Special Notice.—The price of single copies of the Times, to those who are not subscribers, is only **Five Cents**.

As will be seen by reference to our advertising columns, Mr. Lee Hagood, of Barnwell, and Mr. O. P. Hay, of Summerville, have been associated with the firm of John Colcock & Co, Factors and Commission Merchants, Charleston, S. C. They will be thankful for the patronage of their friends in Orangeburg County, and will guarantee satisfaction.

Trial Justice's Court.—The following cases were heard before Trial Justice Browning, during the past week:

State vs. Sarah Payne. [illegible] guilty.

State vs. George M. Jenkins and E. M. A. Jenkins. Violation of contract. Not guilty.

State vs. Gabriel Gover. Assault and battery. Not guilty.

Money Order Office.—Our citizens will no doubt be pleased to learn that the post office at this place has been made a Money Order office. Money can be sent to any part of the country, without danger of loss, at the following rates:

On all amounts not exceeding $10., five cents; over $10 and not exceeding $20, ten cents; over $20 and not exceeding $30, fifteen cents; and so on to $50.

This is quite an accession to our postal facilities, as our people are enabled, at a small rate of commission, to send any amount of money under $50 to any part of the United States.

Crumbs.—We would ask the attention of our readers to our Baltimore Correspondence, published in another column.

—Read the advertisement of Dr. L. C. Stevens, which appears this week. A good chance to invest in desirable real estate.

—Rev. Stiles Mellichamp conducted divine services at the Episcopal Church, last Sabbath.

—We understand there is to be a barbecue and Radical speechmaking at Rowe's Bridge, on next Saturday.

—Capt. A. J. Frederick has been confined to his bed for the past five days. We are pleased to know that he is convalescing.

—J. H. Wahlers has just received a large stock of foreign and domestic cigars. We know they are fine, for we have "puffed" them.

—An intelligent lad can find steady employment at "the art preservative of all arts" by applying at this office.

—We understand that a tax of three mills has been levied in Cow Castle Township, for school purposes.

—Several of the planters in the vicinity of Rowe's Pump are needing rain.

—We understand that Dr. J. A. Keller has withdrawn his name as a candidate for Senator, from this County.

—Capt. John S. Bowman and T. H. Zimmerman Esq gave us the pleasure of a short "chat," yesterday.

Too Late.—We have received a communication giving a graphic account of the Radical meeting at Lewisville, on Monday of last week; but owing to the lateness of the hour, we are unable to give it room in this issue.

News Items.

The Chesterfield Democrat says that rains have been frequent in that county, during the past week.

At the commencement exercises of Due West College, a very impressive and eloquent oration was delivered by Rev. W. T. Capers.

An important railroad meeting is to be held on the first of August, at Greenwood, in the interest of the Greenwood and Augusta Road. Distinguished speakers will be present.

Senator Sumner, of Massachusetts, has declared for Greeley.

Judge Linton Stevens, a distinguished citizen of Georgia, died suddenly last week.

It is stated upon the authority of Col. Ethan Allen, Chairman of the Liberal Republican National Committee, that Chas. Sumner has consented to deliver half a dozen speeches in favor of Greeley and Brown, in the Southern States.

The Grant hat is something after the Greeley style, except that it is varied with black crape.

The Charleston News says:

"T. J. Mackey, in his Winnsboro speech, said that it cost $150,000 in bribes to pass the phosphate or bone bill through the legislature. Will Judge Mackey oblige the public with the names of the persons who furnished this bribery fund? The bribers are just about as bad as the bribed."

The Examining Board of the University, has licensed Dr. R. H. Jordan and Mr. Allen Leard, of Chester, S. C. as druggists.

A late Long Branch item informs an admiring public that "Gen. Grant's turnout, presented to him by Tom Murphy and others, excited considerable attention." His other turn-out to be presented to him next fall by the Liberal Republicans and others, will excite more.

Gerrit Smith declares "that the Democratic party is dead." Three million voters ought to make a pretty lively corpse. Again, if the Democratic party be dead, what is the use of the Republican papers continually declaring that the present issue is between the Republican and the old Democratic party.

The Colored Elephant.—Saunders, the colored Grant elector, who abandoned the Republicans in Maryland, writes that "over a thousand colored people attended the Weldon, North Carolina, meeting, and that he does not find, as has been reported, that the colored men are by any means united in support of Grant." A letter has been addressed to Mr. Sumner, signed by one hundred Colored men, referring to the political situation, and without naming any preference or mentioning candidates, asking his advice to the colored people.—[Republican.

THE SINGER STILL TRIUMPHANT!

THE

NEW FAMILY SINGER SEWING MACHINE.

WITH ATTACHMENTS FOR ALL KINDS OF WORK

is fast winning favor in the household, as shown by the rapidly increasing sales.

