Prayer and benediction.

Ladies! Secret To
Darken Gray Hair

Bring Back its Color and Luster
With Grandma's Sage Tea
Recipe.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant; remove every bit of dandruff, stop scalp itching and falling hair. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger.

ITCHING ECZEMA
IS DRIED RIGHT
UP WITH SULPHUR

Use like cold cream to subdue
irritation and clear
the skin.

Any breaking out or irritation on the face, arms, legs and body when accompanied by itching, or when the skin is dry and feverish, can be readily overcome by applying a little bold-sulphur, says a noted dermatologist.

He informs us that bold-sulphur instantly allays the angry itching and irritation and soothes and heals the Eczema right up leaving the skin clear and smooth. Bold-sulphur has occupied a secure position for many years in the treatment of cutaneous disorders because of its parasite-destroying property. Nothing has ever been found to take its place in treating the irritable and inflammatory skin afflictions. While not always establishing a permanent cure it never fails to subdue the itching irritation and drive the Eczema away and it is often years later before any eruption again appears.

Those troubled should obtain from any druggist an ounce of bold-sulphur, which is applied to the affected parts in the same manner as an ordinary cold cream. It isn't unpleasant and the relief afforded, particularly in itching Eczema, proves very welcome.

COMMITTEES ARE NEARING THE GOAL

TO DATE ST. JOHN'S FUND AMOUNT TO \$16,575 OR 165 3-4 SHARES

67 SUBSCRIBERS

Original Indebtedness of Church is \$26,700—Committees are Hopeful of Success.

At the "checking up" last night of the committees in charge of the campaign to raise this week a fund to lift the indebtedness of St. John's Methodist church it was shown that 46 1-2 shares, representing \$4,625, had been raised during the day, bringing the total amount raised since the campaign was inaugurated of 165 3-4 shares, or \$16,575, subscribed by 67 members of the congregation.

Standing of Teams.
The captains, subscribers and standing of the respective teams in charge of the campaign to date is as follows:
Team 1, Addison, 22 1-2 shares, 19 subscribers.
Team 2, Templeton, 25 3-4 shares, 18 subscribers.
Team 3, Dugan, 38 shares, 12 subscribers.
Team 4, Geiger, 24 1-2 shares, 19 subscribers.
Team 5, Marshall, 44 shares, 8 subscribers.

Church Debt \$26,700.
The impression has gone out, and it has been so printed, that there was an original debt on the church of \$35,000. This is misleading. The original indebtedness of the church is \$26,700. To this amount must be added, of course, interest charges.

The members of the committee were much encouraged, and believe that the entire amount necessary to have will be realized by next Sunday morning.

ART EXHIBITION AT THE COLLEGE TODAY

CONSISTS SOLELY OF WORK OF PUPILS OF THE ART DEPARTMENT

OTHER NOTES

College Annual for 1915 is Off the Press and is Most Attractive.

There will be an art exhibition in the college parlors Friday afternoon, May 21, from 4 to 6. The exhibition will consist solely of work done by the pupils of Miss Mary D. Ramsour, the efficient head of the art department at the college. Miss Ramsour has enjoyed the very best advantages in her lines of work to be obtained at home and abroad, and her superiority as a teacher is shown in the quality of the work done by her pupils during this session. Her pupils are all first year students and the quality and quantity to be on exhibition is very unusual for merit. The work is all done from life and still-life. The exhibits will consist of charcoal drawings from casts and from life studies; pictures of studies of fruit, flowers, etc., (arranged by teachers) in charcoal, pastel and oil, and a goodly amount of very pretty china. The public is most cordially invited to attend this art exhibition and tea, and it is hoped the friends throughout the town and country will avail themselves of the opportunity to see the work done here in the way of developing artists' taste and ability.

The week of chautauqua was enjoyed to the fullest by the entire school and now everybody is hard at work getting in trim for examinations, commencement and the final closing of the year's work.

Mrs. J. J. Reed of Knoxville, formerly Misses Murray of the faculty, has been glad to be welcomed on a visit to the city and college. All were glad to have her to dinner and to lunch.

Mr. Ambury and Miss Couquist of the chautauqua were guests at the college for lunch one day.

