Association Meets at Belton Next Year

THIS QUESTION WAS DECIDED YESTERDAY AFTERNOON

INTRODUCTORY BY DR. WHITE

Over 2,000 People in Attendance at Starr Yesterday and it was a Big Day.

With the selection of Belton as the next place of meeting and the Rev. John E. White, D. D., pastor-elect of the First Baptist church of this city to preach the opening sermon, the second day of the annual session of the Saluda Baptist association, holding forth at Cross Roads church, at Starr, was ended late yesterday afternoon. It proved to be one of the biggest and best days the association has ever known. There were between 2,500 and 3,000 people present. The addresses and the reports, which were the principal features of the day, were probably the most interesting and the most spirited that have ever been heard at an association meeting.

Visitors Acknowledged

After the devotional exercises were concluded, the meeting was called to order by Mr. J. E. Brezzone, moderator, and the following visitors were present: Dr. W. T. Derieux of the State Mission Board, Dr. John E. White of Atlanta, recently elected pastor of the First Baptist church in this city; Dr. Z. T. Cody, editor of the Baptist Courier; Dr. D. M. Ramsey, president of Greenville Female College; Dr. J. F. Love of Richmond, Va.; Messrs. Courtney and Benson and Dr. M. M. McCall of Cuba, who are in charge of a Baptist mission and Mr. I. J. Phillips of Georgia.

The Morning Session

The morning session was given over to the subjects of state, home and foreign missions and ministerial education. A number of interesting addresses were delivered. The Rev. W. E. Wilkins, superintendent of the Laymen's Missionary Movement in this state, presented the subject of Foreign Missions, as did Dr. Love, corresponding secretary of the Foreign Mission Board. Dr. John E. White spoke on the subject of Home Missions. The cause of State Missions was able presented by Dr. Derieux. Mr. McCall spoke on the subject of the condition of the Baptist Mission in Cuba.

Interesting Reports

The report on ministerial education was made by Mr. J. W. Quattlebaum. Remarks on the report were offered by Dr. Cody, the Rev. W. B. Hawkins and the Rev. Edward S. Reeves. This brought the morning session to a close, and an adjournment for dinner was taken.

Proud of Reception

The little town of Starr is doing herself proud in the entertainment of the visitors. The doors of the good citizens of the entire community have been thrown open to the visitors, and they have been accorded a most hearty welcome. Every convenience at the church, where the sessions are being held, has been provided by the faithful citizens, and the attendance at the association has not lacked for a thing.

Afternoon Session

Devotional exercises at the afternoon session of the association were conducted by the Rev. N. G. Wright. A report on the subject of "Temperance and Good Morals" which had been prepared by the Rev. H. B. Pant was read by the clerk of the association, the Rev. W. W. Leathers. This report was discussed at some length, the discussion being led off by Mr. J. K. Bredin, secretary of the Business Men's Temperance Committee. Others discussing the report were: Dr. C. E. Burts of Columbia and Dr. Cody of Greenville.

A test vote on the subject of temperance was taken among the women, resulting in an unanimous approval of the measure. A similar test was made among the men, and this resulted in an unanimous vote in favor of the measure.

The discussion on the subject of temperance was strong and interesting. Mr. Bredin interested the congregation immensely by answering a number of the objections that are offered to the measure. The remarks by Dr. Burts on the subject were particularly strong also.

Report on Education

The report on education was read by Mr. F. M. Burnett, treasurer of Anderson College. Discussion followed by President Ramsay of the Greenville Woman's College, by Mr. Bredin, representing Coker College, Prof. L. W. Courtenay for Furman Ph.D. school, and Mr. F. M. Burnett for Anderson College.

As to Elections

A resolution offered by the Rev. W. W. Leathers providing for the election of association officers at the close of the meeting instead of at the opening, as has been the custom, was defeated.

The question of the next meeting place was settled by Belton being selected, and Dr. John E. White, who will on September 1st, take up his duties as pastor of the First Baptist church, was chosen to deliver the opening sermon.

Reports as follows were read yesterday morning:

strong current toward things moral and religious. We trust that it is God's offer to us of a world revival. We believe it is his call to us to go in and possess.

We take this occasion to express our appreciation of the wise and efficient way in which our foreign mission work has been and is being conducted by our foreign mission board at Richmond, Va. This board composed of nineteen local members is carrying on work in Italy, Brazil, Mexico, Argentina, China, Japan and Africa. The missionaries report for last year 282 churches with 819 out stations, 33,554 church members, 112 Sunday schools, with 23,959 scholars, and 8,833 students in mission schools, 384 of whom are in theological seminaries and training schools preparing to preach the gospel to their own people. There are 300 missionaries on the fields, 20 of whom were sent out during the past year, and a total of 615 native workers, 5,120 baptisms were reported during the year.

The convention in Houston authorized for the year the expenditure of \$621,000 on the foreign field. Of this amount South Carolina's part is \$55,000. Because of the present financial depression, and the probability of the continuance of the European war, there is a great call upon us to meet our share apportionment.

