OF

'The Southern Press.'

An Association of sixty-three Members of Congress, Senators and Representatives, have constituted the undersigned a Committee to superintend the establishment of a Southern Press at Washington City, to be devoted to the exposition and defence of Southern Rights and institutions—the dissemination of correct information as to Northern Policy, and the course of Political Affairs generally, without reference to the old party lines of Whig and Democrat. Arrangements are now in progress, promptly to ensure the issue of such a paper under the title of

"The Southern Press,"

for the conduct of which, suitable Editors have been engaged, who will also receive the aid of a number of eminent and able contributors.

There will be both a TRI-WEEKLY and a WEEKLY issue—the latter to contain substantially the same matter as the former, and intended to reach those points of the country whose mail facilities are limited.

A DAILY issue will be added hereafter, should it be deemed advisable or necessary by the press and people of the Southern States.

The paper will not be *exclusively* political—but will embrace on its broad sheet the General News of the day, Domestic and Foreign, by mail and telegraph; Commercial and Agricultural Intelligence, Literary Criticisms, Original Essays, Literary and Miscellaneous; and in short, all those items of general interest, the collected aggregate of which constitutes the interesting and valuable Newspaper. Great care will be taken to give full and correct Reports of the Proceedings and Debates in both Houses of Congress, as well as the action of the local Legislatures on the Southern question.

A limited number only of Advertisements will be received—the main object being to furnish a large amount of reading matter.

The paper will be printed on a sheet equal in size to those of the other Washington papers, and the material will be procured especially for the purpose.

It is confidently hoped that every true friend to the South will aid in procuring subscribers, and forward the names, with the amount subscribed, to some Southern Representative at Washington, forthwith.

Postmasters are authorized by law to remit subscriptions free of postage.

Terms:

For Tri-weekly during the session of Congress, and semi-weekly during the recess, the price will be, per annum - - - - $5 00
Weekly paper - - - - - 2 50

The price of subscription must be paid invariably in advance, and the cash accompany the name sent.

All persons procuring ten names shall be entitled to receive a copy gratis for one year.