This NEW FAMILY SEWING MACHINE is capable of a range and variety of work such as was once thought impossible to perform by machinery. We claim and can show that it is the cheapest, most beautiful, delicately arranged, nicely adjusted, easily operated, and smoothly running of all the Family Sewing Machines. It is remarkable not only for the range and variety of its sewing, but also for the variety and different kinds of texture which it will sew with equal facility and perfection, using silk twist, linen or cotton thread, fine or coarse, making the interlocked-elastic-stitch, alike on both sides of the fabric sewed. Thus, leather, cloth, or leather may be sewn with great strength and uniformity of stitch; and, in a moment, this willing and never wearying instrument may be adjusted for fine work on gauze or gossamer tissue, or the tucking, felling, cording, or almost any other work which delicate fingers have been known to perform.

At the world's fair it received the great award of the highest sales!

They accomplish the work by destroying the cause of disease, which no other remedy pretends to do.

They are an effectual preventive, neutralizing the malarious poison in the system, and thus averting its consequences.

Special Notices.

Plain Questions For Invalids.—Have the routine medicines of the profession done you no good? Are you discouraged and miserable? If so, test the properties of the new Vegitable Specific, Dr. Walker's California Vinegar Bitters, already famous as the finest invigorant, corrective and alterative, that has ever seen the light. Dyspeptics and persons of bilious habit should keep it within reach, if they value health and ease.

What Every Horseman Wants.—A good, cheap, reliable liniment. Such an article is Dr. Tobias' Venetian Horse Liniment. Pint bottles at one dollar. For lameness, cuts galls, colic, sprains, &c., warranted better than any other. Sold by the druggists. Depot, 10 Park Place, New York.

Burnett's Cocoaine.—A compound of cocoa nut oil, &c., for the hair, has established a world wide reputation. Its natural adaptation, agreeableness, and freeness from all injurious or soiling properties, together with its cheapness in respect to durability and size of bottle, render it unequalled by any other preparation in the world. For sale by all druggists.

Magic of the Mouth.—Odiferous Zozodont renders the mouth enchanting; composed of rare antiseptic herbs, it imparts whiteness to the teeth, a delicious flower-like aroma to the breath, and preserves intact, from youth to age the teeth.

Flavoring extracts are of primary importance in cookery; and of all articles of this description the highly concentrated Standard Extracts, prepared by Joseph Burnett & Co., Boston, are pronounced by leading cuisiniers—Professor Blot among the number—the purest and best.

Human Wrecks.—Every day and hour we meet with broken-down specimens of humanity—wrecks that seem past hope of salvage.—At length you find some of these wrecks filled with new vitality, by a course of Dr. Walker's California Vinegar Bitters. Many are suffering from the reaction of rum-polluted bitters or powerful minerals. It is characteristic of Dr. Walker's Great Restorative that it neutralizes the effect of these so-called remedies, and accomplish in time a perfect cure.

Nature gives us Teeth, but she does not preserve and purify them. That must be done with fragrant Sozodont. The dental bone and its enamel casing are made invulnerable to all destructive influences by the daily use of this beneficent preparation.

$50,000 Dollars will be paid for any remedy which will cure chronic Rheumatism, Pains in the limbs, back and chest, Sore Throat, Insect Stings, Croup, Dysentery, colic, Spasms and Vomiting, quicker than Dr. Tobias' Venetian Liniment; established in 1847; never fails.—Sold by all Druggists. Depot 10, Park Place, New York.

Carbolic Salve unequaled as a healing compound. Physicians recommend it as the most wonderful remedy ever known. Price 25 cents per box. John F. Henry, sole Proprietor, 8 College Place, New York.

Christadoro's Hair Dye.—This magnificent compound is beyond contingency, the safest and most reliable dye in existence; never failing to impart to the Hair, uniformity of color, nourishment and elasticity. Manufactory, 68 Maiden Lane, New York.

Svapnia is opium purified of its sickening and poisonous qualities. It is a perfect anodyne not producing headache or constipation of the bowels, as is the case with other preparations of opium. John Farr, Chemist, New York.

Pratt's Astral Oil.—More accidents occur from using unsafe oils, than from steamboats and railroads combined. Over 200,000 families continue to burn Pratt's Astral Oil, and no accidents directly or indirectly have occurred from burning, storing or handling it. Oil House of Charles Pratt, Established 1770, New York.

T. D. Cianey & Co., Charleston, agents for South Carolina.

A Beautiful White, soft, smooth and clear skin is produced by using G. W. Laird's "Bloom of Youth." It removes tan, freckles, sunburns, and all other discolorations from the skin, leaving the complexion brilliant and beautiful. Sold at all druggists. This preparation is entirely free from any material detrimental to health.

Just the Remedy Needed.—Thanks to Mrs. Winslow's Soothing Syrup, we have for years been relieved from sleepless nights or painful watching with poor, suffering, teething children.

