

# FLIES CAUSE MORE DEATHS THAN WAR

The casualties from the great European War are already more than a million. Such a blot upon humanity is almost inconceivable, yet this terrible waste of life is not as great as the toll levied by the deadly fly. Bureaus of Medical Research, Doctors and Superintendents of Health agree that the Fly as a spreader of contagious disease and deadly germs, has no equal.

Why tolerate a menace to health and cleanliness? Kill them! Rid your home of them!

## TELEPHONE SYSTEM IN HOTEL CHIQUOLA

PRIVATE BRANCH EXCHANGE HAS BEEN CONTRACTED FOR BY MANAGEMENT  
**50 TELEPHONES**

Will be Installed in as Many Rooms—New Lobby Will Soon be Completed.

Manager W. S. Beatty of the Anderson division of the Southern Bell Telephone and Telegraph company announced yesterday that he had closed a contract with Proprietor R. R. King of the Hotel Chiquola for the installation private branch exchange in this well known and popular hostelry. A "private branch exchange," for the enlightenment of those who might not be conversant with the significance of the term, means that a telephone will be placed in every room in the hotel; that these telephones will be connected with a "central" office in the lobby of the hotel; and that any one may telephone from any room in the hotel to any point out in the city or elsewhere, and any one may "phone" from any point in the city or elsewhere to a person in the hotel, talking to that person in his own room. It will be probably the most modern conveniences the hotel possesses.

The contract calls for the installation of 50 telephones in the hotels. These are to be specially designed instruments, made of black metal with nickel trimmings. The switchboard will be made to order, constructed of dark mahogany.

In speaking of the matter yesterday, Mr. Beatty stated that he hoped to have the telephones installed in the hotel within 30 days.

This great improvement together with the new entrance, lobby, stairway, offices, stairway and other quarters that are under construction now will serve to make the Hotel Chiquola one of the most modern as well as one of the handsomest in this section.

The new lobby of the hotel, which will have entrance on North Main street, is now being finished up and will be thrown open for use in the next few days.

### Large Number of Visitors in City.

Yesterday saw one of the largest crowds that has been in the city in several weeks, or at least there were more people on the streets. Numbers of these, of course, were residents of the city who were brought out on account of the chautauqua attraction. The merchants appeared to be doing good business throughout the day.

### SOLEY CATHARTIC TABLETS

The moment you apply bold sulphur to an itching or broken out skin, the itching stops and healing begins, says a renowned dermatologist.

This remarkable sulphur made into a thick cream effects such prompt relief, even in aggravated Eczema, that it is a never-ending source of amazement to physicians.

For many years bold sulphur has occupied a secure position in the treatment of cutaneous eruptions by reason of its cooling, parasite-destroying properties and nothing has ever been found to take its place in relieving irritable and inflammatory affections of the skin. While not always establishing a permanent cure, yet in every instance, it immediately subdues the itching irritation and heals the Eczema right up and it is often years later before any eruption again manifests itself.

Any good druggist will supply an ounce of bold sulphur, which should be applied to the affected parts like the ordinary cold cream. It isn't unpleasant and the prompt relief afforded is very welcome, particularly when the Eczema is accompanied with torturous itching.

## RECORD BREAKING CHAUTAUQUA CROWDS

SATURDAY ONE OF THE MOST ENJOYABLE DAYS OF WEEK  
**JOY NIGHT GREAT**

Ex-Governor Shallenberger Was Speaker in the Afternoon—Fun in Evening.

Record breaking crowds attended the entertainments yesterday, the sixth day of the chautauqua. Each day these large audiences are more and more delighted with the beautiful and interesting programs given. For the morning lecture Mr. Amsbury had as his subject "The Great Russian Prose and Poetry Writer," an intensely interesting subject and given in Mr. Amsbury's most attractive manner.

The world is beginning to appreciate more and more Tolstol's great work, and this splendid sketch of his life and work could not fail to please.

The prelude for the afternoon and evening program was given by the Christine Giles-Bingham Company, of four members who play the piano, violin, cello and flute. Mrs. Bingham does the solo work and has a beautiful soprano voice of unusual sweetness. She also is a violinist of marked ability, and in some of her songs played her own violin obligato.

Hon. A. C. Shallenberger, ex-governor of Nebraska and now a member of congress, spoke in the afternoon on "Political Patriotism." Thoroughly conversant with the political conditions of the day and times, he discussed them in a clear and interesting manner. As a speaker he possesses an attractive personality, and that his lecture was thoroughly enjoyed was shown by the frequent hearty applause he received.

"Joy night" was the chautauqua name for the evening program, and joy night it proved to be, with Ralph Bingham, the widely known humorist and prince of entertainers, in charge.

From the moment he came out upon the platform he gained the sympathy of his audience and right royally did he entertain them with his jokes, and stories, songs and playing. It was a laugh all the way through, of the good healthy sort, and many of Mr. Bingham's sayings and wit will long be remembered by those who heard him.

Sunday is rest day and the chautauqua will be closed all day.

On Monday, the opening exercise will be at three o'clock in the afternoon and the chautauqua will end with Alice Neilson in the night performance.

Thomas Brooks Fletcher will speak in the afternoon.

### STOP CATARRH! OPEN NOSTRILS AND HEAD

Says Cream Applied in Nostrils Relieves Head-Colds at Once.

If your nostrils are clogged and your head is stuffed and you breathe freely because of a cold or catarrh, just get a small bottle of Ely's Cream Balm at any drug store. Apply a little of this fragrant, antiseptic cream into your nostrils and let it penetrate through every air passage of your head, soothing and healing the inflamed, swollen mucous membrane and you get instant relief.

Ah! how good it feels. Your nostrils are open, your head is clear, no more hawking, snuffling, blowing; no more headache, dryness or struggling for breath. Ely's Cream Balm is just what sufferers from head colds and catarrh need. It's a delight.

### IF SKIN BREAKS OUT AND ITCHES APPLY SULPHUR

Use it like a cold cream and dry Eczema eruptions right up.
