THEY ARE NOT FAIR!

The Anti-McLaurin newspapers show their inconsistency, and their unfair treatment of Senator McLaurin, by the fact that all of them, when they take a notion to misrepresent and abuse him, will start, and the others will follow like a pack of hounds following the lead dog when after something they wish to destroy. When the Puerto Rican bill was up in the United States Senate, the Democrats made a vigorous fight against the measure, and when the vote came on, Senator's Tillman and McLaurin were recorded with their party. But not one word has been mentioned of this vote by those newspapers that are in the conspiracy to destroy McLaurin, which directs special attention to this vote. Oh No! Had McLaurin voted the other way the conspirators would have directed attention to it in great big "horse-heads," and columns of villification, and abuse would have been been hurled at him. Now, the people are not going to be deceived by the tactics of McLaurin's enemies. If the Senator's vote on the Philippine question was a mistake they are not going to damm him forever. We have received letters from the Philippines from one who is on the ground, and in a better position to know the situation than those who are denouncing McLaurin, and these letters concur with the position taken by Senator McLaurin in his vote for the Paris treaty. They say that the conditions were such at that time, and are so at present to require just such action as was taken by the administration, and had it not been for the aid of a few Democrats the treaty would have been rejected, and a fearful condition would have resulted.

What we started to show however, was the systematic efforts on the part of McLaurin's enemies to conceal what he does do that will meet with the people's approval, and to magnify, and contort into misrepresentation such acts as they think will be disapproved of. The record shows McLaurin to have voted on every party measure with his party, and it also shows that he has had the manliness to be independent of all cliques or political clans. This fight on McLaurin now, would have been made on Senator Tillman, but those opposed to Tillman know they stand no more chance to defeat him, than does a cat in an oil tank without claws, so they begin far ahead blazing the way to McLaurin's defeat, but two years is a long way off, and the conspirators may be striking at the base of a tree which will come down on themselves with destructive force.

Capt. F. W. Wagner, the senior member of the firm of F. W. Wagner & Co., the wholesale grocers, has been selected as the president of the Charleston exposition association. This is a fine selection, and proves conclusively that Charleston means to put the "Expo" on a business plan from the start. Captain Wagner is one of the most successful business men in the South, and his name at the head of the concern will inspire confidence throughout the Union.

Beware of Ointments for Catarrh that Contain Mercury

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

The Resurrection.

For nearly 19 centuries the church has been proclaiming the atoning death and triumphant resurrection of Jesus as incontestable and glorious facts.

Christ's resurrection was "the innermost shrine in the sanctuary of his mission, towards which he steadily tended; it was also, at the same time, the living corner-stone of that church which he had builded, which, as with uplifted finger, ever pointed all men heavenward." A denial of the resurrection involves a denial of the atonement, and the complete failure of Christ's mission to the world.

Christ's rising again is the fundamental miracle of Christianity. With it, Christianity must stand or fall. On it, spiritual teaching is based. From it the most far-reaching inferences are drawn.

In fact, Christianity is nothing else but the "fact and the doctrine, that through the death of Christ, the sins of the world were judged and expiated; and through his resurrection spiritual life and glory restored to humanity."

St Paul says: "And if Christ be not risen, then is our preaching vain and your faith is also vain. Yea, and we are found false witnesses of God; because we have testified of God that he raised up Christ . . . . . and if Christ be not raised, your faith is vain; ye are yet in your sins. Then they also which are fallen asleep in Christ are perished." The resurrection is the keystone in the arch of redemption.

Now, Christ's resurrection demands and is capable of the fullest historical proof; and admits of the most incontrovertible arguments. So strong is the proof of this fact, that when Gilbert West, the infidel, took up the subject with the purpose of showing its falsity, he was overwhelmed with the weight of evidence as to its truth, proclaiming himself a follower of Christ; and leaving us the result of his study in a very valuable work, "observations on the resurrection of Christ."

In addition to this external evidence, the child of God has an inward experience of the truth of the resurrection manifested in his heart and life, so that he can with joy exclaim, "the life which I now live in the flesh, I live by the faith of the Son of God, who loved me and gave himself for me."

As the risen Christ, he is ever with his people as the motive power in their lives.

But for this inward experience what dark clouds would ever be about us, and what sad forebodings would we experience.

And then, it is only upon Christ's resurrection that we can rest our hopes for the future—our own resurrection and immortal existence.

Standing in the light of Christ's life and death and resurrection, we can look at death as only a shadow, and triumphantly exclaim "O death, where is thy sting! O grave, where is thy victory!" Thanks be to God the victory is ours through our Lord Jesus Christ. May we rest our hopes for this life and the life to come, upon the risen and ascended Lord. W.

Story of a Slave.

