Cotton Seed.

The subscriber has been cultivating for the last four years the RIO COTTON, and can safely recommend it to the public.

The Rio Cotton is at least three or four weeks early than the Petitiguff, and will yield from 1-4 to a 1-3 more lint per acre—staple equally as good if not better. It will yield from 33 to 35 lbs of lint to 100 lbs. of seed cotton; the seed are considerably smaller than the Petitiguff. It is matured before frost; it finks well and joints short. Seed can be had of the subscriber in Lower Salem, Sumter District, at fifty cents per bushel, or they will be delivered in Sumterville or Kingsville at seventy-five cents. Those wanting had better make application on or before 1st January next.

REPORT

OF THE COMMISSIONERS OF PUBLIC BUILDINGS FOR SUMTER DISTRICT.

South-Carolina, Sumter District—Fall term.

To His Honor the Presiding Judge:

In pursuance of the Act of the General Assembly, entitled "An Act to make further provision for the security of public monies under the control of the different boards of Commissioners of the State," passed in December 1844, the Commissioners of Public Buildings for Sumter District,

REPORT

That in obedience to an order made by his Honor Judge Ockill at Spring Term 1849 they have had a substantial carpet laid down upon the floor of the Court Room and upon the seat of the Judge. Repairs to the Court House and Jail have been done and a well, which was necessary to the comfort and convenience of the officer occupying the Jail, has been dug upon that lot. The details of which and for the particulars of their receipts and disbursements since their last report they beg leave to refer to their Treasurer's account hereto appended.

All which is respectfully submitted,

WM. M. DeLORME, *Chairman.*

William Haynsworth, *Secretary.*
