Answer This Question.

Why do so many people we see around us seem to prefer to suffer and be made miserable by Indigestion, Constipation, Dizziness, Loss of appetite, Coming Up of the Food, Yellow Skin, when for 75 cents we will sell them Shiloh's System Vitilizer, guaranteed to cure them. Sold by Dr. M. Q. Hendrix.

The Escaped Edgefield Murderers Caught in Arkansas.

On the 5th of the present month William Carpenter and G. Whitfield Murrell, the convicted murderers of Preston Yonce in Edgefield county, and under sentence of death therefor, escaped from the Edgefield jail under peculiar circumstances.

All efforts at apprehending the fugatives in the vicinity of Edgefield proved fruitless.

This is not surprising, as it now appears that Murrell and Carpenter made haste to leave Carolina behind them and sought seclusion in the wilds of Arkansas.

Just by chance, however, there was a Mr. Witt living in the heart of Arkansas they reached, who had formerly lived in Edgefield, having moved therefrom to Brindley, Monroe county, Arkansas. Mr. Witt recognized the new arrivals from the Palmetto State and wired Sheriff Ouzts of their whereabouts.

Mr. Ben. Covar, Coroner of Edgefield county, a Deputy Sheriff on occasions, and a pretty sharp fellow all the time, arrived in Columbia last evening, and at once sought Governor Richardson to secure papers necessary to extradite Messrs. Murrell and Carpenter from Arkansas.

The papers were prepared last night and Deputy Covar expects to leave for Arkansas to-day.

The Clergy Recommend It.

Malaria is nothing more than a blood poison and when its attacks are felt something must be taken to completely eradicate the poison from the system. Dr. Westmoreland's Calasaya Tonic is the most efficient blood medicine in existence, and all disorders of vital fluid readily succomb to its influence. A minister writes:

NASHVILLE, TENN.

Gentlemen: I have used some Dr. Westmoreland's Calisaya Tonic as an appetizer, and also to fortify my system against malarial influences; from having tried it myself and from the testimony of others who had tried it, in whom I can rely, I know of nothing so good as Dr. Westmoreland's Calisaya Tonic. Please express me three or four bottles to the above address, and oblige.

Yours sincerely,

IT IS TRUE

That garments which do not fit and are not made properly will not give the purchaser any satisfaction, they are always breaking at the seems and getting out of shape and keeps the wearer always in a bad humor. Such goods are made to sell and not to give good, hard service. A great many look at the cheauness of a suit. The price is what catches them.

I have suits from $5.00 up to $12.50 that will give perfect satisfaction in wear, and for durability and in make they cannot be surpassed. Overcoats in the same grades are made in the same manner and the trimmings are in keeping with the style of coat. I want your trade. I do not propose to pass off anything shoddy just for the sake of selling you once, but I give you full value in order that you may call again and make this your place for buying your clothing. I have the largest and best assortment of Clothing, Hats and Gent's Furnishing Goods that can be found in the city, embracing all the latest styles and patterns of domestic and imported goods made equal to the finest of custom made work. This is the only clothing house in the city where no mixed stock is carried, but give my whole attention strictly to the line of clothing and have better opportunities to offer you low prices.

Underwear.

This stock is complete in all sizes. Just think of it, natural wool undershirt for 50 cents, with drawers to match, $1,00 per suit. I can furnish you any grade you may need. My stock of hats, in all shapes, styles and quantities is large and complete. Prices are lower than anywhere else, giving you hats from 25 cents up to $7.50. Call and see this immense stock, it will pay you to do so when in the city. Give me a call, and I will try my best to please you.
