NUMBER OF PUPILS LAST SESSION, SEVENTY-EIGHT.

THE NEXT SESSION will commence on Monday the 13th of September. It is of the greatest importance that each Pupil should be present at the commencement of the Session.

Additions have been made to the Institute buildings during the past year. These contain seven commodious and well finished Rooms, all of which have been built, and are used for purposes of Instruction.

This Institution is furnished with a Philosophical Apparatus, a Chemical Apparatus, a Cabinet of Shells, a Collection of Birds, a Cabinet of Minerals, a Collection of Reptiles, Fishes and Animals, a Set of Anatomical Charts, a large and very fine collection of Maps, Globes, Blackboards, Pianos, and every thing which is necessary for most thorough instruction. It is said to be the best furnished institute for Young Ladies in the State.

The Academic year is divided into three Sessions of fourteen weeks each. The first Session will always commence on or near the 15th of September. The second Session, the 9th of January, and the third the 20th of April. With the exception of the Christmas holidays there is but one vacation during the year, and this occurs in August and September.

Good Boarding can be obtained in the Village including lights, washing, fuel, &c., at $10 per month.

Pupils entering *near the middle or close of the Session*, are charged from the time of entrance to the end of the Session. No deduction is made for absence, or other causes, but at the discretion of the Principal.

All bills for Tuition, &c., are payable at the close of each Session.

Books, Stationary and Music, can be obtained in the Village at reasonable prices.

Musical Department.

The department of Music is under the supervision of most accurate and accomplished teachers; and it is believed that unusual facilities are afforded for acquiring a thorough knowledge of this difficult science. In addition to regular private lessons, the pupils in this department are divided into classes, and taught on the plan of Pestalozzi.

They devote much time to exercises, adapted to train the ear, and the voice, and to impart an easy and brilliant execution.

If they pursue the prescribed course of musical instruction, they acquire the art of reading music with facility.

They are required to be regular and systematic in practising daily at the Institute.

The training and cultivation of the voice receive an unusual degree of attention. The science of Elocution is here applied, in developing the voice for singing, with great effect.

Pupils from Charleston, and the lower Districts, can reach Edgefield by the Stage, which leaves Augusta and Hamburg three times a week, and passes through the Village. And we cordially invite all who may be passing through Edgefield to visit our Institute, and satisfy themselves that no better facilities for educating their daughters can be furnished anywhere, than those which may be enjoyed near their own homes.

Valuable Plantation for Sale.

THAT Valuable PLANTATION, about eight miles from Hamburg, known as the Cherokee Pond Plantation, formerly owned by Dr. GEIGER.

It contains about seven hundred and eighty-eight (788) acres, 250 of which are cleared, the balance is well wooded, consisting of Black Jack, Hickory and Pine. It possesses superior advantages as a public house, it being a long established stand, and situated at the junction of the Five Notch, Martin Town Branch Plank Road and Main Trunk of the Hamburg and Edgefield Plank Road, and about a mile below the junction of the Pine House and Edgefield Roads. The Cherokee Pond Race Course is on the place, and is one of the best training Turfs in the United States.

On the place are two TWO STORY DWELLING HOUSES, with all necessary outbuildings, so situated that the place can be divided into two plantations, with suitable buildings on each plantation.

The Plank Road passing through the lands, offers great facilities for hauling wood to Hamburg and Augusta—to any one disposed to engage in that business, a rare chance is offered. To an approved purchaser it will be sold on a credit of three or five years. Apply to

A CARD.

IT will be seen from the Card of CHAMBERS, JEFFERS & Co., that I have connected myself with that firm for the purpose of carrying on a general

Factorage & Commission Business,

in Charleston, where I shall give my personal attention to business.

From my long experience in business in this place and a general acquaintance with the custom and wants of the country, and an untiring devotion to the interests of friends, I hope to merit and receive a full share of patronage.

In leaving Hamburg, I cannot think or feel that I bid adieu to my friends, among whom I have been raised, and for whom I have long done more or less business. I shall still be in Carolina, and a Carolinian, and will be in Charleston, where I can serve you to great advantage, and respectfully solicit your orders to CHAMBERS, JEFFERS & Co., while I most cordially return my thanks for all past favors, patronage and confidence.

Ware-House Company!

HAMBURG, S. C.

COMMISSION BUSINESS.

THE Undersigned takes this opportunity of returning thanks to his friends for the patronage heretofore so liberally extended to him, and to inform them and the public generally, that he continues the WARE-HOUSE and COMMISSION BUSINESS, at the

Water Proof Ware-House,

formerly occupied by SIBLEY & USHER, and the past year by himself.

The location and convenience of this Ware-House gives it superior claims to patronage, but what should not be overlooked by Planters, is the fact that it is entirely

Out of Danger of High Water,

—the late unprecedented and disastrous freshet not having reached the floor upon which all Cottons are stored.

The Undersigned having had much experience in the business, and intending to devote his entire attention to the STORING and SELLING of Cotton and other country produce, flatters himself that he will be enabled to give satisfaction to customers.

His charges will be governed by the usages of the place.

☞ Orders for Merchandize strictly attended to and reasonable advances made on produce when desired. C. WILLIAMS, AGENT.
