PROBABLE LYNCHING AT LOWNESVILLE

THOUGHT THAT NEGRO WHO KILLED BOY WAS SHOT

OCCURRED MONDAY

Posse Began Search for Negro Early Monday Morning and Later Shots Were Heard.

It is very probable that Will Lozier, the negro who it is said shot and killed Lucius Crittendon, a young man about 18 years of age who lives five miles west of Lowndesville on Sunday afternoon, was put to death by a mob Monday afternoon at 1 o'clock.

A crowd was organized Monday morning and a search began for the negro. The crime having been committed near the Savannah river it was at first thought that Lozier had escaped into Georgia.

Mr. W. A. Nixon, of the Anderson Machine & Foundry company, who is an uncle of Lucius Crittendon, returned to the city yesterday from Lowndesville and he stated that several people around Lowndesville said that they were confident that the negro was captured by the mob and that he was riddled with bullets. People from the section where the crowd had gone stated that they heard nearly a 100 shots fired in the McCallis woods. As told by Mr. Nixon the shooting was uncalculated for and that after firing the shot into the body of Mr. Crittendon, the negro turned and fired at Sam Pilgrim, another white man who was with Mr. Crittendon.

RAILWAY CROSSING WILL BE LOWERED

Mr. Porter of C. & W. C. is in City to See to This Matter—Answer Given Today.

Mr. A. H. Porter, chief engineer of the Charleston & Western Carolina railway, was in the city yesterday to confer with Mr. Sanders, city engineer, about lowering the crossing on West Market street so as to conform with the grade of the remainder of the street.

When the paving people reached these tracts the concrete was not put down for they had been advised that the street there would be lowered. Mr. Porter is in the city looking after the matter and stated that he would be in position to state something definite about the matter this morning. Mr. Sanders is anxious to have the concrete mixer placed there and have the work done before the force leaves that street.

The grading forces are now on South McDuffie street between Hampton and Franklin streets. This will be the next street paved. The concrete work on West Market street will very likely be finished by Friday night.

DEATHS

Death of Child.
Bert Vandiver Smith, the little seven months old child of Mr. and Mrs. Carl Smith of the Hopewell section, died yesterday after an illness of five days.

The funeral services will be conducted this morning at 10 o'clock at Concord church.

Florice Dooly.
Florice Magill Dooly, the little two months old daughter of Mr. and Mrs. Boyd Dooly of Tribble street, died on Monday. The body was taken to Toccoa, Ga., yesterday where the funeral services were conducted.

Death Little Boy.
William M. Hutchen, the one and one-half year old son of Mr. and Mrs. W. M. Hutchen of the Twine Mill, died on Monday. Funeral services were held yesterday at Prospect church.

In Memoriam.
On Sunday, July 4, at 11 o'clock, the death angel entered the home of Mr. and Mrs. R. S. King, and bore away their loving son to his happy home, after a weary trial of 15 years here on earth.

He bore his sufferings very patiently until the last. He said that he was ready to go. He was an obedient and loving son to his father and mother, and was loved by all who knew him. All that loving hands could do was done, but to no avail, his life's works was ended here on earth, and he was to enter into rest. "Come unto me all ye that labor and are heavy laden and I will give you rest." It seems as if these words suited him, as he labored on until the end.

He set many good examples before his neighbors which will never be forgotten. Some of these were to live for others, greet everyone with a smile. He is gone but not forgotten.

The enter family have our deepest sympathies in so great a loss. He is survived by his father and mother, and two brothers and a sister, all of Anderson.

Von Jagow Told Her United States Was Right.

Jane Addams.

Jane Addams of Chicago who went abroad earlier in the year to attend a peace conference at the Hague, has come back to the United States, after traveling through Europe, with the statement that von Jagow, German secretary of foreign affairs, told her he believed the United States was within her rights in shipping arms to the belligerents, but that Americans must realize that such shipments must create a strong anti-American feeling in Germany. There is a feeling against the United States in France too, she said, because of our failure to protest against the invasion of Belgium.

"We were treated cordially by Sir Edward Grey and Premier Asquith. We were told, however, at the foreign office that the war would have to go on to a finish, and any departure from that policy would look like a weakening," she said.

"In Vienna we met Count Stuergh, Austrian prime minister; in Budapest, Count von Burian, Austro-Hungarian foreign minister; in Switzerland, Dr. Hoffman, minister of politics, and in Italy, Baron Sonnino, minister of foreign affairs. While in Rome we had an audience with the Pope, who told us our efforts would carry more weight just then than the political influence of any nation. The Pope also said the Vatican is ready for any peace plan and would take any up, even though it spelled failure on its face.

