A Card From Mr. West Giving Some Information in Regard to the Reduction Obtained by the Camden Cotton Factory.

Editor Chronicle:—Your Westville correspondent J. Q S asks you to turn the light on the matter of the Camden Cotton Factory obtaining a reduction in value of their property. This property was valued by the company at $21 000 and raised by the Board of Equalization to $76,000. When the raise was made I was not a member of the Board Since I became a member of the Board, the company asked to be put back to $21,000 You stated, Mr. Editor, that reductions or rebates could be obtained by appealing to the Comptroller General with a properly endorsed certificate. The question may arise who are the proper ones to sign such application. The Chairman of the Township Board where the property lies, the County Supervisor, Auditor and Treasurer are the ones. After getting what information I could of the value of the property I did not sign the reduction asked for, neither did the Supervisor. The reduction was granted by Comptroller General Norton. While, Mr. J. Q. S., we do not object to any inquiry concerning any public duty, at the same time I believe the County Board is ready to show up any of its work. If there is a mistake in this case it is by omission. As J. Q S. asks for light, I being a member of the Board of Equilization at the time the reduction was asked for, I give this as more light, leaving the matter with the public. J. K. West.

Pronunciation

Brave Dewey reached Manila, about the break of day,
And destroyed the fort that some folk call—the fort of Cavita.
But had he reached there later—say just about at night,
Some poet would have written that he destroyed the fort Cavite.
But there is one thing certain, he reached there with his fleet,
And some have said that he destroyed the fort that's called Cavite.
Above all things this is a fact, his actions were not tame,
And we may safely put it thus: "He got there just the same."

A Narrow Escape.

Thankful words written by Mrs. Ada E. Hart, of Gorton, S. D. "Was taken with a bad cold which settled on my lungs; cough set in and finally terminated in consumption. Four Doctors gave me up, saying I could live but a short time. I gave myself up to my saviour, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all eight bottles. It has cured me, and thank God I am saved and now a well and healthy woman." Trial bottles free at Dr. F. Leslie Zemp's Drug Store Regular size 50c and $1.00. Guaranteed or price refunded.

FOR ALL WOMEN

Nine-tenths of all the pain and sickness from which women suffer is caused by weakness or derangement in the organs of menstruation. Nearly always when a woman is not well these organs are affected. But when they are strong and healthy a woman is very seldom sick.

McELREE'S
Wine of Cardui

Is nature's provision for the regulation of the menstrual function. It cures all "female troubles." It is equally effective for the girl in her teens, the young wife with domestic and maternal cares, and the woman approaching the period known as the "Change of Life." They all need it. They are all benefitted by it.

For advice in cases requiring special directions, address, giving symptoms, the "Ladies' Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tenn.

THOS. J. COOPER, Tupelo, Miss., says: "My sister suffered from very irregular and painful menstruation and doctors could not relieve her. Wine of Cardui entirely cured her and also helped my mother through the Change of Life."

I was so weak I could not sit up. I got no sleep for days except when under the influence of opiates. For four months I suffered agonies and prayed that I might die and be at rest. One physician said I had consumption, for I had a cough that gave me no rest. But a good old physician whose medicine had helped me advised me to use Dr. Miles' Remedies. I've
