Edgefield Male Academy.

THE Exercises of this Institution were resumed on the first of August, under the control of Mr J. GREGG LEITNER, our last year's Teacher. The experience of a twelvemonth has fully satisfied us that no more competent young gentleman can be found in the State than the one now at the head of our Academy. The best proof of this is the general satisfaction given by him last year, backed by the additional fact that his School, at the termination of its first week for the second year, numbered 43 Pupils.

The Trustees desire to assure the Public that their united efforts will be given to the cause of their School, and a continued and complete supervision will be exercised by them over its progress.

Mr. LEITNER will in a short time procure a first rate Assistant, and any number short of four score can then be well attended to.

The Building is in comfortable condition, having three large fire-places (one in each of the larger rooms,) and being well supplied with convenient tables and arm-chairs of the best finish.

Once more we appeal to the people of Edgefield and the adjoining Districts, for their encouragement of our earnest endeavors to establish a first rate preparatory School.

"This efficient remedy is travelling into celebrity as fast as Bonaparte pushed his columns into Russia, and gaining commendation wherever used."

Georgia Jeffersonian, May 19th, 1853.

"I have used Jacob's Cordial in my family, and this, with all that I hear about it as a remedy by those who have tried it, induces me to believe that it stands at the head of every preparation of the kind, and I would recommend its use in the diseases for which it is compounded."

MILES G. DOBBINS, Agent Bank of Ga., Griffin.

"If there is any credibility in human testimony Jacob's Cordial must stand pre-eminent above all other prepantions for the cure of Bowel Diseases. From the mass of testimony in its favor coming in from all quarters, it must be very far in advance, as a curative agent, of most if not all other "patent" preparations."

A. FLEMMING,
Agent Marine and Fire Insurance Bank, Griffin.
