

## ALL IN READINESS FOR ANDERSON CHAUTAUQUA

### PREPARATIONS COMPLETED FOR GRAND OPENING OF SECOND BIG CHAUTAUQUA

The main tents for Anderson's second chautauqua have been erected, and everything is now ready for the formal opening of the big event Monday afternoon.

Everybody has bought tickets and Andersonians may forget the European situation if that be possible, for the next eight days, and enjoy themselves. There will be plenty of splendid talent here, enough to meet the tastes of all. It is safe to say that no one will be disappointed, and that on the other hand all will be pleased. Enjoyment of the right kind, the kind the chautauqua stand for, is worth a great deal to any city. It is the very best talent that can be gotten, and it is of great educational value.

The parade yesterday was called off on account of the city streets, but many flags were given away and 400 hats distributed.

Superintendent D. F. Thomas says the chautauqua is going to be better than ever and that everything is ready.

In the words of Chairman Barton of the central chautauqua committee of the chamber of commerce, "Let us all enjoy it."

### American Ship Torpedoed Off Scilly Islands In The North Sea

The sinking of the American ship Gulfight off the Scilly Islands in the North Sea may bring the issue between the American and German

governments concerning the safety of American vessels in the alleged "war zone" about Great Britain to a head. The Gulfight, a steel vessel of 3,203 tons net, was built at Camden, N. J.,

in 1914. She was an oil tank steamer. She sailed from Port Arthur, Te., April 10, for Rouen, France, with a cargo of gasoline. Her captain, Alfred Gunter, died after being picked up,

of heart failure, the result of shock. Two men jumped overboard and were drowned. The others of the crew were taken off by a patrol boat and landed, and the vessel was afterward towed into Crow Sound and beached.
