There are few cases of Rheumatism that will not [illegible] ence of Sarsaparilla and [illegible] daily—reversed, especially [illegible] junction with Hydr. of Potash [illegible] *Mercurial Rheumatism* (v[illegible] bones, &c.,) resulting from [illegible] by patients during several [illegible] protracted disease.

It is highly recommended for all diseases of the skin, chronic as well as recent. [illegible] bottle will, in most instances, effectually remove all pimples, postules, or blotches on the face, to which young persons in their teens are so much subjected to arising either from impurity of the blood or debility. It is the best remedy known for scrofulous affections, sores, and breakings out in young children, and is safe and efficacious in removing entirely every trace of hereditary disease from the system in the tender infant; in fact in all cutaneous affections it is invaluable. As a general purifier of the blood, and an eradicator of all obstinate diseases this preparation will undoubtedly take the precedence of all other medies. It gently operates upon and regulates the bowels, restores to the blood its wonted purity, gives tone to the stomach, and promotes digestion.

It will effectually relieve *Erysipelas* even in its worst stages, and all persons suffering from this distressing complaint are advised to use it, first so, but if no marked relief be found after taking one bottle, it will be necessary to use the Hydriodated Potash with it.

Not wishing to publish certificates as is done in the case of all quack medicines of the day, to effect their sale, and to force them upon the public, the subscriber begs leave to state that this preparation has been prescribed and used by a number of Physicians and Planters of our city and neighborhood, with success, viz: Dr. H. R. Frost, Dr. W. [illegible] Ramsay, Dr. Thos. Y. Simmons, Dr. [illegible] Pritchard, Mr. S. Legare, Lieut. Wilson, U. S. R. S., all of this city, Dr. James Stoney Beaufort.

For the composition of this preparation and the Medicinal Properties of the Green's Delight, Physicians are respectfully referred to the 5th and 6th Nos. Vol. I. of the "Southern Journal of Medicine and Pharmacy."

Price $1 per bottle, or $5 for 6 do. The same preparation as a Syrup, is also prepared at $1 per quart bottle, or $5 per 6 bottles.
