Cleaning Up the
Burned Area.
The Fiske Cater Construction com-

pany of Greenville have a large force of hands at work cleaning away the debris of the P. & N. freight station. They will soon begin the actual work

They will soon begin the actual work of reconstructing the building. With good weather prevailing the company hopes to complete the station in less time that the six weeks allotted them. Debris of other buildings that were burned is being cleaned away so the work of construction can start.

The closing of the Old Varennes school has been set for May 28. This school is a small one, but it has made

a record this past year for average attendance. Miss Josephine Kerr has been the teacher for the past session and she has made herself very popular both with the students and the patrons of the school.

Mr. John T. Milford will deliver an address on the fourth in Sunday in May at Salem church. A very attractive frogram is being arraged for this day and a large attendance is

New Cars Will
Ald in Paving.

The Piedmont and Northern railway has recently purchased 12 large stone or coal cars expressly for the transportation of the paving material from the Willimston quarries to the street of Anderson. The present cars cars are far to clumsy to take the short curves of the city street but with the new cars of 60,060 pound capacity the rock and other material can be hauled right to the spot where it is needed.

Mail Your Letters

Mail Your Letters
At the Postoffice,
Postmaster Laughlin called attention to the fact yesterday that many people are mailing their letters at the Blue Ridge Passenger station lately instead of at the Postoffice. From 50 to 200 letters are taken from these boxes at each train, and Mr. Laughlin wishes to emphasize the fact that wishes to emphasize the fact that these letters are the last ones to be cared for by the mail clerks. Mail from the postoffice has preference over all other mail in the cars, and the postal clerks sort all mail before they start on this mail from the vallend boves. The public is request. railroad boxes. The public is request-ed to mail letters in the U. S. mail boxes on the streets or at the post

Comb Sage Tea In Hair to Darken It

Grandmother's Recipe to It's Keep Her Locks Dark, Glossy, Thick.

The old-time mixture of Sage Tea and Sulphur for darkening gtay, streaked and faded hair is grand-mother's treatment, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the musy mixing at home. All drug stores sell the ready the sage and the musy mixing at home. All drug stores sell the ready the sage and the musy mixing at home. All drug stores sell the ready the sage and the musy mixing at home. Champion Spring Tooth

Cultivators

THE SPRING TOOTH CULTIVATOR is today recognized as one of the

greatest labor-saving implements, especially since it has reached its high state of perfection found in the CHAMPION.

Our Patented No. 8 ADJUSTABLE TOOTH—the most valuable improvement ever made in Spring Cultivator Teeth-Cultivates all space from row to row without tearing down bed.

We ask our farmer friends to do just one thing-examine the Champion Cultivator, compare it with any and every other on the

market. Then buy what is, in his judgment, the BEST. We know, and thousands of farmers in every State from Virginia to Texas know, that the best is THE CHAMPION.
