ASK YOUR DRUG-GIST ABOUT IT

There is a New Remedy that Takes the Place of Calomel, Recommended and Guaranteed by the Druggists.

The Laurens Drug Co. never sold a remedy that gave more complete satisfaction than Dodson's Liver Tone—a mild vegetable remedy for constipation, sour stomach and lazy liver.

Folks who have suffered for years rather than resort to dangerous calomel have found after one trial that this pleasant-tasting vegetable liquid gives them a long sought relief without bad after-effects.

Dodson's Liver Tone is guaranteed by Laurens Drug Co., to be a safe liver stimulant and to be absolutely harmless—without bad after-effects. You will find many persons in this locality who have tried it and every user will speak a good word for Dodson's Liver Tone. It livens up a torpid liver and makes you feel fresh, healthy and clean.

The price of a large bottle is 50 cents—money back if not pleased. The success of Dodson's Liver Tone has brought many medicines into the field that imitate its claims, and some have name very similar and package same color, but remember Dodson's Liver Tone is guaranteed by Laurens Drug Co. who will give you back your money if you want it.

THE VERY BEST LAUNDRESS

seldom makes a success of it when it comes to handling men's shirts, collars and cuffs. She doesn't seem to get the knack of doing them properly however often she may try. We have the knack. Send us your linen and see what a fine finish we put on, and how spotlessly white we make it. Send it this week.

Doctors Use This for Eczema

Dr. Evans, Ex-Commissioner of Health, says: "There is almost no relation between skin diseases and the blood." The skin must be cured through the skin. The germs must be washed out, and so salves have long ago been found worthless. The most advanced physicians of this country are now agreed on this, and are prescribing a wash of wintergreen, thymol and other ingredients for eczema and all other skin diseases. This compound is known as D.D.D. Prescription for Eczema.

Dr. Holmes, the well known skin specialist writes: "I am convinced that the D.D.D. Prescription is as much a specific for eczema as quinine for malaria. I have been prescribing the D.D.D. remedy for years." It will take away the itch the instant you apply it.

In fact, we are so sure of what D.D.D. will do for you that we will be glad to let you have a $1 bottle on our guarantee that it will cost you nothing unless you find that it does the work.