"We met Theophile Delcasse, minister of foreign affairs, and M. Viviani, prime minister, in Paris, and in Havre we met M. Dignon, Belgian minister of foreign affairs, who said that probably Belgium, more than any other country was praying for the success of our mission."

BUILD TWO NEW ROOMS TO SCHOOL

Rooms for Industrial Art to be Located on West Market Street School Grounds.

Two rooms are to be added to the West Market street school building, the plans of which have been drawn by Causey & Fant, architects.

These two rooms are to be used for industrial arts and will very likely be called the Industrial Arts building.

Bids for the new building will be opened on next Monday and it will probably be known at that time when the work is to be started.

Change of Venue.
The preliminary trial of Pete Mastin, a Greek, charged with trespass after notice and carrying concealed weapons was postponed yesterday morning in Magistrate Geger's court. The prosecutor of the case, Mr. Duff Elrod, demanded a change of venue and the trial will be before some other magistrate in the county.

Sage Tea Puts Life and Color in Hair

Don't Stay Gray! It Darkens So Naturally That Nobody Can Tell.

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a few cent bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old, famous Sage Tea recipe are sold annually, says a well-known druggist here, because it darkens the hair so naturally that no one can tell it has been applied.

Those whose hair is turning gray, becoming faded, dry, scraggly and thin have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful—all dandruff, scalp itching and falling hair stops.

This is the age of youth. Gray haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur tonight and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

MATTER AT BROGON HAS BEEN ADJUSTED

OPERATIVES WILL GO TO WORK THIS MORNING 6 O'CLOCK

AGREEMENT REACH

Screen Doors Will be Put up Which Will Allow Ventilation and Keep Intruders Out.

The operatives at the Brogon Mill will return to their work this morning after having been on a strike for the past four days. The trouble was settled yesterday morning when a committee of operatives held a consultation with the management.

As stated before the strike was the result of the management refusing to open three doors after a written request had been sent them. The operatives contended that the doors being closed did not allow enough ventilation. The management claimed that the doors were kept closed to keep out intruders and to protect their patterns.

Yesterday morning about 11 o'clock a committee consisting of Messrs. W. J. Morgan, A. B. Ferguson, B. C. Griggs, E. C. White and S. T. Bruce, the same committee that signed the note, called on the managers of the mill and the matter was satisfactorily adjusted to both sides concerned.

The committee explained that they did not intend for the note to read as a demand but as a request and explained how the closed doors prevented sufficient ventilation. The management stated that they were willing to have screen doors put up, which would fasten from the inside. These will allow ventilation and at the same time will keep out intruders.

It is a great deal of relief to the people of the city generally to know that the matter has been settled and that the operatives will get to their posts this morning at 6 o'clock.

DEATH C. P. SULLIVAN OCCURRED YESTERDAY

Was Young Business Man of City—Death Came After Long Illness.

The death of Mr. Clarence Prevost Sullivan occurred at his home on South McDuffie street yesterday afternoon.

Funeral services will be conducted this afternoon at 5 o'clock at his late residence and interment will be made in Silver Brook cemetery.

Mr. Sullivan was the eldest son of Mrs. Lella F. Sullivan and the late H. K. Sullivan, founder of the Sullivan Hardware company. He was born on August 6, 1885, which made him not quite 30 years old. Mr. Sullivan received his early education in the Anderson schools and in 1902 entered Clemson College. When he was 18 he started in business and has been active ever since. He was a young man of good business qualities and sound judgment and his popularity knew no bounds. In 1905 he was married to Miss Edith Fort of Gaffney, who survives him.

Mr. Sullivan became ill several months ago and his life gradually ebbed away, the end coming yesterday afternoon at 1 o'clock.

Besides his wife and mother he is survived by three brothers, Messrs. Hewlett, Stark and Walter Sullivan. Rev. J. W. Speake, pastor of St. Joan's Methodist church of which Mr. Sullivan was a member, will officiate at the funeral this afternoon and the pall-bearers will be Messrs. Manly Watson, J. M. Davis, Sam Craig, Keith Prevost, James Sullivan and Robert Sullivan.

One Thing Wives Are.
Well, at this commencement we were talking of awhile back, there were several class reunions, says the Cleveland Plain Dealer. Dozens of old grads were back and they talked a lot about themselves and a lot more about others not so fortunate as to attend.

"Most of our old crowd are married and sappy," said one. "Married, anyhow," said another, with a grin that always accompanies this silly joke.

"I accept the amendment," returned the first speaker, "but chiefly on account of poor Billy Tompkins. He had an unfortunate malra I experience."

"We hadn't heard of it and begged for particulars."

