

**Camel CIGARETTES**

win every smoker who appreciates quality, smoothness and flavor. They are a blend of choice Turkish and choice Domestic tobaccos—more delightful to the taste than either tobacco smoked straight.

Compare Camels with cigarettes you think you like best. They will stand the test against any brand in the world!

Smoke Camels liberally because they can't bite or parch or leave any unpleasant cigarette after-taste.

Don't look for premiums or coupons. Cost of choice tobaccos blended in Camel Cigarettes prohibits their use.

CAMELS sell 20 for 10c. If your dealer can't supply you, send 10c for one package or \$1.00 for a carton of ten packages (500 cigarettes), sent postage prepaid. If after smoking one package you are not delighted with CAMELS, return the other nine packages and we will refund your dollar and postage.

### THRIFT

If thrift does not come natural to you, cultivate it. Realize the fact that every man who has a dollar put aside is a capitalist.

We earnestly urge you to open an account with this bank for any sum. Either a Checking or a Savings account, in addition to being convenient encourages you not to use your money except in a wise way.

The prosperity you enjoy today does not guarantee you prosperity tomorrow. Changes in the business and industrial world may later on deprive you of your present measure of prosperity.

We Pay Interest On Deposits.

**Bilious Attacks.**  
When you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. They only cost a quarter. Obtainable everywhere.
