**Dudley-Acker.**  
Staunton, Va., July 3.—One of the prettiest county weddings of the early summer was that last Wednesday morning at 9:30 o'clock, at the home of Mr. and Mrs. R. H. Dudley at Mossy Creek, when their daughter, Ruth Alexander, and Maj. Henry Grady Acker, formerly of Belton, S. C., now of Staunton, were united in marriage, the Rev. J. B. Massey, the bride's pastor, performing the ceremony.

Mrs. Robert Myers, an aunt of the bride, played the wedding march, and little Frances Dudley was ring bearer, carrying the ring in on a silk pillow. The bride entered with her maid of honor, Miss Nancy Fulton of this city. The bride wore a traveling suit of Belgian blue, with accessories to match, and carried a shower bouquet of bride roses. Her only ornament was a cameo lavalier and pin, set in pearls, the gift of the groom. They were met at the altar by the groom and his best man, T.

S. Sinkler of the United States Military Academy a class mate of Maj. Acker's at the Citadel, Charleston, S. C.

Light refreshments were served and the bridal party then drove to Staunton in an automobile and boarded the 11:05 train for the North. They will take an extended trip of several months, after which they will return to the Staunton Military Academy, where Maj. Acker is assistant commandant of the school.

Mrs. Acker attended the Mary Baldwin seminary and has frequently visited in Staunton and her many friends will be glad to know that she and Maj. Acker will make their home here. Maj. Acker came here four years ago after having graduated at the Citadel, in Charleston, S. C., to become a member of the faculty of S. M. A. and he is one of the most popular teachers at the school.

Mr. and Mrs. Acker will come to Anderson about the 15th of this month.

## TAKE SALTS FOR THE KIDNEYS IF YOUR BACK HURTS

**We Should Drink Lots of Water and Eat Less Meat, Says Noted Authority on Kidney Disorders**

**Recommends a Spoonful of Jad Salts In Glass of Water Before Breakfast to Stimulate Kidneys and Eliminate the Uric Acid**

Uric acid in meat excites the kidneys, they become overworked, get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy, the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from headache, sick headache, dizziness, stomach gets sour, tongue coated, and you feel rheumatic twinges when the weather is bad.

• Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before

breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure, makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.
