The Great Remedy for Rheumatism, Gout, Pain in the Side, Hip, Back, Limbs and Joints, Scrofula, King's Evil, White Swellings, Hard Tumors, Stiff Joints, and all Fixed Pains whatever.

Where this Plaster is Applied, PAIN CANNOT EXIST.

A gentleman in the South of Europe and Palestine, in 1830, heard so much said in the latter place in favor of JEW DAVID'S PLASTER, and of the (as he considered) miraculous cures he had performed, that he was induced to try it on his own person, for a Long and Liver Affection, the removal of which had been the chief object of his journey, but which had resisted the genial and delicious clime.

He accordingly applied a plaster on the right of his chest where the pain was seated, another between the shoulders, and one over the region of the liver. In the mean time he drank freely of an herb tea of laxative qualities. He soon found his health improving, and in a few weeks his cough left him; the sallowness of his skin disappeared, his pain was removed, and his health became permanently restorated.

The following is from Mr. Worstel, editor of the Massillon Gazette, Ohio.

"*Gentlemen*—During last winter and spring, I was so troubled with a pain in breast as to render me unfit for the duties of my office; and hearing your JEW DAVID'S or HEBREW PLASTER highly recommended for similar cases, I was induced to give it a trial. I had worn a plaster upon my breast but a short time, when all pain left me, and I was enabled again to engage in the labors of the office. I would also state, that my sister, residing in Steubenville in this State, has received much benefit from its use.

Yours, truly, J. P. WORSTELL."

Massilon, Nov. 12, 1843.

It has been very beneficial in cases of Weakness, such as Pain and Weariness in the stomach, Weak Limbs, Lameness, Affection of the Spine, Female Weakness, &c. No female subject to pain or weakness in the back or sides, should be without it. Married ladies in delicate situations find great relief from constantly wearing this plaster.

The application of the Plaster between the shoulders has been found a certain remedy for Colds, Coughs, Pleurisies and Lung Affections, in their primary stages. It destroys inflammation by perspiration.

HASTING'S COMPOUND SYRUP OF NAPHTHA.

NOT only a positive but a warranted cure for consumption and all diseases of the lungs. This medicine has decided the dispute about the curability of consumption, and satisfied the medical faculty and all who have used it, that consumption and all affections of the lungs can not only be cured, but they are as easily and simply cured, as almost any of the disorders to which the human frame is liable.—The operation of a single bottle, which costs $1, is sufficient to satisfy any patient—if not altogether too far gone with the disease—of this fact; and even a single dose gives evidence of its extraordinary influence in arresting and eradicating the malady by the immediate relief which it affords. This is no quack or secret remedy. Dr. Hastings, its discoverer, is one of the most eminent physicians of the age, and has made a full disclosure of its history, and all its component parts to the world, not wishing to incur the responsibility of confining to himself, for the sake of profit, a secret which was calculated to do such universal good. And such has been the wonderful result of its operations, that the London Lancet, Medical Times, and the most eminent physicians of both hemispheres, are anxiously calling upon sufferers to have immediate recourse to it, and proclaiming that of all known medicine, it alone has positively established its efficacy by undeniable proofs of curing consumption and all other diseases of the lungs.

TESTIMONIALS.

Extracts from Certificates which can be seen in full by calling upon the Agents:

Mr. A. L. Scovill.—Having been afflicted with a most distressing Cough, until my Lungs became affected to such a degree that I was continually spitting blood; and being under the care of an able physician, without obtaining any relief until I procured a bottle of Dr. Rodger's Liverwort and Tar, which restored me to health in a very short time.

J. FINCH.

Cincinnati, Nov. 5, 1844.

From the Hon. Judge William Burke, late Postmaster of the city of Cincinnati for more than twenty years.

The statement of Justice Finch is entitled to the fullest confidence of the public. I can fully corroborate what he has said, having used the medicine myself with the most decided benefit.

WILLIAM BURKE.

Cincinnati, Aug. 12, 1845.

A REMARKABLE CURE OF CONSUMPTION.

Mr. Scovill—I was taken with a most distressing cough, and my lungs became so diseased that I bled in a short time several quarts. I was reduced so low that all of my friends, and even my physicians, thought I must die of Consumption! My brother hearing of the remarkable cures made by Dr. Roger's Liverwort and Tar, procured a bottle, and before I had taken one half of it, it seemed to go to the very seat of the disease. I raised a large quantity of phlegm and matter, and my cough was stopped as by a charm. And by its use I was restored to perfect health.

GABRIEL WHITEHEAD.

Sworn to and subscribed this 25th Nov., 1847.
H. E. SPENCER, Mayor of Cincinnati.

[Extract from a Letter from the Rev. Henry Wiseman.]