Dr. and Mrs. Vines and President and Mrs. Knigard were guests to lunch Wednesday. Dr. Vines conducted chapel exercises.

Mrs. P. E. Linkscales recently entertained the students of the college who constitute her Sunday school class in her pleasant home. The party took the form of a farewell to Dr. and Mrs. Vines.

The college is grateful to Mrs. Florence Thompson for the gift of quite a number of nice chrysanthemum plants.

Twice this week the college faculty has been called upon to sympathize with one of its members: Monday when Miss Ietta Pruitt, daughter of Mr. Jno. Pruitt of Starr, heard of the burning of her home, and when Miss Helen Smith, lady principal, was called to her home in Abbeville Tuesday because of the death of her nephew, the four-year-old son of Mr. Allen Smith, Jr.

Private Lonsdale.

"It Private Lonsdale is shot by the German government three German prisoners here will be shot," said General Sam Hughes, minister of militia and defense in Canada.

There is no friend of General Hughes, beloved of the Canadians, who believes he will fall to carry out his threat.

Lonsdale struck a German officer in an attempt to escape, and was sentenced to death. He has been in a German prison camp for a long time. Since the sentence has been

General Sam Hughes held in abeyance by the intervention of American ambassadors.

The other day three German prisoners in Kingston, Can., attacked their keepers. These are the three men General Hughes says he will have court martial and shot if Lonsdale meets death in Germany. He insists the offense of Lonsdale was no greater than that of the German prisoners.

BANKERS WILL MEET HERE NEXT TUESDAY

GROUP NO. 1 OF STATE ASSOCIATION WILL COME 75 OR 100 STRONG

TWO SESSIONS

One Will be Held in Afternoon and Other in Evening—Banquet for the Visitors.

Group No. 1 of the South Carolina Bankers Association will meet in Anderson next Tuesday, May 25, for a business and social session.

Group No. 1 is composed of the bankers of Anderson, Pickens, Oconee and Greenville counties, and is one of the livest of the component parts of the state organization. It is expected that between 75 and 100 visitors will be here for the meeting.

Two sessions of the group will be held. The first meeting will be held at the chamber of commerce quarters, probably at 3:30 o'clock. The second session will be held that evening, the time and place to be announced later. This will be in the nature of a social gathering, the visitors being the guests of the local bankers at a banquet.

The chairman of Group No. 1 is Arthur L. Mills, of the Fourth National Bank of Greenville. The secretary of the group is J. E. Wakefield, of the Bank of Piedmont.

ON TO RICHMOND

Special Pullman to be Operated From Anderson.

The Seaboard Air Line Railway will operate a special car from Anderson to Richmond for the use of those who wish to attend the Reunion of Confederate veterans to be held in Richmond at that time.

A Pullman car will be placed in Anderson on May 31st, in the charge of Mr. W. W. Russell, and will leave this city at 2:30 p. m. being carried as far as Greenwood. From that point it will become a part of the Waller Special and will arrive in Richmond the following morning at 5 o'clock.

This is an ideal trip for the veterans. There will be plenty of space for Andersonians desirous of making the trip, and reservations on the Pullman cars can be made at an earlier date than the last of the month. This trip from Anderson to Richmond without a change, and in charge of an Anderson veteran is one of the most attractive that can be offered. Those desiring space should notify Mr. Russell.

HERE ARE THE JOBS

From 16,000 to 18,000 Men Wanted For the Harvest in the West.

The United States department of labor sends out the following bulletins:

The division of information of the bureau of immigration, United States department of labor has been advised by the commissioner of labor of Oklahoma City, Okla. that 16,000 to 18,000 men will be needed this season for grain harvest. Wages will range from \$2 to \$3 per day and board. The department is informed that the vast majority of the farmers of Oklahoma who want harvest hands, prefer English speaking white men. It will be necessary for all persons desiring this harvest work to defray their own expenses to and from the place of employment.

Harvest will begin in the southwestern part of Oklahoma about June 5, in the north central and northwestern parts about June 12th.

Soldiers in Europe are said to be highly partial to spring onions. At least this is one way of strengthening their position.—Birmingham Ledger.
