Human Factors in Good Service

There are three parties to every telephone conversation—the party calling, the telephone operator, and the party who answers. All three share alike the responsibility for quick and accurate telephone service.

The calling party should give the correct number in a distinct voice, speaking directly into the transmitter, and wait at the telephone until the party answers or the operator reports. The called party should answer promptly.

Patience on the part of the telephone user and the telephone operator is also essential to good service.

G. R. Ogden, of Shinnston, W. Va., says: "I have used AVALON FARMS HOG-TONE 56 days and I think it is the best medicine I ever used. I have two pigs 4 months and 3 days old that weigh 360 pounds, one 6 pounds heavier than the other. They are 100 pounds heavier than my neighbor's 2 of the same litter and feed."

This is the experience of a typical user of Hog-Tone. There are hundreds and hundreds of letters on file at the Avalon Farms Company's office from nearly every state in the Union, all telling of big improvement in hogs and in hog profits through the use of Hog-Tone, the scientifically prepared Hog Conditioner, Fattener and Worm Remover. Hog-Tone is sold on 60 days' Free Trial under an absolute money-back guarantee. Come in the store and tell us how many hogs you have in your herd and we will give you enough Hog-Tone to treat all of them 60 days. You don't have to pay for it unless you are absolutely satisfied. The decision is left entirely to you.

IT COSTS YOU NOTHING NOW TO TRY 60 DAYS' TREATMENT OF

AVALON FARMS HOG-TONE
