#### Austrian Alps, Which Italians Must Cross.

This is the character of the country two movements against Austria. One the Italians, now marching north, takes the mover the lowlands, north must cross to reach Austrian terri- of Venice, in the direction of the one of the Alpine chasseurs of the Italian army. These men are equip-ped and trained for warfare on the

mountain passes.

So far as can be learned from desperably introduces, the Italians are now making summer.

of Venice, in the direction of the province of Trieste. The other re-quires them to push north over moun-tainous country. In some of the passes more than 11,000 feet high, there is snow the year round. But it will not greatly interfere with fighting in the

Approved: W. W. Long, State Agent. State Supt. of Education

# **GOOD YIELDS OF OATS**

Mr. Wade Drake Averages 40 Bushels to Acre on 80 Acres-Brother Makes Wheat.

Mr. Ralph Drake was among the visitors in Anderson yesterday and stated that he and his brother, Mr. stated that he and his brother, Mr. Wade Drake, had finished harvesting and that they had had their grain threshed. He says he has made more than enough pats for his own use and also has made enough wheat to furaish him with flour for the next twelve

Mr. Wade Drake made about 3,500 bushels of oats on 89 acres, or an average of 40 bushels to the acre. This

is a very good average.

Mr. Drake stated yesterday that all the farmers had been busy for the past week getting their crops worked cut. He said that nearly all of them were getting up with their work and that the cotton and corn was looking well

Fleischman Bros. came 'o Anderson If First Prize.

To the boy in the state making the highest general average according to rules and regulations contined in Cir-They do business on a large scale and have six stores in North and South

Mrs. McConnell. Bevard, N. C., June 8.—Mrs. Eugenia McConnell of Anderson, died Tuesday, June 8, at the home of her daughter, Mrs. Milan Nicholson, where she had been visiting for the past few weeks. In the last year's time Mrs. McConnell had suffered from a serious case of typhoid fever from which she had never regained complete health. She had been several times before to this place visit-ing her daughter and was quite well and favorably known to many Bevard people. Her kind and gentle disposi-

tion easily made friends for her with those she met.

The funeral services were held Wednesday afternoon at the Glazener

50 GALLONS TO ACRE

Negro Says He Made 73 Gallons Sy-rup On 1 1-2 Acres.

Savannah river on R. F. D. No. 3, i. . . who knows how to raise cane to the interest of the in

ooys, enrollment to count 25 per cent the acre. He says that he was able to sell all of this that he did not need be awarded \$25 in cash, offered by the C. H. Hastings Seed company, Atlanta, Gc. for his own use at 60 cents a gallon. This would make a total for the 73 gallons of \$43.80, which is much better than the average cotton raised per acre.

> of land and that there is not a penny owing on it. He believe in raising everything he can at home and then raising cotton as a surplus crop. This year he has 40 acres of cotton planted and has plenty of corn, peas, cans peanuts and watermelons.

He said that he had just finished harvesting his wheat and oats and that he thought he had made enough to last him for the next twelve months.

STATE LEAGUE CONFERENCE State Conference Epworth League in Columbia.

Misses Irene and Sarah Prince and Mr. John Owens have been elected as delegates from Anderson to the Epworth league conference which will meet in Columbia June 16-17.

This State conference is very im portant and it is expected that it will be largely attended. Since the division of the South Carolina Methodist conference into two divisions it is thought that the Enworth league conference will do the same thing.
