## THRIFT

If thrift does not come natural to you, cultivate it. Realize the fact that every man who has a dollar put aside is a capitalist.

We earnestly urge you to open an account with this bank for any sum. Either a Checking or a Savings account, in addition to being convenient encourages you not to use your money except in a wise way.

The prosperity you enjoy today does not guarantee you prosperity tomorrow. Changes in the business and industrial world may later on deprive you of your present measure of prosperity.

We Pay Interest On Deposits.

PEOPLES BANK OF ANDERSON

## THE BANK ACCOUNT

Is the first step towards success.  
Makes you independent.  
Gives you standing in the community.  
Is an ever present help in time of need.  
Start one with us at once.  
Protects your family in emergencies.

Interest paid on deposits.

## WEAVERS ON STRIKE AT THE BROGON MILL

ABOUT 200 QUIT WORK, THEREBY CAUSING MILL TO SHUT DOWN

2,000 ARE AFFECTED

Want Three Doors Opened in Order to Have Better Ventilation—No Disorders.

Something over 300 spinners, weavers and doffers have gone on a strike at the Brogon mill, which necessitated its closing, thereby affecting about 1,000 or 2,000 hands. The reason for the strike is given that the weavers wanted three side doors opened so as to give more ventilation.

After the noon hour Thursday about 50 or 60 spinners and doffers failed to go back to their duties and engaged in a game of baseball on the grounds.

Yesterday morning at 6:30 the following notice was sent to Mr. Causey, superintendent of the mill:

"Mr. C. W. Causey, Supt.  
"We, the undersigned, have been requested by the weavers of Brogon mills to ask you to open the three (3) side doors of weave room during work hours.

"This is to be done by 9 a. m. sharp on this date.

"Respectfully yours,  
"W. J. Morgan,  
"A. B. Ferguson,  
"B. C. Griggs,  
"E. C. White,  
"S. T. Bruce"

When 9 o'clock came the doors were not opened and the spinners numbering something like 200, walked out.

Yesterday they gave as the reason for their action that they objected working under lock and key and that the doors being closed caused the room to be close and there was not enough ventilation. They stated that every other window was raised as was also every other light over head.

Mr. Causey, the superintendent, states that the matter had never been called to his attention and that he knew nothing about it until yesterday morning when the notice was handed him. Mr. Gray, boss weaver, states also that nothing had been said to him but that the weavers had said something to the second hand in the weavers shop.

A meeting of the weavers was held yesterday morning but they stated last night that there was nothing to give out for publication.

Mr. Jas. P. Gossett gives as the reason for the doors being shut the fact that it keeps out intruders and thereby protects the mill's patterns, colors, etc. Mr. Gossett refused to commit himself yesterday in regard to the strike, but stated that he would have something for publication in a few days.

In the meantime the mill is standing idle, and the employees are taking a quiet rest. Last night Mr. Causey stated that he had nothing to state but that everything was quiet and peaceful.

## ENTERTAINMENT AT PENDLETON

Benefit Performance For Church Park—Other Social Events.

The program of the entertainment to be given for the benefit of the church park has been arranged and promises to be of much interest. A series of tableaux will be given first, then a dance by ten little girls which will be followed by an interesting and amusing play, depicting certain effects of society life.

A party of young people, chaperoned by Mr. and Mrs. Tom Watkins, went on a moonlight picnic to Autun, Friday last. They had a delightful evening, the baskets of good things were enjoyed and the night was in high spirits, all enthusiasm over the good time they had.

The Tuesday club met at the home of Mrs. James T. Hunter. A good number attended, and a very pleasant afternoon was spent. Mrs. Hunter is noted for her great house-keeping qualities so the refreshments served were particularly delicious. Pretty little Miss Hess Seabrook from Edisto assisted Mrs. Hunter.

Several new books were ordered and some of the old one discussed, a general favorite being "The Lone Star Ranger," for those who like western tales, this last novel of Zane Gray's will prove very interesting.

