LITTLE EDWIN DEAN WAS BITTEN BY DOG

TAKEN TO COLUMBIA YESTERDAY TO UNDERGO TREATMENT

WAS A PET DOG

And Nothing Was Thought of Occurrence Until Wounds Began to Swell.

Mr. and Mrs. Luther E. Dean of Starr passed through Anderson yesterday morning with their little son, Edwin, who they were taking to Columbia for treatment at the Pasteur institute.

The little boy is six years old and he was bitten on the nose and mouth. It was stated yesterday that on last Friday the little fellow was playing with his pet dog when it bit him. Nothing was thought of it at the time but later his face became swollen and the dog was watched. It was noticed that it was acting queer and Sunday it was killed and the head sent to Columbia for examination.

Later a telegram was received by Mr. Dean stating that the dog had rabies and to send the child at once. Mr. and Mrs. Dean were very much worried over the affair yesterday morning. The dog it seems was a general favorite and the little boy was constantly playing with it. He had been bitten before in play and that is the reason no attention was paid at first to the bites received Friday.

The many friends of Mr. and Mrs. Dean over Anderson county will be pained to learn of the child's misfortune and hope that nothing serious will develop.

UNCLAIMED LETTERS

Following is the list of letters remaining unclaimed for in the postoffice at Anderson, for the week ending July 21, 1915. Persons calling for these will please say that they were advertised. One cent due on all advertised matter.

- A—J. D. Acker, Mrs. Lantha Allison, Mrs. Nancy Allen.

- V—A. T. Vernon.
- W—Christine Williams, Dr. G. M. Williams, John H. Whitfield, W. Vance Watson, Miss Mary Ward.
- Y—Calvin Young.

J. A. BURGESS WILL IS SUSTAINED HERE

Judge Nicholson Has Rendered Decision in Matter—Amount Involved \$13,000.

Mr. W. P. Nicholson, judge of probate has rendered a decision sustaining the will of the late J. A. Burgess, a well known farmer of Fork township who died a few months ago. An action to set aside the will on the grounds of lack of formal execution, mental incapacity and revocation was brought against Mrs. Sara Burgess by J. D. Babb and E. E. Sheriff, as executors of the last will and testament. The property involved amounts to something like \$13,000.

Judge Nicholson's decision read as follows: "That the will is hereby declared to be the true last will and testament of the said J. A. Burgess, and that the same be and is hereby admitted to probate in the due form of law."

HAS SPLENDID WINDOW

Fant's Book Store Trying For Prize in Big Contract.

One of the neatest window displays that has been seen in the city in some time is at Fant's Book Store on West Whitner street. This store is in the national contest put on by the Curtis Publishing company, which is going to give several prizes for the best window display advertising the Ladies Home Journal.

Mr. George Fant is getting to be an expert in arranging window displays and the one this time is exceptionally good. Japanese bamboo is used very effectively.

HEAVY SHOWERS FELL YESTERDAY AFTERNOON

Rain Was Greatly in Demand and People of City Greatly Relieved.

Yesterday afternoon about 4:40 a heavy rain began falling in the city and continued for over a half an hour.

The rain was needed and the people of the city generally felt greatly relieved yesterday afternoon when it began falling. While the clouds were gathering many people could be seen on the streets looking up, trying to predict what it was going to do and hoping that it would rain. Gardens were needing the rain badly, some of them being nearly parched.

Owing to the great amount of work that is being carried on on the streets of the city, the dust has been terrible for the past several days and much complaint has been heard.

One of the things which caused the rain to be so much appreciated was because it settled this dust. The trees and plants looked greatly refreshed after the shower.

The rain also caused much relief from the intense heat of the past few days. After it fell yesterday there seemed to be a decided change in the temperature and it is hoped that it will not be so warm today.

Just how far the rain extended over the county is not known. Farmers in various sections of the county stated that old corn was needing rain bad and it is hoped that the rain was general.

GREAT OPPORTUNITY TO BUY GOOD LAND

Big Auction Sale is to Be Held Tomorrow—Land Must Be Sold At Any Price.

Speaking to Mr. E. R. Horton yesterday morning in regard to the auction Thursday at 10:30 a. m., of the Hall land he said that quite a number were interested. He says he hopes the land will bring a fair price but that the fact is it has to be sold whether it sells high or low.

The plan we would suggest is go out and look over this property and out your price on it, the price that you would be willing to give, and then bid that price. If you get it all O. K., you have a bargain. If some other fellow wants it worse let him have it. It seems to us that there is a good chance for speculators.

It certainly is a fine opportunity for any one who wants to live near the city or for a city man who needs a few acres close in.

DEATHS

Death of Child. Frances, the little five day old daughter of Mr. and Mrs. G. Robert Dodd, died at their home, 800 Fant street, yesterday morning at 1 o'clock. Interment was made yesterday afternoon in Silver Brook cemetery.

HAS RETURNED HOME

Mr. Richards Goes Back to Willow City, North Dakota.

