico and Prints of every stripe,
Makes the gals look as large as life;
As for Mozambiques and Challies,
You ought to see my sister Sallie's,
It's a nice one as sure as you are born,
Stands out all round as stiff as a horn."
Then, with high-heeled Boots, and Bunch behind,
She melts the hearts of all the male sex and kind.
Her face is as fair as a lily, too;
Her hair is got as long as a kangaroo,
Her Hat's a lovely little gem,
So like granny's pipe without a stem.
In fact, she is fitted up, behind and before,
All from the stock of the Fairview Store.
There you can buy, for twenty-five cents,
A nice little box, with all its contents;
Candy so nice, and Trinkets of gold—
Go get a box, and its treasures unfold.
I'll not attempt to tell all in detail,
For well I know I would certainly fail.
But let me advise you to make out your bill
From the beautiful stock at the Store on the hill.
Don't run about, but go and buy all
From the well-filled stock of friend

TOM STALL.

"SEC. 4 The business of the company SHALL be conducted on the plan of DISTRIBUTING TO THE POLICY-HOLDERS THE PROFITS of the business, as hereinafter provided, unless by the consent of the assured the policy is non-participating."

"SEC. 15 This company may issue policies on the lives of husbands and parents, or others, for the benefit of wives and families, or other beneficiaries interested in their lives—as ancestors, descendants, creditors or dependents, and the same shall not be liable for the debts or contracts of the assured, except as provided in the policies issued."

"SEC. 16. The company may issue policies payable IN GOLD: *Provided*, Premiums are paid in the same."

"SEC. 10 The permanent investment of funds shall be in mortgages or liens on UNENCUMBERED REAL ESTATE WORTH DOUBLE THE AMOUNT LOANED."

We would also call attention to the rights *secured in policy as part of the contract.*

Rights of party to non forfeiture in *all* its policies.

Rights of party to re instatement—paid up policy, and surrender value where "intervention of armies" or any other cause cuts the insured off from home office. This feature, omitted in policies of Northern companies, cost the Southern people very heavily in the late war, and should make them seek the *only* company that provides against such contingency in future. Some companies now have *in their policies*, that parties who "take up arms against" certain named States, "or the United States," render their policy null and void. This is making certain what was before uncertain, and is too great a mingling of politics, war and life insurance.

"THE PIEDMONT AND ARLINGTON" has a *model charter* and *model policy*, plainly state *rights of parties* and *guarding those rights* against sacrifice.

It gives dividends at the end of the first year, when all cash is paid, and of second year, when part loan is taken. The all cash plan is unreservedly recommended as in every way most satisfactory.

We now confidently appeal to every one interested in Southern prosperity to look to their own interests, by sustaining their own institutions, and thereby establishing that self confidence without which there can be no permanent prosperity. Bear in mind that already over $10,000,000 *are annually sent North for Life Insurance*, taking so much from our strength, and thereby giving additional power to our competitors.

We offer a solid, reliable Life Insurance Company, thoroughly Southern, in the hands of men of the highest integrity, with abundant assets, recent risks, the most secure of all investments, *pledged to retain within the State of South Carolina* all funds accruing therein, and, indeed, presenting every advantage that can be desired; and we only ask a full examination into the superior merits of the "PIEDMONT AND ARLINGTON LIFE INSURANCE COMPANY" to insure your patronage.

The Company has complied with the law of the State, requiring a deposit of $50,000 in State bonds, with the State Comptroller, for the better protection of policy holders.

THE symptoms of liver complaint are uneasiness and pain in the side. Sometimes the pain is in the shoulder, and is mistaken for rheumatism. The stomach is affected with loss of appetite and sickness, bowels in general costive, sometimes alternating with lax. The head is troubled with pain, and dull, heavy sensation, considerable loss of memory, accompanied with painful sensation of having left undone something which ought to have been done. Often complaining of weakness, debility, and low spirits. Sometimes, some of the above symptoms attend the disease, and at other times very few of them; but the Liver is generally the organ most involved. Cure the Liver with
