NEW PHOTOGENIC GALLERY.

J. FORREST GOWAN has taken the Room over D. I. & L. Twitty's Store, and continues to take those admired AMBROTYPES and DAGUERREOTYPES, which for softness of tone, beauty of outline, and harmony of light and shade, cannot be surpassed. His pictures are more than usually cheap, and are noted for a superiority of finish. This is the cheapest establishment in the country, and is doing the largest business.

Every arrangement which could have been have been made for the accommodation of LADIES. An Ambrotype can be taken in less than one second for Children, and in less than five seconds for Adults. Those beautiful PHOTOGRAPHS, or Pictures on Paper, which have excited the envy of some, and the admiration of others, are daily becoming more popular.

Mr. Gowan returns his thanks for the liberal patronage already received from the good people of Spartanburg, and respectfully solicits a continuance of the same. Please remember the place, in Mr. Archer's New Building, over the Messrs. Twitty's Store, second story. Pictures taken any time during the day, even after sunset; weather may be fair, cloudy or rainy, but a perfect Likeness can always be obtained. Certain would-be Artists, who pronounce the highest perfection of the Photogenic Art as humbugs, are requested to furnish their customers with as perfect Likenesses as the advertiser. Old Daguerreotypes copied into Ambrotypes or Photographs, or cleaned in such a manner as to look as good as new.

Mr. Gowan, intending to remain a considerable length of time in Spartanburg, offers to give instruction in all branches of the art to Boys of Young Men, the latter of whom he can teach in less than one week. He asserts that any one or his pupils can take a perfect Picture in three or even two days after instruction. Call and see us.

VALUABLE LAND FOR SALE.

A GOOD LOCATION FOR A PHYSICIAN.

I am offering 167 acres of LAND for sale, situated on Blackstock Road, 11 miles south of Spartanburg C. H.; is beautifully situated for farming and building purposes; is well watered, and has an abundance of timber of almost every description—all in woods except 25 acres, which is fresh and in cultivation. Has some 10 or 15 acres of bottom (in wood;) has a front of nearly a half a mile on the road; also some improvements begun—one log house up, and others in progress—and a fine Spring some 250 yards distant. In addition to this, it is a very public place, and as good a location for a Physician as the country affords. The opening is large, affords plenty of practice, and the pay generally good. I will sell the land and relinquish my claims as a Physician for $2,000, or I will take $1,700 for the Land as it is, and retain my claims to the location. I would be glad to sell before sowing wheat. Terms easy. G. H. KING.

Dalley's Magic Pain Extractor.

THERE never has been a discovery made in Materia Medica whereby pain can be so quickly allayed, and where parts in a high state of inflammation can be so rapidly reduced to their natural state, nor where wounds and sores can be so thoroughly and rapidly healed, and decayed parts restored without either scar or defect, than with Dalley's Magical Pain Extractor.

In Cuts, Wounds, Sprains and Bruises—casualties to which children are constantly subject—the action of the genuine Dalley's Pain Extractor is ever the same! How much Pain and Suffering may not thus be prevented! Moreover, life itself is often dependent upon having at hand the Genuine Dalley Extractor, and for particulars of which I respectfully refer to my printed pamphlets, for the truth of which I hold myself responsible.

No case of Burns and Scald, no matter how severe, has ever yet, in any one instance, resisted the all powerful, pain-subduing and healing qualities of the Dalley's Pain Extractor. For sale by
