DR. JOHN F. VINES HAS RESIGNED PASTORATE

(CONTINUED FROM PAGE ONE.)

progress would wane and decay would begin because of him remaining. So now at this time when our town is just preparing to put on city clothes and come into an era of life and prosperity not before known; at a time when the college we have learned to love, led by the Godly leader we have, has become a permanent asset, standing for all that is good, and when the church stands in the front rank, bearing the marks of life; namely, liberality, prosperity, love, harmony, enthusiasm, faith, an untold field, and unlimited possibilities, I come to ask you to accept my resignation as your pastor to take effect the first of June. I do this after considering earnestly and prayerfully the best interests of this church first of all, and then looking to the door I believe God has opened before me. I ask you to accept my resignation in the spirit in which it is given, believing it is God's will, and if it is, He will guide you and me, and all shall be well."

The Call Accepted.

"It is my purpose to accept the call extended me by the First Baptist church of Roanoke, Va. I visited this church simply as supply, and it was a surprise when I was asked to consider the matter. While I was there the pastor was not mentioned, and I gave so little attention to the field that I can only hope that there is a wide field of service offered."

"Since being in Anderson, several opportunities have come to me to change my field and some offering better remuneration than this for the prospective field, but not until now have I felt the work here was done or the other place my field for work."

Beautiful Conclusion.

"As I look into your faces today I see new members from almost every home. Hence every home is dear. Other homes sorrow makes my heart to be pained to think of leaving, and in some way or other you have come into my life till I would to our God you might know the cost of giving you up, and I shall earnestly pray that God will send to you a shepherd who will far surpass anything ever accomplished here. May you regardless of cost secure the man who will lead you to the highest state of development and efficiency is the most sincere wish and prayer of my heart."

A committee on pulpit supply will be appointed to take up the matter of selecting a successor to Dr. Vines. The personnel of this committee will be announced in the near future.

Lame Back.

Lame back is usually due to rheumatism of the muscles of the back. Hard working people are most likely to suffer from it. Relief may be had by massaging the back with Chamberlain's Liniment two or three times a day. Try it. Obtainable everywhere.

HEAVY DOCKET FOR APPROACHING COURT

FIFTY-TWO CASES ARE SCHEDULED FOR TRIAL THIS TERM

JUDGE T. S. SEASE

Solicitor Kurtz P. Smith has compiled the list of cases coming up before the next term of the sessions court. There are 52 and among this number are four men charged with murder. Three of these cases are regular ones, and the other is that of a man who was defending his home, and by doing so killed an intruder. This is the case of Mr. Curtis Armstrong, of Orr Mill. He shot and killed a man who was found attempting to enter his home in the night.

One murder case is against C. D. Alexander, who is charged with having killed his wife in Pelzer. Alexander is said to have cut his wife's throat with a razor, later attempting to take his own life by stabbing himself in the throat with a knife. He was brought to Anderson in a serious condition, but by careful nursing on the part of the county physicians and jail officials, has been restored to health. Sam Blackwell, a negro, is charged with the murder of Monroe Jenkins, who he is said to have shot at Iva some days ago. Jenkins remained for a week in the local hospital in a precarious condition, finally dying Saturday afternoon. Lee Robertson is held on the charge of murdering his brother, who it seems, was half-witted. Robertson is said to have struck him in the head with some weapon. The boy then went out of the house and down into a pasture. He was found in the pasture dead a few hours later. The cases are classified as follows:

Burglary.

Remus Harris, Es'her Morris. Housebreaking and Larceny. Grady Evans, Nat Henderson, Paul Jones. Obtaining Goods Under False Pretenses. Ed. Hamilton, W. E. Hamilton, M. T. Thomas, Houston Rice, O. M. Patterson, J. W. McAllister, John Scott.

Breach of Trust.

J. W. Swilling.

Grand Larceny.

Flanders Sanders, Pink Sanders, Nannie Williams, Fred Leary. Malleous Injury to Realty. J. H. Bowden.

Disturbing Religious Worship.

Arthur Latimer, Walker Latimer, Luther Lamson.

Assault and Battery With Intent to Kill.

Robert Bowie, two cases; Cornelius Gambrell, George Callahan, Clyde Delvin, Frank Turner, Gus McGill, Bill Hall, Marion Webb, Sam Wessinger, Major Smith, Elbert Dawson, Henry Underwood, Cooley Groves, two cases; John Tinsley.

Violation of Dispensary Law.

Bed Evans, John Turpin, H. C. Stanson, two cases; Ira Stanson, Will Franklin, J. Ben Mitchell, Floyd Ellison.

This concludes the long list of cases that have already been sent up by magistrates and which have arisen from charges preferred since the last term of court here. It will be remembered that at the last term of court in Anderson the docket was cleared within a very few days, and there was no second week of court. The jurors for the second week were not drawn. This gives Anderson three weeks of court, if it is necessary this term. Judge T. S. Sease will be on the bench, and the grand jury will meet the first thing on Monday morning, May 10.

Mr. Smith, the solicitor, says that there will probably be a few more cases coming up before the court, but that this list is likely to be all.