Mr. A. L. Scovill—As Dr. Rodger's Liverwort and Tar has been the means of snatching my companion from a premature grave! I feel under the obligation to give my influence to the circulation of so valuable a medicine.

HENRY WISEMAN.

Patriot, Gallia co., O., Dec 23 1846.

[From Dr. Wilson.]

I have been the family physician of Mr. Wiseman for the last twelve years; during that time Mrs Wiseman has been suffering from diseased lungs. And finally all the symptoms of Pulmonary Consumption appeared. All the usual remedies failed. At this time she commenced using Dr. Rodger's Liverwort and Tar. It acted like a charm. In a few days she declared herself nearly well. I have no doubt of its virtues, and would cheerfully recommend it to persons afflicted with diseased lungs. H. R. WILSON, M. D.

DR. TOWNSEND'S
COMPOUND EXTRACT OF
SARSAPARILLA,

The most extraordinary Medicine in the World.

☞ This Extract is put up in quart bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures without vomiting, purging, sickening, or debilitating the Patent.

The great beauty and superiority of this Sarsaparilla over all other medicine is, that while it eradicates disease, it invigorates the body. It is one of the very best

SPRING AND SUMMER MEDICININES

Ever known; it not only purifies the whole system, and strengthens the person, but it creates new, pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the last five years, more than 100,000 cures of severe cases of disease; at least 15,000 were considered incurable. It has saved the lives of more than 5,000 children during the past season.

10,000 Cases of General Debility and want of Nervous Energy.

Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the use of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening towards that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any INVIGORATING CORDIAL, as it removes and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.

Consumption Cured.

Cleanses and Strengthens Consumption can be cured. Bronchitis, Consumption, Liver complaint, Colds, Catarrh Coughs, Asthma, Spitting of Blood, Soreness in the chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c. have been and can be cured.

Rheumatism.

This is only one of more than 4,000 cases of Rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly eradicated by its extraordinary virtues.

James Cummings, Esq., one of the assistants in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the following letter:

Dr. Townsend, Dear Sir: I have suffered terribly for nine years with the Rheumatism; considerable of the time I could not eat, sleep or walk. I had the utmost distressing pains and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla, and they have done me more than one thousand dollars worth of good. I am so much better—indeed, I am entirely relieved. You are at liberty to use this for the benefit of the afflicted, Yours respectfully,

JAMES CUMMINGS.

FITS! FITS! FITS!

Dr. Townsend, not having tested his Sarsaparilla in cases of Fits, of course never recommended it, and was surprised to receive the following from an intelligent and respectable Farmer in Westchester county:

FORDHAM, Aug. 13, 1857.

Dr. Townsend, Dear Sir—I have a little girl seven years of age, who has been several years afflicted with Fits; we tried almost everything for her, but without success; at last, although we could find no recommendation in our circulars for cases like hers, we tho't as she was in very delicate health, we would give her some of your Sarsaparilla, and are very glad we did, for it has not only restored her strength, but she has had no return of the Fits, to our great pleasure and surprise. She is fast becoming rugged and hearty, for which we feel grateful. Yours, respectfully,

JOHN BUTLER, Jr.

FEMALE MEDICINE!

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barreness, Prolapsus Uteri, or falling of the womb, Piles, Leucorrhea, or Whites, obstruction or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system, no matter whether the result of inherent cause, produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of barreness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed but we can assure the afflicted, that hundreds of cases have been reported to us; thousands of cases where families have been without children after using a few bottles of this invaluable medicine, have been blessed with fine, healthy offspring.

Great Blessing to Mothers and Children.

It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon childbirth ever discovered. It strengthens both the mother and child, prevents pain and disease, increases and enriches the food, and those who have used it, think it is indispensable. It is highly useful both before and after confinement, as it prevents diseases attendant upon childbirth. In Costiveness, Piles, Cramps, Swelling of the Feet, Despondency, Heartburn, Vomiting, Pain in the Back and Loins, False Pains, Hemorrhage, and in regulating the Secretions and equalizing the circulation it has no equal. The great beauty of this Medicine is, it is always safe, and the most delicate use it most successfully.

OPINIONS OF PHYSICIANS.

Dr. Townsend is almost daily receiving orders from Physicians in different parts of the Union.

This is to certify that we, the undersigned Physicians of the City of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations in the market.

CAUTION.

Owing to the great success and immense sale of Dr. Townsend's Sarsaparilla, a number of men who were formerly our Agents, have commenced making Sarsaparilla Extracts, Elixirs, Bitters, Extracts of Yellow Dock, &c. They generally put it up in the same shape bottles, and some of them have stole and copied our advertisements; they are only worthless imitations and should be avoided.
