OFFICE HOURS AT ORANGEBURG DEPOT.

From 8 o'clock A. M. to 2 P. M.
From 3 o'clock P. M. to 5 P. M.

Goods received and delivered only in office hours.

—The Governor has declined to pardon Jeffrey Horsey.

—The work on the new court house is progressing finely. We understand the corner stone will be laid with Masonic ceremony on thanksgiving day, the 25th inst.

—The annual meeting of the Grand Division of the Sons of Temperance wilt be held in Charleston on Wednesday next, 17th inst., at 10 o'clock a. m., at Hibernian Hall.

—The much talked of, and long-needed fire cistern is now being constructed on Russel street. Our new mayor has but to continue as he has begun, and all the citizens will commend his course.

—We learn that John Duncan, of Fort Motte, was married on last Thursday to Miss Rosa Moultry. May their joys be many, and all their troubles be little ones.

—We would call attention to Mr. Schiffley's advertisement in this issue. He is supplying a demand long felt in this community. His pictures represent as good work as can be done in the city. We are requested to state that he will be absent during next week in attendance upon the annual meeting of the Sons of Temperance.

—The postmaster calls attention to the following from the postal laws and regulations:

SEC. 198. Each post-office box or drawer, in all post-offices, is restricted to the use of one family, firm or company, and the rent therefor must be paid at least one quarter in advance.

SEC. 201. A person renting a post-office box is entitled to have the letters of his family, firm or company put into it. Letters addressed to his friends stopping temporarily with him may also be placed in the box is directed to his care or to the number of the box.