The revival meetings now being held at the Methodist church, and conducted by Mr. Owing, the pastor of the church, and Mr. Stedman of Clemson College, are attracting large crowds, particularly at the night services, when the building is packed to overflowing.

S. M. T.

### DR. BRUNER TO PREACH

Will Fill Pulpit at First Baptist Church Sunday.

Dr. Weston Bruner, evangelistic secretary of home mission board, Atlanta, Ga., will preach at First Baptist church on next Sunday morning and evening.

### Great Loss of Corn

Mr. F. H. Clinchman of Clemson College was in the city for a few hours yesterday morning and stated that the recent heavy rains and high water ruined what would very probably have made 1,500 bushels of corn. He said that his bottom corn was looking fine and the prospects were good but the flood put an end to it.

## PLANS REMODELING THE P. & N. STATION

Contract Will Be Let Within the Next Few Days—Will Have New Attractive Front.

Mr. C. W. Crosby, of the Piedmont & Northern, has returned to Greenville after a visit to Anderson in the interest of the remodeling of the passenger station on North Main street.

Plans as drawn by Mr. G. Sayre, architect, for the building call for an expenditure of about \$5,000. This will be spent in remodeling the G. H. Bales building where the ticket office is now located.

The remodeling will consist of a new and appropriate front being installed and the waiting room and ticket office will be fixed up in general. The second story of the building will be divided into offices and will be equipped with running water and will be heated.

It is the purpose of Mr. Bales to make the building as neat and attractive as possible and when finished it will compare favorably with any of the new buildings in Anderson. The contract for the work will be awarded within the next few days.

## EXAMINATION HELD BY COUNTY BOARD

Total of 19 Young Men Took the Examination for Clemson and S. C. University.

The examinations for entrance to Clemson College and for the two four year scholarships and the one year agricultural scholarship and eleven applicants for the four year scholarships. Several of the young men were from this city and others were from different sections of the county. There was only one applicant for entrance South Carolina University.

## MR. WHALEY LEFT CITY YESTERDAY

Went to Texas—For Two and Half Years Secretary of Chamber of Commerce.

Mr. Porter A. Whaley left yesterday morning at 11:50 for Amarilla, Texas, where he has been elected to the position of secretary chamber of commerce. Mr. Whaley stated yesterday that he did not know whether he would accept the position or not.

Mr. Whaley was for two and one-half years the able secretary of the Anderson Chamber of Commerce, during which time he played an important part in the development of Anderson. The best wishes of a wide circle of friends go with him to his new home.

Mrs. Whaley and children will remain in Anderson for the next two weeks.

## ENROLLMENT IS NOW UP TO 107

Work at Summer School Progressing Nicely and Teachers Are Hard at Work.

Prof. J. B. Watkins, principal of the teacher's summer school, stated yesterday that the total enrollment had now reached 107, and that everything in the school was progressing nicely. The teachers have gotten down to work in real earnest and much benefit is being derived.

## Heavy Meat Eaters Have Slow Kidneys

Eat Less Meat if You Feel Back-ache or Have Bladder Trouble.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headache, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy, take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink, which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

## STREET PAVING IS PROGRESSING NICELY

PLACING CONCRETE BASE ON WEST MARKET STREET

MR. MERTZ HERE

General Superintendent Was in City and is Well Pleased With Progress Here.

Mr. Mertz, general superintendent, was in the city yesterday looking over the work done on the street paving and expressed himself well pleased with its progress. He only stayed a few hours and left yesterday afternoon.

The work of laying the concrete on West Market street is nearing South Main street rapidly. All of that section west of the C. & W. C. railway tracks has been finished, and the force is working about 500 feet this side.

The machinery is working well, the hands are now getting on to their jobs and the work is going right ahead. The whole of West Market street will be ready for the asphalt within the next few days and it was stated yesterday that this plant would be put into operation about Wednesday.

Mr. Osborne made three trips with his sand train yesterday, for the first time since he has been hauling. For some reason the machinery has been given a little trouble and he was unable to get full service.

