SAYS AMERICAN FARMER CAPABLE

Myron T. Herrick Addresses National Fertilizer Association at Hot Springs.

Hot Springs, Va., July 14.—Myron T. Herrick, former ambassador to France, addressing the convention of the National Fertilizer Association today, urged the establishment of independent co-operative organizations of farmers, declaring such a co-operative system to be successful must be built up by farmers themselves without outside assistance. He declared agricultural progress United States is not keeping pace with the expansion of industry and population, but that American farmers having availed themselves of education were the most capable in the world.

Mrs. B. Graves Boyd

Grandma Used Sage Tea to Darken Hair

She Mixed Sulphur With it to Restore Color, Gloss Thickness.

Common garden sage brewed into a heavy tea with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant, remove every bit of dandruff, stop scalp itching and falling hair. Just a few applications will prove a revelation if your hair is fading, gray or dry, scraggly and thin. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle at drug stores, known as "Wych's Sage and Sulphur Compound," thus avoiding a lot of fuss. While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wych's Sage and Sulphur no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.

Traveling Man's Experience.

"In the summer of 1888 I had a very severe attack of cholera morbus. Two physicians were called over me from four a. m. to 6 p. m., without giving me any relief and then told me they did not expect me to live; that I had best telegraph for my family. Instead of doing so, I gave the hotel porter fifty cents and told him to buy me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and take no substitute. I took a double dose according to directions and went to sleep after the second dose. At five o'clock the next morning I was called by my order and took a third dose. The next stopping point, a well man, but feeling rather shaky from the severity of the attack," writes H. W. Ireland, Louisville, Ky. Obtainable everywhere.

THRIFT

If thrift does not come natural to you, cultivate it. Realize the fact that every man who has a dollar put aside is a capitalist.

We earnestly urge you to open an account with this bank for any sum. Either a Checking or a Savings account, in addition to being convenient encourages you not to use your money except in a wise way.
