Franklin Glass Jars,

For putting up FRUIT, at

WILSON'S NEW MILL.

NEW SMUTTER, NEW BOLTING CLOTH, NEW MACHINERY, and Water enough to Grind Day and Night!

Give this Mill a Trial.

It has all the improvements for making fine Family and Merchantable Flour, and is doing the largest business it has ever done.

APPRECIATING the great demand for Family and Merchantable FLOUR, we have spared no expense, and have taken especial care, to make every preparation to supply the demand for this essential commodity: and, judging from the very large patronage extended to this MILL, and from the expressions of approval by our customers, we feel assured that our efforts have been entirely successful.

To those who have not tried our new MILL, we would say that we believe it to be to their interest to give us a trial. After they have tried the MILL, we have no more to say. Their interest will prompt them to come back. Our MILL has steadily been growing in public favor for the past three years, and now since it has been remodeled and put up anew, the business has been doubled.

We would call attention to our superior facilities for the cleaning of Wheat. We have a separator and smutter of the latest and most improved patent now in use in the United States, which

Cleans the Wheat Without Waste.

This alone is an item of interest, and, we think, of great advantage to customers. It runs beautifully, and is superior to anything of the kind now in use. Our Bolting Cloth is not surpassed, and our machinery is the best.

We have a good lot and stable for the stock of those who come from a distance.

All Grain is Weighed before the Sacks are Untied.

The Mill receives the personal supervision and attention of an experienced Miller, and those who favor us with their grain may rest assured of every attention being paid to their interest, and that the best quality and the best yield of flour will be given for the quality of their Wheat.

GIVE US A TRIAL.

Thankful for past favors, we would solicit a continuance of the same.

Respectfully,

HUGH WILSON, Jr.