By hauling three loads every day he will be able to deliver 90 cubic yards of sand daily.

## DEATHS

### F. G. SMITH DIED SUDDENLY

Body Will Be Shipped to Port Henry, N. Y., for Interment.

Mr. F. G. Smith died very suddenly at the home of Mrs. W. O. Telvin on West Orr street where he was boarding, yesterday morning at 8 o'clock. His body will be shipped today to Port Henry, N. Y., for interment.

Mr. Smith came to Anderson several months ago and since that time has been working in and around Anderson tuning pianos. He became very ill yesterday morning and died suddenly. He was 60 years old.

### CARD OF THANKS

I wish to express to my friends my sincere thanks for the kindness and services rendered during the recent illness and death of my wife. Also for the beautiful floral tributes.  
W. W. JOHNSON.

### CHEDDAR NEWS

Mr. and Mrs. Ben Bolt of White Plains visited Mr. and Mrs. Clayton Copeland Sunday and Monday. Quite a number of our young people enjoyed a picnic at the Williamson power house on last Wednesday. Although the weather was unfavorable, they report a pleasant time.

Miss Lola Copeland is attending the teachers' normal in Anderson.

Mr. and Mrs. Burris Johnson and Miss Ida Poore and brother, Fred spent Sunday in Chick Springs.

Mr. T. W. Thompson is visiting relatives in Cheddar.

Sloan, the little seven months old baby of Mr. and Mrs. Clayton Copeland, died on last Friday night after an illness of only a few days.

The funeral services were conducted by Rev. M. M. McCuen at Cedar Grove on Saturday afternoon. The parents have the sympathy of the entire community.

### COLORED TEACHERS SCHOOL

Began on Monday Morning With Enrollment of 22.

The summer normal school for colored teachers began on Monday morning in the new Greely school building on South Fant street. Prof. George W. Pegues of Benedict College, Columbia, is principal and he is assisted by Mrs. M. J. M. Earle and Mrs. C. W. Gassaway of the city colored graded schools. At present there have been 22 teachers enrolled and the principal and his assistants have already begun to create much interest in the various subjects which are being taught.

The class in domestic science is a new feature in our summer school and is likely to be one of the most interesting. Other teachers who are finishing up their work on the farm are expected to come in next week. On Tuesday morning a very instructive address was delivered to the teachers by Prof. T. L. Duckett of Benedict College.

J. F. Rhoden.

### FREIGHT TRAIN DERAILED

Delayed Passenger Train From Seneca Yesterday Morning.

The engine of freight train No. 5, bound for Anderson was derailed yesterday morning at Jordaula. This delayed the passenger train to Anderson from Seneca yesterday morning about 45 minutes.

Only the engine was derailed and the track was torn up for a short distance. The greatest inconvenience was that of the mail being delayed, it being transferred to the passenger train, which arrived in Anderson about 9 o'clock.

HOME OF YOUR OWN IS A HOME INDEED  
Mr. Clyde Mattison buys a North Anderson lot.  
FOR HOMES SEE JOHN LINLEY  
We do not believe Mr. Mattison nor any other young man could do a wiser thing than to buy a lot under our "Profit Sharing" plan.  
The plan is liberal,—it's logical, embodying the most advanced ideas,—and the property offered is desirable from every stand-point.

## SULLIVAN HARDWARE CO.

## SIDE DRESSING WILL PAY YOU

This year of all years as you fertilized lightly this spring and the heavy rains have washed away and leached out lots of what you did use. Your cotton has taken on a rapid growth, is full of water and when the weather turns off dry, as it probably will, your cotton will shed like everything unless you supply it plentifully with plant food. We have the very goods for side dressing, made especially for that purpose. It will do your cotton a world of good. For every dollar you pay out for it you will get back from \$3 to \$5. If cotton is cheap the more you make to the acre the better you are off. If cotton is high the more you make to the acre the better you are off.

There is no mistake about that.  
But get your side dressing in the ground just as soon as you possibly can. The business of this crop requireth haste.