Mr. Miles Richards, son of Mr. Edward H. Richards, who has charge of the Carolina Grain & Elevator company, left yesterday for his old home in Willow City, N. D. Mr. Richards was accompanied by Mr. Hermon Holcombe, who will go to work in the harvest field there.

Mrs. E. R. Richards and daughter will leave for their former home today. Mr. Richards will remain in Anderson for the present and the grain elevator will not be closed.

To Improve Cemetery.

The Deacons of Neal's Creek church request the members to bring their wagons to church on Friday, July 23, to haul sand to improve the cemetery.

Gray Hair Becomes Dark, Thick, Glossy

Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for Wyeth's Sage and Sulphur Compound. You will get a large bottle for about 50 cents. Everybody uses this old, famous recipe, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.

HOTEL CHIQUOLA NOW HAS LATEST FIXTURES

MAIN ENTRANCE WILL BE MOVED ON MAIN STREET TOMORROW

BEAUTIFUL PLACE

And Will Compare Favorably With Any in South—Complete Telephone Connection.

The lobby and offices of the Hotel Chiquola will be moved tomorrow morning from the entrance on West Whitner street to North Main street. Everything was about in readiness for the move yesterday but a few details will have to be attended to today. The room where the old lobby has been located will be fixed up as a store room and will be rented in the near future.

So completely has the hotel been remodeled that it might now be spoken of as the new Hotel Chiquola. A telephone system has been installed which connects every room and a P. B. exchange, the very latest thing in this line, has been put in. The new entrance has been constructed and the dining hall has been completely overhauled.

The new entrance was said to be one of the prettiest in the South yesterday by several traveling men. Stone steps lead directly from the sidewalk, over which is erected a beautiful and artistic marquee, around which will be placed many small lights.

Beautiful Ionic columns are placed inside of the entrance, which add much to its appearance. The floor is of mosaic tile with black border and the walls are finished with a 12 inch marble base and paneled wainscoting eight feet high, painted in oak. Light is received through large windows of Florentine glass and beautiful semi-indirect electric lights from the ceiling above.

The desk faces the entrance and this is complete in every detail. Behind this desk is situated the telephone exchange and complete desk fixtures. The cigar stand will be kept to the left of the main entrance.

The furniture of the lobby consists of large easy chairs and sofas of hand buffed Spanish leather and are greatly in keeping with the general color scheme. These were bought through the People's New Furniture store of this city. Several writing desks will be placed on the left side. These desks were bought through G. F. Tolly & Son, furniture dealers, and are the famous Wolverine desks made by the Cadillac people of Detroit, Mich.

A competent stenographer will stay at the hotel to do public service work.

The elevator is located on the left side of the lobby as is also the broad stairway, which leads to the second story at the same place the old one did. Beneath this stairway is another which leads to the basement, which is also something new in every detail. In this basement will be found the lavatories and toilets and a sanitary drinking fountain. The basement has a new tile floor and is very neatly finished. In this room will be located the hotel barbershop and the floor baths.

This new entrance to the hotel has twice the floor space as the old one and adds greatly to the general appearance and accommodations. It is indeed one of the prettiest places in Anderson and Mr. King can justly feel proud of it.

OFFERS BIG REWARD

For Evidence That Will Convict Guilty Parties of Arson Here.

The National Board of Fire Underwriters of New York has offered a reward of \$250 for the "detection, conviction and punishment of the party or parties, who may on trial be found by the court guilty of the crime of incendiarism or arson in firing the premises at Anderson, S. C., being the dwelling at 305 West Franklin street, on May 31, 1915."

The dwelling in question was owned by Mrs. Eva Edwards and was unoccupied at the time of the fire. Mr. E. A. Marshall planned to move in the house on the day it was fired. The amount of insurance carried was \$2,500.

New Motor Vehicle For Passenger Service.

A number of novel features are embodied in a new passenger carrying vehicle that has just been brought out and is designed to operate anywhere that fairly good roads are available. This vehicle is gasoline-driven, is a combination of motor truck and coach body, and is intended for city, suburban, or interurban service. The chassis consist of a 3 1/2-ton truck with a wheel base of 23 ft. 10 3/4 in., while the body is built much like a Pullman car. Individual chairs, mounted on special springs for absorbing shock, are provided for 27 passengers. It is claimed that this arrangement, together with the springs on which the body is mounted, provides the maximum of comfort under road conditions that are far from good. Along the sides of the car are round windows, about 24 in. in diameter, which are hinged at the top of the car in pleasant weather. The car is electrically lighted and is provided with heating and ventilating facilities, the heat being supplied by the exhaust from the engine. The car is made to be operated on the prepayment plan. Views of the car are published in the August Popular Mechanics Magazine.

DOLLAR DAY

THURSDAY

JULY 22, 1915

OUR DOLLAR DAY SALE

Will be on in the morning bright and early. Many bargains here in footwear for eager shoe shoppers.

BE ON HAND.