For Dyspepsia, Indigestion, depression of spirits and general debility in their various forms; also, as a preventative against fever and ague, and other intermittent fevers. This Ferro-Phosphorated Elixir of Calisaya, made by Caswell, Hazard & Co., New York, and sold by all Druggists, is the best tonic, and as a tonic for patients recovering from fever or other sickness, it has no equal.

Risley's Genuine Golden Bell Cologne Water, according to the original formula of Provost, Paris, so long and favorably known to the customers of Hedland, Harral and Risley and their branches, for its fine permanent fragrance is now made by H. W. Risley and the trade supplied by his successors, Morgan & Risley, Wholesale Druggists, New York.

Thurston's Ivory Pearl Tooth Powder.—The best article known for cleansing and preserving the teeth and gums. Sold by all Druggists. Price 25 and 50 cents per bottle. F. C. Wells & Co., New York.

DRUG STORE!

For the liberal patronage which I have thus far received from the citizens of Orangeburg and the confidence shown in me by very numerous friends I take the opportunity to express my sincere gratitude in the "Orangeburg Times." The encouragement of past patronage and kindness induces a strong faith in future success, and, while thanking my friends for past favors, I guarantee that nothing will be left undone to deserve their continuing patronage. My store is essentially a Drug Store; where will be kept such Drugs and Medicines alone, as I will warrant genuine and Pure. I have arranged to supply my customers with Medicines of the very best quality afforded in the market. I avoid all cheap useless articles and yet my prices shall be as reasonable for valuable, good, fresh Medicines as anybody's.

I invite the Physicians of the District to call and examine for themselves. They are judges to whose opinion I submit. Send your orders and they will be filled to your satisfaction.

Just received a stock of pure medicines consisting of Laudanum, Paregoric, Castor Oil Sweet Oil, Epsom Salts, Cream Tartar, Carb. Soda, &c. Dye Stuffs, Paints and Brushes, Concentrated Lye, Patent Medicines of all kinds.

Just call at the Southern Drug Store on Russell Street, and you will be sure to get what you want.

J. G. DUKES.

DR. R. B. HEWITT,

31 WENTWORTH STREET.

CHARLESTON, S. C.

Can be consulted on the following diseases, and diseases of a kindred nature, free of charge and in strict confidence.

Charges moderate, and within the reach of all. Office hours from 9 a. m. to 7 p. m.

RHEUMATISM and *NEURALGIA*.

In all arthritic complaints, as rheumatism, gout, neuralgia, etc., this practice is almost perfect. The most intense pains are almost instantly relieved—enormous swellings are reduced—limbs which have been contracted and stiff for years are relaxed. Cases of twenty, thirty and forty years' standing have been cured by me, after all other means have failed.

A great accomplishment in my triumph over pain, by which I can often, in a few moments, soothe and carry off the most excruciating sufferings.

If this system did nothing more than to relieve pain, it would stand superior to any other system extant.

CATARRH.

Stopped-up Head, Running of the Nose, constant hawking and spitting, constant Blowing of the Nose.

Thousands suffer from that most annoying disagreeable complaint—Catarrh, without knowing what it is.

Often the secreted mucous flowing down the throat clogs up the lungs and lays the foundation for consumption.

The most skillful physicians fail to cure it.

I cure any case of obstruction—stopped up head—discharges of greenish, thick, thin or glairy mucous from the nose, internal or external—pain or fullness between the eyes—constant blowing of the nose—inflammation of the nasal passages,—ulceration of schneiderian membrane, etc., in the course of a few days.

DEAFNESS.

Nervous Deafness, Noises in the Head, Otorrhea—Otitis (discharge from Ear), Paralysis of Auditory Nerve.

I am daily treating all affections of the ear with the most gratifying results. Some who had paid aurists nearly $1,000 without benefit, have been cured by me in a few weeks at moderate expense.

MERCURIAL DISEASES.

Mercury, injudiciously used, has filled the earth with wrecks of humanity. Thousands suffer from its effects who have been unconsciously drugged by their physician. It is vain to attempt the cure of the majority of diseases while it remains in the body.

Although I have heard of several so-called antidotes for mercury in the human body, I have never yet seen a physician who could eliminate it from the system.

I can satisfy any patient or physician that I can absolutely extract mercury, lead, zinc, and other mineral poisons, in every case.

CANCERS.

Noli-me-Tangere, Lupus, or Wolf Cancer, Scirrhus Cancer—Fungous Cancer, Rose Cancer—Spider Cancer.

I make a great specialty in the treatment of every description of cancers and tumors.

How many cancers and tumors are wrongfully treated by certain Charlatans styling themselves "Cancer Doctors."

After being pronounced incurable, I will take any one of these cases in hand, and make a permanent cure.

My terms for treating cancers, etc., will be based on the age and condition of the patient, and the positive certainty of cure.