To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. Williams of Manchester, Mich., tells how such a slave was made free. He says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters, she is wonderfully improved and able to do her own work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells. This miracle working medicine is a godsend to weak, sickly, run down people. Every bottle guaranteed. Only 50 cents. Sold by the R. B. Loryea drug store. 5

QUICK RELIEF FROM PAIN.

All who use Chamberlain's Pain Balm for rheumatism are delighted with the quick relief from pain which it affords. When speaking of this Mr. D. N. Sinks, of Troy, Ohio, says: "Some time ago I had a severe attack of rheumatism in my arm and shoulder. I tried numerous remedies but got no relief until I was recommended by Messrs. Geo. F. Parson & Co., druggists of this place, to try Chamberlain's Pain Balm. They recommended it so highly that I bought a bottle. I was soon relieved of all pain. I have since recommended this liniment to many of my friends, who agree with me that it is the best remedy for muscular rheumatism in the market." For sale by The R. B. Lorea drug store. Isaac M. "It is a surprising fact," says Prof. Houton, "that in my travels in all parts of the world, for the last ten years, I have met more people having used Green's August Flower than any other remedy, for dyspepsia, deranged liver and stomach, and for constipation. I find for tourists and salesmen, or for persons filling office positions, where headaches and general bad feelings from irregular habits exist, that Green's August Flower is a grand remedy. It does not injure the system by frequent use, and is excellent for sour stomachs and indigestion." Sample bottles free at the R. B. Loryea Drug Store. Isaac M. Loryea, Propr. a

Look in Your Mirror

Do you see sparkling eyes, a healthy, tinted skin, a sweet expression and a graceful form? These attractions are the result of good health. If they are absent, there is nearly always some disorder of the distinctly feminine organs present. Healthy menstrual organs mean health and beauty everywhere.

McELREE'S Wine of Cardui

makes women beautiful and healthy. It strikes at the root of all their trouble. There is no menstrual disorder, ache or pain which it will not cure. It is for the budding girl, the busy wife and the matron approaching the change of life. At every trying crisis in a woman's life it brings health, strength and happiness. It costs $1.00 of medicine dealers.

SCROFULA AND ITS AWFUL HORRORS

—CURED BY—

Johnston's Sarsaparilla

QUART BOTTLES.

A MOST WONDERFUL CURE.

A Grand Old Lady Gives Her Experience.

Mrs. Thankful Orilla Hurd lives in the beautiful village of Brighton, Livingston Co., Mich. This venerable and highly respected lady was born in the year 1812, the year of the great war, in Hebron, Washington Co., New York. She came to Michigan in 1840, the year of "Tippecanoe and Tyler too." All her faculties are excellently preserved, and possessing a very retentive memory, her mind is full of interesting reminiscences of her early life, of the early days of the State of Michigan and the interesting and remarkable people she has met, and the stirring events of which she was a witness. But nothing in her varied and manifold recollections are more marvelous and worthy of attention than are her experiences in the use of JOHNSTON'S SARSAPARILLA. Mrs. Hurd inherited a tendency and predisposition to scrofula, that terribly destructive blood taint which has cursed and is cursing the lives of thousands and marking thousands more as victims of the death angel. Transmitted from generation to generation, it is found in neary every family in one form or another. It may make its appearance in dreadful running sores, in unsightly swellings in the neck or goitre, or in eruptions of varied forms. Attacking the mucous membrane, it may be known as catarrh in the head, or developing in the lungs it may be, and often is, the prime cause of consumption.

Speaking of her case, Mrs. Hurd says: "I was troubled for many years with a bad skin disease. My arms and limbs would break out in a mass of sores, discharging yellow matter. My neck began to swell and became very unsightly in appearance. My body was covered with scrofulous eruptions. My eyes were also greatly inflamed and weakened, and they pained me very much. My blood was in a very bad condition and my head ached severely at frequent intervals, and I had no appetite. I had sores also in my ears. I was in a miserable condition. I had tried every remedy that had been recommended, and doctor after doctor had failed. One of the best physicians in the state told me I must die of scrofulous consumption, as internal abcesses were beginning to form. I at length was told of Dr. Johnston, of Detroit, and his famous Sarsaparilla. I tried a bottle, more as an experiment than anything else, as I had no faith in it, and greatly to my agreeable surprise, I began to grow better. You can be sure I kept on taking it. I took a great many bottles. But I steadily improved until I became entirely well. All the sores healed up, all the bad symptoms disappeared. I gained perfect health, and I have never been troubled with scrofula since. Of course an old lady of 83 years is not a young woman, but I have had remarkably good health since then, and I firmly believe that JOHNSTON'S SARSAPARILLA is the greatest blood purifier and the best medicine in the wide world, both for scrofula and as a spring medicine." This remarkably interesting old lady did not lok to be more than sixty, and she repeated several times, "I believe my life was saved by JOHNSTON'S SARSAPARILLA."
