are delightfully smooth, fragrant and refreshing. They can't bite, parch or leave any unpleasant cigazetty after-taste.

Camels are blended choice Turkish and choice Domestic tobaccos, more to your liking than either kind of tobacco smoked straight!

Compare Camels, puff by puff, with any cigarette in the world. Test your taste, then you'll understand why men everywhere prefer them. No premiums or coupons, because cost of tobaccos blended in these cigarettes prohibits their use.

CAMELS sell 20 for 10c. If your dealer can't supply you, send 10c for one package or \$1.00 for a carton of ten packages (200 cigarettes), sent postage prepaid. If after smoking one package you are not delighted with CAMELS, return the other nine packages and we will refund your dollar and postage.