"Why, the girl he married turned out to be a professional pickpocket."

"The man who had first spoken high and but his eyes twinkled."

"Well," he observed, "I guessed the rest of us drew some pretty clever amateurs—what?"

As to the Highways.
We are in favor of a highway commission if it means better roads. It seems, however, that the needs might be met by adding a department of good roads to some of the state departments already in existence, and putting a competent road man in charge. One man, who is a real road builder and not a politician, would accomplish more than a commission with accomplish.—Monterio Observer.

Better be safe than sorry—Willet P. Sloan, Insurance.

Dreaded An Operation More Than Anything

Tried Fruitola and Traxo and Has Never Since Been Troubled With Gall-stones.

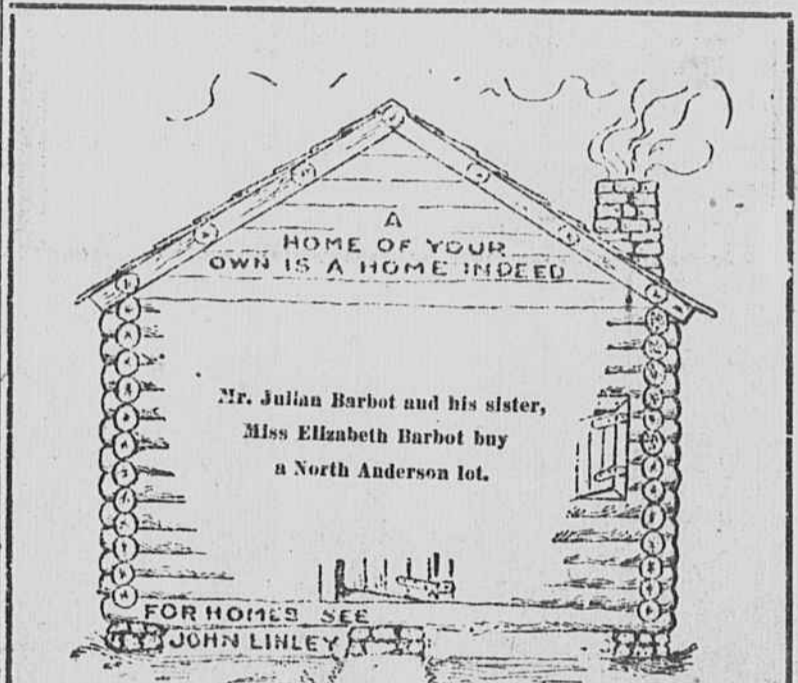

MRS. MARY E. FRANSE

Mrs. Mary E. Franse, whose address is West Point, Neb., Box 411, has written to the Pinus laboratories a very strong endorsement of Fruitola and Traxo. In her letter, Mrs. Franse says: "About ten years ago I was about to undergo an operation for gall-stones when I heard of your medicine. Dreading an operation above everything I determined to try Fruitola and Traxo and have never been sorry I did so, as I have never been troubled with gall-stones since."

Fruitola is a powerful lubricant for the intestinal organs, and one dose is usually sufficient to give ample evidence of its efficacy. It softens the congested masses, disintegrates the hardened particles that occasion so much suffering, and expels the accumulated waste to the intense relief of the patient. Following a dose of Fruitola, Traxo should be taken three or four times a day in order to rebuild and restore the system that has been weakened and run down by constant suffering. It is a splendid tonic, acting on the liver and stomach most beneficially.

In the files of the Pinus laboratories at Monticello, Ill., are many letters gratefully acknowledging the satisfactory results following the use of Fruitola and Traxo. Arrangements have been made for the distribution of these excellent remedies by leading drug stores everywhere. In Anderson Fruitola and Traxo can be obtained at Evans' Pharmacy, three stores.

HOME OF YOUR OWN IS A HOME INDEED

Mr. Julian Barbot and his sister, Miss Elizabeth Barbot buy a North Anderson lot.

FOR HOMES SEE JOHN LINLEY

These young folks are step children of Dr. C. S. Breedin and they say they are going to pay for this lot themselves,—and we believe they will do it.

Young Barbot has two or three fine cows, which he waters, grazes and milks himself. He says he knows that the profit on this milk, together with other money he makes, will pay for his lot by the time he is twenty one years old—five years from now.

LISTEN—Young Barbot's thrift should be a lesson to many a young man who is letting a good salary slip through his fingers every month.

Buy a North Anderson Lot Under Our "Profit Sharing" Plan Today.

WANTED--AT ONCE

Four solicitors or canvassers for a splendid proposition of merit that will pay you excellent wages.

Either ladies or gentlemen, can do this work; it is not difficult, and good wages can be made out of it.
