...UNTING-HOUSE CALENDAR FOR 1852.

JANUARY, FEBRUARY, MARCH, APRIL, MAY, JUNE, JULY, AUGUST, SEPT'R, OCTOBER, NOVEMBER, DEC'BER.

What's to be Done for Mr. Thrash...? We hope that the people will not be so much occupied with Kossuth as to forget that one of their own citizens has been carried from Cuba by a mock trial, into an eight years' confinement at Ceuta. The fact that Mr. Thrasher got his case before our government is a...er for surprise and doubt; but it ought not to relieve the government from acting in that matter. Mr. Thrasher perhaps thought the United States Consul, Owen, was in possession of the facts of his case, and would make the proper representations. But this Mr. Owen seems to have failed to do. Cuba has certainly had blood enough to satisfy her justice or revenge. There is every reason to believe that Mr. Thrasher, an American citizen, been carried into exile unjustly, and that he is innocent of the charges laid at his door.

Has government done, or is government doing, any thing for his immediate and unconditional release? Nothing short of this should satisfy it. Mr. Thrasher has been held off by the Cuban authorities in anticipation of the intervention of this government. Let him now be set at liberty without delay; or Spain and Cuba beware of the consequences. An American citizen dragged into exile and imprisonment against the express admonition of our government! And our fleets are wandering at the Moro? And Havana is standing?

We should like to see a little of the sympathy and enthusiasm, so freely lavished by bestowed upon Kossuth, bestowed upon Thrasher, who, if we may ...ason to compare with Thrasher has far more ...ice of Spain than ... *Boston Transcript.*

NEW YORK TARIFF CONVENTION.—A convention of Iron masters and others friendly to the revision of the Tariff, was held in Keeville, Essex county, New York, on the 17th inst. The assemblage was quite large, and comprised the prominent men of all parties in that section of the State. A Committee submitted a report and resolutions, which were adopted, in which a full review of the iron interest is given, and measures recommended to procure an alteration in the present tariff. The ad valorem system of imposing duties was regarded by the Convention as deficient in every particular, and especially so in giving the least protection, when it was most required, and that it has in unequal operation and tends to great fraud on the revenue laws themselves.

THE POWER OF THE PRESS.—The Methodist Book Concern in New York employs 8 presses and 200 hands; the Tract House 13 presses and 275 hands; the Bible House 10 presses and 500 hands; and the Harpers 20 presses and ...ds—total ... the four establishments ... 175 hands ... of which ... fers. GOOD INTENTIONS!!!

Better Bargains! Best System!! FOR 1852.

CASH, QUICK SALES AND SMALL PROFITS.

THE beginning of a new year is generally admitted to be a good season to for GOOD INTENTIONS. I intend therefore, on the first day of January, 1852, to close the books so far as crediting is concerned, finding by experience, that

"A LITTLE credit is a dangerous thing."

I am aware that there are many—very many, with whom yearly accounts might be made with perfect safety, and much profit but a **Cash Business,** properly conducted, admits of no exception, on the principle that when Goods are sold at cash prices, the twelve months credit of a John Jacob Astor is not as good as the cash in hand of the poorest citizen. Such may not be the doctrine usually preached in the streets of Camden, but it is orthodox, nevertheless, and has always been found current on 'change.

In view of this arrangement, I have re-marked the whole of my stock, reducing the profits to the lowest possible scale, and established a UNIFORM PRICE to all.

I have now "declared my intentions," and appeal to the public for a liberal support in carrying them out, in return for which, I promise you

BETTER BARGAINS

than ever have been afforded in Camden—a strong assertion, but one I willy FULLY SUBSTANTIATE.

The above is beyond all doubt, the BEST system, combining every advantage to the buyer with every security to the seller, and wherever it has been fairly and honestly carried out, it has invariably succeeded and proved highly popular.

To those who have so liberally encouraged me heretofore, I again return most hearty thanks, and with the extra inducements now offered, I hope confidently, for extra favors, as only **Cash** and **Quick Sales** can support **Small Profits.**

JAMES WILSON.
