A RONDEAU.

At my last ball became I bounden thrall
To love, and by Love's tender hands and small
Was taken ere my heart was well aware,
In toils of gray eyes and warm golden hair,
Which graced a woman most divinely tall.

Nay, though I see a hundred times the fall
Of hopeful corn, and hear the cuckoo call,
I shall see none as her I saw so fair
At my last ball!
Who lifts long nights with bitterness and pall—
Have I not cause, good cause, since all thing pall
Before her beauty, for sad dreams and care?
Such sour fruit that sweet kiss from soft lips bore
For me, without one thought of harm at all,
At my last ball!

A Moment with our Exchanges.

BRAINARD'S MUSICAL MONTHLY, published at Cleveland, Ohio, is an excellent monthly. It not only gives several musical gems but it is filled with choice reading matter. Subscription only $1. Address S. Brainard's Sons, Cleveland, Ohio.

THE SOUTHERN MUSICAL JOURNAL, a monthly review of the news, literature, and science of music, published by Cridlen & Bates, Savannah, Ga., the first number of which we acknowlege is decidely neat, if not elegant in typography and filling. It is besides the cheapest musical monthly we receive, and as good as the best. Baby Blue Eyes—song and chorus is charmingly tender and sweet. Price only $1 per annum.

BURKE'S MONTHLY is received for October and looks as bright and interesting as ever. We hope that all the boys and girls belonging to the papa's and mamma's who take and read the Herald have the pleasure of seeing and reading Burke's Magazine, as it designed more especially for youth. Now is a good time to send for it, and $3 will insure a copy every month, for a whole year.

DEMOREST'S MONTHLY for November presents us with a full and varied choice of Winter Fashions, so essential to our climate and the tastes of the ladies. The present issue has its usual variety of Music, Literature, Household, and other useful articles, and the new list of Premiums for 1872. The terms for club are very liberal, and should be examined by all who require—and who does not?—a family Magazine. $3 per year. Published at 838 Broadway, New York.

YOUNG AMERICA for November greets us with its usual pleasant pages and beautiful contents for the minds of our favorite friends. We think this inestimable Monthly increases in value each successive issue, and our young friends who are subscribers should endeavor to procure others at this favorable season. They will be well rewarded for their trouble, in premiums by the publisher, W. Jennings Demorest, 838 Broadway New York. $1 per year.

THE GALAXY.—This splendid monthly is received for November, and gives such a table of contents as does one good to look at. The reading of this magazine is always a treat, and the monthly numbers are always anxiously looked for. We cheerfully recommend it to such of our readers who appreciate good things, and who are not a ready subscribers. Price $4, which will entitle a subscriber sending now to a copy commencing September, 1871, and ending January, 1872, containing Anthony Trollope's great story, The Eustace Diamonds. Address Sheldon & Co., New York.

CHEAP MUSIC.—Is seldom that cheapness is associated with merit and real value, but we must make an exception in favor of Peters' Musical Monthly. This valuable work comes to us regularly each month, overflowing with choice new Music—some fifteen pieces in every number. It is printed from 30 full-size music-plates, neatly bound, and sells for the modest sum of 30 cents. The publisher offers to send six back numbers, containing from 80 to 90 pieces of choice new Music, for $1. Address, J. L. Peters, 599 Broadway, New-York. Think of it! 90 to 100 pieces of good Music (224 pages) for $1.

PETERSON'S MAGAZINE for November—the cheapest and best of the lady's books—is before us, and a magnificent number it is! "Baby's Answer," its principal steel plate, is a perfect beauty. Then comes its double-sized, colored, steel-fashion plate, and "Peterson" is now the only magazine that gives these double-steel plates engraved on steel. Then there is a superb slipper-pattern, printed in colors, itself alone worth the price of the number. The tales and novelets, as always in "Peterson," are all original and of thrilling interest. "The Mystery of Bride's Bayou," in the present number, is a story such as we rarely see anywhere now-a-days. Now is the time to get up clubs for 1872. The Prospectus is just out. The price of "Peterson" is only two dollars a year to single subscribers, while other magazines of its class are three or four. To clubs the terms are lower still, viz: five copies for eight dollars, or eight copies for twelve dollars. Every person getting up either of these clubs will receive the Magazine for 1872 gratis, and also a splendid copy-right engraving (4 inches by 18), "Five Times One To-Day." We can speak from personal experience of the beauty and value of this engraving. Specimens of the Magazine and gratis if written for. Address, Charles J. Peterson, 306 Chestnut Street, Philadelphia.

MILLIONS Bear Testimony to their Wonderful Curative Effects.

Vinegar Bitters are not a vile Fancy Drink, Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, **free from all Alcoholic Stimulants.** They are the **GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE,** a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing, also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and of all the Visceral Organs.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. **Such Diseases** are caused by **Vitiated Blood,** which is generally produced by derangement of the **Digestive Organs.**

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms are the offspring of Dyspepsia.

They invigorate the stomach and stimulate the torpid Liver and Bowels, which render them of unequalled efficacy in cleansing the blood of all impurities and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. Only a few days' use of these Bitters in such cases will convince the most incredulous of their curative effect.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

PIN, TAPE, and other WORMS infesting the system of so many thousands are effectually destroyed and removed.

