The subscriber being a practical Carriage maker by trade, having arranged with competent workmen, for carrying on his business in a workmanlike manner, he announces to the citizens of Newberry and surrounding country, that he is ready to receive orders for new work, Carriages, or Buggies, &c., of any style or pattern that parties may wish. And if their work is not done according to order parties will not be under any obligation to take it, when done. Give him a trial, is all he asks. Old Carriages and Buggies renovated and made to look equal to new, at reasonable prices. A liberal share of patronage is solicited.

He is in monthly receipt of patterns of all the latest styles in vogue; parties ordering can have a fine selection to choose from.

A few Buggies on hand for sale.
