SEWING MACHINES!

Grover & Baker's

IS *decidedly* better for Family use than any manufactured. One *very* desirable feature in these improved Machines, is, that when compared with all others, they are *noiseless*. Diagrams prove the superiority, strength and elasticity of the stitch, and the following testimonials prove the *perfect* adaptation of the Machine for family and plantation work.

EDGEFIELD DISTRICT, S. C., July, 1859.

The undersigned having had a Grover & Baker Sewing Machine, purchased of M. A. RANSOM, in use in our families for some time past, take pleasure in giving our testimony to its complete adaptation for family and plantation work, making a seam of *great strength and elasticity*, is very simple, easily learned and kept in order, and running with *so little* noise as not to interfere with conversation, if carried on in an ordinary tone of voice in close proximity to the machine. We regard these Machines as among the greatest labor-saving inventions of the age. Signed,

Copy of a Letter received from Rev. D. D. Brunson.

DUNTONSVILLE, April 26th, 1859.

MR. M. A. RANSOM—*Dear Sir:* The Grover & Baker Sewing Machine which I purchased of you last winter, has given *entire satisfaction*. I have seen many favorable notices published about these Machines, and from our *experience*, we believe them all without exagération. Doubtless, when more generally known, they will be in general use, and accomplish what Hon. Mr. Banks says, "work as great a change in families, as railways have in communities and States."

Respectfully, yours,

D. D. BRUNSON.

Extract of a Letter from W. H. Norris.

RIDGE, S. C., May 2nd, 1859.

MR. M. A. RANSOM—*Dear Sir:* I cheerfully assure you that we are well pleased with the Grover & Baker Machine. My wife would not be without it for twice its cost.

W. H. NORRIS.

REV. T. F. WILLIAMS, of this District, writes thus,

MR. M. A. RANSOM—*Dear Sir:* I am pleased to say that the Grover & Baker Machine bought of you, works as well as I could *desire*. My wife finds no trouble in working it. Before purchasing, I examined other Machines, but did not like the stitch *near as well* as that made by the Grover & Baker. With my knowledge of these Machines, and what I hear from others, I am thoroughly convinced that no Machine can favorably compare with them for family use.

T. F. WILLIAMS.

Machines delivered and instructions given in their use, free of charge, in any part of Edgefield District. Should any Machine not perform well, I will exchange it for one which will do good work. All sales at manufacturers prices, with the addition of freight.

A CARD.

DR. WILLIAM COLEMAN,

HAVING located at that healthful and delightful watering place,

WILLIAMSTON,

Situated on the Greenville and Columbia Rail Road, will give his entire attention to the treatment of

CHRONIC DISEASES.

Persons laboring under derangement of the Uterus, Neuralgia, Chronic Rheumatism, Kidney Affections, Dyspepsia, Chronic Diarrhœa, Scrofula, Indolent Ulcers, Dropsy, Scurvy of Gums, Piles, &c., &c., are respectfully solicited to give him a call.

Dr. C. does not propose to cure every case; but, with the skill derived from a *seventeen years Practice*, he flatters himself to be able to give general satisfaction, knowing, as he does from experience, that hundreds are dragging out a miserable existence, whose condition might be permanently relieved by judicious treatment.

Numerous certificates and references might be given; but the subscriber regards as the best certificate the speedy and effectual cure or relief of each and every patient.

☞ All patients attended to at their rooms in any part of the village.
