ANDERSON BAR HONORS JUDGE T. S. SEASE

GAVE SUPPER FOR HIM AT M'KINNEY SPRINGS LAST EVENING.

ENJOYABLE AFFAIR

Speeches Were Made by Judge and Members of Bar—Spring Was Very Cool Place.

The members of the Anderson bar gave a fried-chicken supper last evening about 7 o'clock at McKinney springs in honor of Judge T. S. Sease, of Spartanburg. The supper was to have been given at a later date but owing to the fact that court adjourned, it was given yesterday.

This supper is nothing new since it has been the custom for the local bar to entertain the presiding judge in some way here every time court convenes. They are always very pleasant and enjoyable occasions and the one yesterday was one of the best ever held. Although called a fried chicken supper, there was plenty of other things to eat. The McKinney spring was especially suited for the occasion and it was a much better place for the judge and the lawyers to come in contact with one another than the hot court room. During the evening several speeches were made by members of the bar and Judge T. S. Sease.

Among those attending were Judge T. S. Sease and Messrs. G. B. Greene, T. Frank Watkins, Samuel L. Prince, T. P. Dickson, Leon L. Rice, John K. Hood, Dean Pearman, K. P. Smith, A. H. Dagnall, M. L. Bonham, T. Allen, D. H. Watkins, C. R. Cooley, G. H. Geiger, James N. Pearman, Clyde Smith and Carlyle McKinney.

For the use of motorists making long junkets and cooking their meals at roadside places along the way, a complete kitchen equipment, including a folding gasoline stove, has been brought out which may be carried on the running board of a car. The outfit is packed in a dusttight container which is neatly made and slightly in appearance. It is about 30 inches in length, 12 inches wide, and approximately 18 inches high. The special feature of the equipment is a two-hole folding gasoline stove that is built with an ample oven. The outfit is described, with illustration, in the July Popular Mechanics Magazine.

All in Use Building. Spartanburg's new city hall and jail building on Broad street is now fully occupied by the various city departments and hereafter the city government will be administered from one building, instead of three separate places of business, as has been the case for some time past.—Spartanburg Herald.

Make Race Entries Soon as Possible.

According to Mr. R. E. Cochran, manager of the races for the Independence Day celebration, the number of entries for the races that day, both the motorcycle events and the automobiles, is rapidly increasing and he requests the intelligencer to again urge all those who propose entering to do so as soon as possible. The entries will positively close on June 24 at 6 p. m. and will not be reopened.

COMMON PLEAS COURT ADJOURNED YESTERDAY

JUDGE SEASE RETURNED TO HIS HOME IN SPARTANBURG LAST NIGHT

ENJOYABLE AFFAIR LASTED TWO DAYS

Yesterday Was Taken Up With Hearing Cases For Appeal—Docket Nearly Cleared.

Common pleas court for this week was adjourned yesterday afternoon, there being nothing further to come before it. Owing to the continuance and settlement of several cases on the docket, Judge Sease ordered court adjourned. He returned to his home in Spartanburg last night.

Two cases were disposed of, one being that of Burdin versus Blue Ridge railway company, which resulted in a consent verdict for the plaintiff in the sum of \$500. The other was that of Jenkins versus the Western Union Telegraph company. A verdict in favor of the defendant was ordered in this case. It is stated that the attorney for the plaintiffs will carry the case to the supreme court.

The case of Peoples Grocery company against Breedin was marked settled; an order was given in the case of Wakefield against Spoon; a verdict for the defendant company was ordered in the case of Jenkins against the telegraph company; a consent verdict was returned in the case of Burden against the railway company; the cases of the Southern railway against the Broadway and the Wilmont oil mills and the case of Hornick against Callahan were marked continued for the present. The case of Mitchell against Mitchell was also marked continued, and attorneys in the cases of Anderson McKinney, Humphreys and Bieckey against the Blue Ridge railway stated these cases had been set for trial next week and witnesses in same could not be here until that time. This practically cleared the docket.

There were three other cases on the rearranged roster, as follows: Clark against Monroe; Case against Watson, and Summey against Anderson county. These cases will probably come up or trial when court reconvenes next week.

Yesterday was taken up with cases for appeal.

CALOMEL DYNAMITE YOUR LIVER! MAKES YOU SICK AND SALIVATES

"Dodson's Liver Tonic" Starts Your Liver Better Than Calomel and You Don't Lose a Day's Work

Listen up your sluggish liver! Feel fine and cheerful; make your work a pleasure; be vigorous and full of ambition. But take no nasty, dangerous calomel because it makes you sick and you may lose a day's work. Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel creates into sour bile like dynamite, breaking it up. That's when you feel that awful nausea and cramping. Listen to me! If you want to enjoy the "nicest, gentlest liver and bowel cleansing you ever experienced" just take a spoonful of harmless Dodson's Liver Tonic tonight. Your druggist or dealer sells you a 50 cent bottle of Dodson's Liver Tonic under my personal money-back guarantee that each spoonful will clear your sluggish liver better than a dose of nasty calomel and that it won't make you sick. Dodson's Liver Tonic is real liver medicine. You'll know it next morning because you will wake up feeling fine, your liver will be working; headache and dizziness gone; stomach will be sweet and bowels regular. Dodson's Liver Tonic is entirely vegetable, therefore harmless and can not salivate. Give it to your children. Millions of people are using Dodson's Liver Tonic instead of dangerous calomel now. Your druggist will tell you that the use of Calomel is almost stopped entirely here.
