A New Sensation
FOR THE
BOYS AND GIRLS!

BOOKS are hard to get, for want of money. But the boys and girls must have something to read, and they ought to have fresh supplies of reading EVERY WEEK. Now, there are plenty of monthly papers for them: but their old friend—and who does not remember him and his "CHILDREN'S GUIDE" in war times—their old friend, J. W. BURKE, propose to give them the

HANDSOMEST WEEKLY PAPER!

his Phœnix Printing House can bring out. To do this he must have

HUNDREDS OF SUBSCRIBERS!

And he appeals to the young folks to help him. He wants to know how many will VOTE for the paper by agreeing to take it. Let them send in their long lists of names that he may see how the vote stands, and whether it will warrant him in commencing it. Never mind the money just yet. If he finds the vote all right, he will begin the publication, and call for the money: for then he will hold that all who have voted for it by sending up their names, will be under obligation to subscribe for the paper. Who says "Hurrah for a **Weekly Paper for the Boys and Girls!"** and what boy or girl will soonest send in the longest list of subscribers?

We shall, in the first number, begin the publication of a

Sequel to the "Young Marooners!"

Nearly all the boys and girls in the United States have read the "YOUNG MAROONERS" and been delighted with it; and Mr. GOULDING assures us that the new story will be every whit as good as the old one; and who could want anything better?

All of our old friends and correspondents, and a great many new ones, will write for us, and help us to make the

Best Juvenile Paper in the United States.

BURKE'S WEEKLY FOR BOYS AND GIRLS will be a handsome Quarto of eight pages, splendidly illustrated, and elegantly printed with new type on fine white paper making in the year a beautiful volume of over 400 pages, with a fine title page and index.

COOKING STOVES
For the Million!

THE ECONOMY AND CONVENIENCE of a GOOD COOKING STOVE is admitted by every intelligent person who has used them, and to be without one in this age of the world is worse than "old Fogyism,"—it is positive injustice to one's self and family.

Since the close of the war, hundreds have been made happy by the use of the celebrated Stove called the **"CHARTER OAK,"** sold by D. L. FULLERTON, Augusta, Ga.

We could fill columns of the *Advertiser* with names of happy House-Keepers who daily bless the "CHARTER OAK."
