YOUNG MAN DROWNED YESTERDAY AFTERNOON

JOHN OWENS, AGED 16
YEARS LOST LIFE IN
ROCKY RIVER

WAS IN SWIMMING

With Two Other Young Men and
Was Seized With Cramp—
Funeral This Afternoon.

The first accidental death by drowning in or around Anderson occurred yesterday afternoon about 4:30 o'clock when Mr. John Owens, the sixteen year old son of Mr. and Mrs. Robert Owens of this city lost his life in Rocky River at the Balley Bridge, four miles east of the city.

Yesterday afternoon young Owens, Joe Shanklin and Rollin King, all boys about the same age, went out to Balley's Bridge to go in swimming. It is stated that after being in the water about an hour, Owens began to complaining about a pain in the back of his head and being advised by the other boys, stayed out of the water for some time.

A little later feeling better he returned to the water and in a few minutes he was heard calling for help. King was near him and Owens grabbed him. King succeeded in getting him into fairly shallow water but the current swept him back down the stream and he was lost.

The alarm was quickly given and a doctor from Anderson was telephoned for. In the meantime the boys and the help which had arrived began to dive and search for the body. A large chain was secured and the pond dragged several times but they had no success.

After numerous attempts to locate the body had failed, Mr. Frank Wilhite, who had reached the scene, felt it while making a dive. Afterwards it was brought to the surface by Mr. Conwell, who runs public service autos.

The body was not recovered for about an hour after it was seen for the last time and all efforts at resuscitation failed. Physicians worked for a long time in trying to restore life but the boy had been in the water too long and they could do nothing.

The body was brought to Tolly's undertaking parlors and was later taken to the home of Mr. and Mrs. Owens on River street.

No definite hour of the funeral services had been announced last night but it was stated that it would be held this afternoon at Mt. Bethel church.

This accident is greatly deplored by the people generally of the city. Mr. Owens was for a long time delivery clerk at the Western Union Telegraph office but more recently been employed with the Anderson Gas Company. He was well known in the city and had numerous friends.

The water in which the drowning occurred is said to be about 12 feet deep. It seems that the water in the river at that place is shallow in some places and deep in others. Mr. Owens was a good swimmer and the cause of his being unable to take care of himself in the deep water is attributed to the reason that he must have taken the cramp.

PALMETTO WILL NOW HAVE VAUDEVILLE

Contest Closed and Votes for Vaudeville in Large Majority—
Show for Next Week.

Anderson is to have vaudeville again and Manager Pinkston will have a show at the Palmetto next week. The contest which has been put on came to a close last night. The vote yesterday showed a majority of 253 for vaudeville for the day's vote. Thursday night there was a majority of 525, which makes a total in favor of vaudeville for the past few days amount to 784.

As stated in the beginning of the contest, Manager Pinkston left the question of vaudeville or no vaudeville at the Palmetto with the people of the city and they have decided it. Every ticket at the Palmetto or Bijou entitled the holder to one vote one way or the other.

Much interest has been shown in the contest and it seemed that many people attended the shows during the past ten days in order that they might cast their votes on this question.

Manager Pinkston stated last night that he would have a good show on at the Palmetto next week and that his usual high standard would be kept up at this house.

MAYOR HARTZOG OF GREENWOOD

Came Here to Look at Paving Work—Greenwood is Soon to Vote on Paving Bonds.

Mr. Hartzog stated that his city was soon to vote on the question of paving bonds and says that the bonds are for \$100,000. Greenwood was among the other cities included in the constitutional amendment which empowers the cities to assess abutting property owners for a share in street paving. Quit Meat If Your Kidneys Act Badly

Take Tablespoonful of Salts if Back Hurts or Bladder Bothers.

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night, when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in uric acid, to break up and wash out irritation, thus ending urinary and bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.

INTERESTING PAPERS FOUND IN OLD SAFE

DATES RANGED FROM BACK IN THE '60'S UP UNTIL 1890

WORTHLESS MONEY

To the Amount of \$700 Was Found in the Old Safe—Fourteen Pistols Also Found.

An old county safe at the county jail has been opened for the first time in about 25 years and on the interior were found many interesting papers and documents, dated from 1870 to 1890. Mr. H. M. Long, a safe expert from Atlanta, Ga., was spending a few days in the city and Sheriff Ashley decided to have the safe opened.

Besides the papers and documents about \$700 in Confederate money was found and fourteen old pistols, ranging from little shot derringers to one about 20 inches in length. Strange to say nearly all of these were loaded.

A look through the old findings brought out many interesting things. There were numerous checks there signed by Wm. McGucken, sheriff at that time. Some of these were for amounts ranging from \$1,000 to \$10, and were paid out for county bills. Each of these checks bore an internal revenue stamp of two cents each. Three old pocket books were found and one of them showed that it was made in Germany. It did not have the inscription, "Made in Germany," but some of the paper lining was of a German newspaper. The pocket book contained papers of W. L. Holt, former sheriff.

Receipts of all descriptions were stored away in the safe, some being for box rent at the Anderson postoffice and others from the News and Courier, Charleston. There were several executions, deeds, warrants, extradition papers, etc.

One bill of goods amounting to \$40, was found sealed up in a large envelope. Neatly folded inside of the bill were \$40 in Confederate money in payment.

REVIVAL AT IVA

Came to a Close on Thursday Night. 35 Names Added Churches.

The revival meeting which has been conducted at Iva for the past fifteen days came to a close on Thursday night. As a result of the meeting there were 35 accessions to the churches of the town, 21 to the Methodist churches, 11 to the Baptist churches and three to the Presbyterian.

The pastor of the Methodist churches at Iva was assisted by the Rev. J. L. Harley of Spartanburg. He presented great truths in straight plain language and his sermons attracted wide interest. Mr. John C. Brewington of Spartanburg led the choir and the splendid singing added much to the meetings. Services were conducted twice daily, 4 o'clock in the afternoon and at 8 o'clock at night. All stores closed for the afternoon services and there was a greater attendance at this meeting than of any other ever held in that town.
