The wealth of the Russian State Church is almost incalcuable. It could pay the national debt, some $3,000,000,000 and more, and still be enormously wealthy.

The most tired people in the world are those who do not half work. There is plenty of scripture to show that one way to get more rest is to do more work.

They all Testify
To the Efficacy of the World-Renowned
Swift's Specific.

The old-time simple remedy from the Georgia swamps and fields has gone forth to the antipodes, astonishing the skeptical and confounding the theories of those who depend solely on the physician's skill. There is no blood taint which it does not immediately eradicate. Poisons outwardly absorbed or the result of vile diseases from within all yield to this potent but simple remedy. It is an unequaled tonic, builds up the old and feeble, cures all diseases arising from impure blood or weakened vitality. Send for a treatise. Examine the proof.
