LIFE INSURANCE.

THE UNDERSIGNED IS AGENT at large for South Carolina of the

Piedmont Life Insurance Company
OF VIRGINIA.

This Company was gotten fairly under way about 1st of September 1867, and to February 1st 1868, her receipts have amounted to $54,894.34, while her losses have been nothing. This success is unprecedented in the history of Life Insurance Companies.

The solvency of the Company, and the character and business qualifications of her officers, are beyond dispute. Persons Insuring in this Company, will, without a shadow of doubt, at their death, have paid to the Beneficiary, the sum insured for, less the premium notes not absorbed by the profits annually declared to policy holders.

87½ per cent of net profits are paid to policy holders, and these profits or dividends pay up ultimately not only the premium notes given by the patrons, but reduce annually thereafter, the cash payment, and finally, (success attending the Institution), *no* premium will be required, and the holder becomes possessed of a paid up policy drawing his annual dividends from the Company.

Rates: Cash portion—to secure at death, $1,000.00.

At 15 years of age	$7.80.	At 20 years of age	$8.80
" 25 " "	10.00.	" 30 " "	11.50
" 35 " "	13.45.	" 40 " "	15.85
" 45 " "	18.45.	" 50 " "	22.40

and at ages intermediate, and above 50, at intermediate and proportional rates.

In addition to the cash payment, a note at 12 months for the above amounts is given, the interest at 6 pr. ct. being paid in advance. It is confidently expected that the payment of these notes will never be called for, but be absorbed or paid by the profits of the business. Persons who have not the ready cash, can arrange with me upon a short credit, for the cash payment. These credit notes however *must* be promptly met at maturity.

I am also Agent for the JAMES RIVER FIRE INSURANCE COMPANY, and also for a LIVE STOCK INSURANCE COMPANY.

THE greatest want of the Southern House Keeper at present is LABOR, TIME AND MONEY-SAVING INVENTIONS, to facilitate and promote home comforts. The first and most indispensable of these, is the COOKING STOVE, to procure which it has been my care to select the BEST, and such as are most suitable for our market. The

CHIEF COOK STOVES

Are so constructed that the most perfect baking qualities are insured, together with economy in the use of fuel, and simplicity and convenience, which render them easily managed by any one, however inexperienced. These advantages have obtained for the Stoves a popularity unparalleled in every section of the country. These Stoves are kept constantly on hand, together with the

Charter Oak, Civilian and Texana
COOK STOVES,

All of which are warranted as good operators.

We refer to some of the persons in Edgefield who are using the CHIEF COOK and CHARTER OAK:
Mr. S. NICHOLSON,
Rev. L. R. GWALTNEY,
Mr. JULIUS DAY,
Gov. F. W. PICKENS,
Gov. M. L. BONHAM,
Mr. E. J. COLEMAN,
Dr. J. A. DEVORE,
Rev. D. D. BRUNSON,
Mr. J. T. BACON,
Mr. M. LEBESCHULTZ,
And a host of others.

Be sure and call on D. L. FULLERTON, opposite Augusta Hotel. No other dealers keep the same Stoves.
