PROMINENT CITIZEN DUE WEST IS DEAD

MR. R. C. BROWNLEE'S DEATH OCCURRED 3 O'CLOCK YESTERDAY.

WAS WIDELY KNOWN

Former Resident of This City and Father of J. I. Brownlee—Funeral Today.

A telephone message to The Intelligencer from Due West yesterday afternoon stated that R. C. Brownlee, formerly a resident of Anderson and one of the wealthiest and most widely known men in this section of the state, had died at his home in Due West at 3 o'clock. Funeral services will be conducted this afternoon at 4:30 at the Associated Reformed Presbyterian church of that place and interment will be made in the adjoining cemetery.

Mr. Brownlee was at the time of his death the senior member of the firm of R. C. Brownlee & Sons of Due West, vice president of the Due West railway company, president of the board of trustees of the Women's College, one of the directors of the Bank of Due West and owner of considerable stock in cotton mills at Anderson, Williamston, Greenville and Spartanburg. In early years he lived in Greenville where he has many friends.

He was a member of the A. R. P. church of Due West and has been its treasurer for the past 25 years. He was marked by his consciousness of duty and has been one of the strongest members of that church for a number of years.

Mr. Brownlee was married in the month of September, 1880, to Miss Pannie Bonner, daughter of Dr. John A. Bonner, at one time president of the Woman's College of Due West. To this union were born four sons, J. Irwin Brownlee, cashier of the Farmers and Merchants Bank of this city; Andy W. Lawrence and Robert C. Brownlee of Due West and one daughter, Mrs. W. S. Boyd of Danvers, Col. He also leaves two brothers, Mr. S. D. Brownlee of this city and Rev. J. I. Brownlee of Madison, Ga.

Mr. Brownlee was about 60 years of age and has been in feeble health for some time. His recent illness has lasted about six weeks and his death was caused by heart disease. He is well-known in this city and county and many people will go to Due West to attend the funeral this afternoon.

Important Meeting Eke.
There will be a meeting of the Eke tonight at 8:30 for the purpose of doing special day work and for initiations. All members are urged to attend.

Harvard and Yale Ready for Their Annual Race at New London.

Yale Crew and Coach Guy Nickalls, Harvard Crew and Coach Jim Wray.

Experts say the race of Harvard and Yale at New London in their annual contest promises to bring together the best crews the two universities have put on the river together for many years.

Both are much superior to those that so nearly rowed a dead heat last year. This confidence reigns in both camps. Not in years has there been so much betting between the followers of the Dark Blue and the Crimson, and it is at even money.

Because of these facts, and for the reason that this is the first season in years that the New London course ranks higher than those at Poughkeepsie, a record crowd will journey to the quaint old New England town.

Both Harvard and Yale have remarkable stroke men in the persons of Land and Morse. The former had stroked nine winning crews in a little

over a year. Last spring he set the pace for the second crew, which won from the midshipmen, took two races at the American Henley Regatta at Philadelphia, defeated the Yale second eight, and often went to England and won three races in capturing the Grand Challenge at Henley. Also Land stroked the Crimson crew when it beat Annapolis and Cornell at Ithaca this spring.

Yale's stroke, Morse, is well put up physically, is as hard as nails and is brimming over with fight and pluck. Moreover, he has lots of life and dash, coupled with rare good judgment. However, he never has gone four miles in competition, but there seems to be no feeling of doubt among Yale men as to his ability to negotiate the whole distance without trouble.

Like Yale, Harvard has a crew

which has rowed together almost without change for the most part of the spring, a distinct benefit, of course. The eight, as it is rowing now—and this make-up is almost certain to be permanent—is as follows: Captain Murray, bow; Morgan, No. 2; Stebbins, No. 3; Harwood, No. 4; Miltendorf, No. 5; Parson, No. 6; Cabot, No. 7; Lund, stroke.

Of these, Murray, Harwood and Parson were members of last year's varsity crew. Miltendorf, Morgan and Lund rowed on Harvard's second crew, which won in England. Stebbins and Cabot rowed on last year's freshman crew, which defeated Yale. Thus it will be seen that all of the men are experienced, six of them having been through much racing.

The Cambridge men are sticking to the same style of stroke which they used last year and for a number of seasons past.