The same old stove!

Prove all things—hold fast that which is good.

NOT a new fangle thing gotten up on the cheap order as a sort of catch penny, and heralded to the world as something great before it has been tried and proved; but the same Stove that has been before the public for the last six years, and has won for itself a reputation which few Stoves have, and well entitles it to the name it bears,

THE LEADER.

Many manufacturers have offered the subscriber the exclusive sale of their Stoves, but he has in every instance declined, for the very best reason, that none of their Stoves comes up to this in his estimation. Very heavy yet no surplus iron about it. Well proportioned, not having a contracted body and expanded top to give it a false appearance like many of the catch pennies now offered to the public. The thousands that are using this Stove can testify to its superiority.

SARSAPARILLIAN RESOLVENT

HAS MADE THE MOST ASTONISHING CURES; SO QUICK, SO RAPID ARE THE CHANGES THE BODY UNDERGOES, UNDER THE INFLUENCE OF THIS TRULY WONDERFUL MEDICINE, THAT

Every Day an Increase in Flesh and Weight is Seen and Felt.

THE GREAT BLOOD PURIFIER.

Every drop of the SARSAPARILLIAN RESOLVENT communicates through the Blood, Sweat, Urine, and other fluids and juices of the system the vigor of life, for it repairs the wastes of the body with new and sound material.—Scrofula, Syphilis, Consumption, Glandular disease, Ulcers in the throat, Mouth, Tumors, Nodes in the glands and other parts of the system, Sore Eyes, Strumorous discharges from the Ears, and the worst forms of Skin diseases, Eruptions, Fever Sores, Scald Head, Ring Worm, Salt Rheum, Erysipelas, Acne, Black Spots, Worms in the Flesh, Tumors, Cancers in the Womb, and all weakening and painful discharges, Night Sweats, Loss of Sperm and all wastes of the life principle, are within the curative range of this wonder of Modern Chemistry, and a few days' use will prove to any person using it for either of these forms of disease its potent power to cure them.

If the patient, daily becoming reduced by the wastes and decomposition that is continually progressing, succeeds in arresting these waste, and repairs the same with new material made from healthy blood—and this the SARSAPARILLIAN will and does secure—a cure is certain; for when once this remedy commences its work of purification, and succeeds in diminishing the loss of wastes, its repairs will be rapid, and every day the patient will feel himself growing better and stronger, the food digesting better, appetite improving, and flesh and weight increasing.

Not only does the SARSAPARILLIAN RESOLVENT excel all known remedial agents in the cure of Chronic, Scrofulous, Constitutional, and Skin diseases; but it is the only positive cure for

KIDNEY AND BLADDER COMPLAINTS,

Urinary, and Womb diseases, Gravel, Diabetes, Dropsy, Stoppage of Water, Incontinence of Urine, Bright's Disease, Albuminuria, and in all cases where there are brick-dust deposits, or the water is thick, cloudy, mixed with substances like the white of an egg, or threads like white silk, or there is a morbid, dark, bilious appearance, and white bone-dust deposits, and when there is a pricking, burning sensation when passing water, and pain in the Small of the Back and along the Loins.

HEINITSH'S

KINA CHILL CURE.

New Remedy. New Principle. No Poison.

A NEW DISCOVERY AND A SOVEREIGN SPECIFIC.

FOR THE CURE OF

Intermittent Fever, Remittent Fever, Chill Fever, Dumb Ague, Periodical Headache or Bilious Headache and Bilious Severe and all Diseases originating in Biliary Derangement or Liver Disorder, Caused by Impurities of Blood and Malaria or Miasmatic Localities.

In presenting this new medicine—"KINA CHILL CURE"—to the public, and particularly to the afflicted, as a cure for all forms of Chills and Fever, and its sympathetic disorders, it must be observed, that, inasmuch as these disorders have their origin in an impure state of the blood, and with more or less functional derangement of the Liver and Spleen, it is of primary importance that due attention should be given to the condition of these important organs, and to use such a medicine as combines the essential properties of alterative and blood-purifying principles. Without such a medicine and such treatment you will fail in curing Chills and Fever.

The "KINA CHILL CURE" is the great antidote; a vegetable compound possessing extraordinary deobstruent and purifying powers, cleansing the blood, removing all obstructions of bile from the liver and promoting its proper discharge.

The "KINA CHILL CURE" is the natural antidote which neutralizes the poison by its purifying influence, and thus expels disease and restores to health. The remedy is so truly new and original with the proprietor, and from known results under his own personal observation, puts it forth as a Chill Cure. It will instantly check the Chills or Ague in any persons who have suffered for any length of time, and by continuing its use according to the directions, a permanent cure may be effected and the general health restored.

Debility and Night Sweats, Loss of Appetite—and Strength—will be immediately restored by the use of the KINA CHILL CURE, and as a preventive during the sickly season, it will be found an invaluable Family Medicine. The "KINA CHILL CURE" is a new remedy, embracing new principles, combining new powers, upon a new theory. Vegetable in its component constituents, safe in its administration, and positive in its effect, the proprietor and inventor puts it forth as a cure for Chills and Fevers, and all kindred diseases, after a series of experiments so successful in results as to stamp it at once as the Lancet and to file arbitrament of the world, it stands or falls upon its own merits.