We are glad to note that our own association lead all the rest in the state in contributions for this object and that there are but few associations in the entire Southern Baptist convention that equalled or went beyond it.

We further note that our contributions for the year just closed are \$1,177 in advance of last year.

We therefore recommend:

1. That our apportionment for the coming year be \$5,500.
2. That some practical steps be taken by individual churches to prevent the large deficits that encumber the board every year, and the consequent interest accounts, suggesting that the money be borrowed at the home banks instead of the Richmond banks.
3. That the every-member canvass be undertaken seriously and carried out in all the churches and the adoption of the scriptural method of regular giving.
4. That a committee of one be elected in each church in regular conference to place the foreign mission Journal in every Baptist home in the association.

T. L. Smith, For Committee.

This report was adopted after being discussed by Dr. W. P. Wilkins, Dr. Love, secretary of the foreign mission board, Dr. John E. White, Dr. W. T. Derieux and Dr. M. M. McCall.

Rev. E. S. Reeves was then appointed to prepare a report on home missions and Rev. R. H. Burris to prepare one on state missions. These reports will be presented today.

The report on ministerial education was read by Mr. J. W. Quattlebaum of this city as follows:

The committee on Ministerial Education reports as follows:

The purpose of the board of Ministerial Education in our work is to assist ministerial students at Furman University and at the Southern Baptist Theological Seminary in making their way through these institutions. When we remember that a large majority of Baptist preachers come from the country and generally from families of moderate means, we will readily understand that many of these are without adequate means to defray their expenses at college. It was in recognition of the necessity of helping these students, that the board of ministerial education was created. Many of the strongest and most useful pastors in our churches were aided by this board. In Furman University and Fitching school last session there were forty ministerial students aided by this board. The amount asked for by these students was \$1,825.00 for tuition and \$1,798.50 for board making a total of \$3,623.50 or about \$90 each per year, certainly a very modest sum to each student. But even this amount was not always paid.

Since November 30th, 1914, only \$250.30 was paid by the churches to this fund. We are informed by those in authority that these ministerial students do very excellent work and stand as high in their classes as a body as other students, though many of them have to preach to one or more churches to supplement the meagre aid received from the board. As to the situation at the Southern Baptist Theological Seminary, the following letter from the treasurer, B. Pressley Smith, tells the story better than we can therefore we incorporate this letter as a part of our report.

"Yours of the 7th received. As requested, I take pleasure in giving you information as regards the Student fund, as desired by you. The number of men aided of course varies, and for the past four years has ranged from 203 to 184 making an average for the four years of 193 men aided each year. We have no fixed amount of aid to offer to students but only strive to aid each one according to his individual needs, the usual limit being \$12.50 per month, and exceeding that amount only in special cases as authorized by the board of trustees.

The average annual expenditure for aid during the past four years has been close to \$15,000.00, varying of course according to the number aided. For the next session we anticipate that we shall need a considerable increase on this amount, as the present prospect is that we will have

contributions to this most worthy cause, as in so doing they contribute to the assistance of men who are worthy and need help. "Cast thy bread upon the waters, for thou shalt find it" after many days."

This report was discussed by Dr. Z. T. Cody, the Rev. W. B. Hawkins and the Rev. E. S. Reeves, and was adopted.

This Shoe Sale Will Interest You

Never since the letters B A R G A I N first spelled bargain has the shoe trade been offered such real values—such under-priced footwear as go to form the attractions of "low shoe selling" at this big shoe store.

THE REGULAR MEETING OF EPWORTH LEAGUE

Was Held on Monday Evening and Newly Elected Officers Took Charge of Affairs.

The regular weekly meeting of the St. John's Epworth League, which was recently reorganized, opened Monday evening with song and prayer. On the program were two musical numbers, a solo by Miss Turpin Crot and an instrumental selection by the Neely brothers. Mr. W. J. Brown, formerly of Spartanburg, but now a "My Town" adherent, made a splendid talk on "Religion, a Reality." The theme being the incomparableness of Christianity with other religions.

The newly elected officers took charge of affairs at the conclusion of the program. They are: E. P. Valentine, president; W. J. Brown, first vice president; Miss Gertrude Turner, second vice president; Miss Elizabeth Robertson, third vice president; Miss Louise Bigby, fourth vice president; Miss Sara Prince, Era Agent; and Albert B. Beeland, secretary-treasurer. Mr. Valentine made an "Inaugural Address" appropriate with the occasion.

Attendance has been increasing lately and every young person of Anderson and vicinity, regardless of denomination, is urged to come next Monday evening at eight-thirty.

THE MARET FAMILY REUNION
Will Be Held at Beaverdam Church, Oconee County, August 13.

The Maret family reunion will be held on Friday, the 13th day of August, at Beaverdam Baptist church, Fair Play, Oconee county.

It is desired that all who are related by blood or marriage to be present. Dinner will be served on the ground.

Diarrhoea Quickly Cured.
"About two years ago I had a severe attack of diarrhoea which lasted for over a week," writes W. C. Jones, Buford, N. D. "I became so weak that I could not stand upright. A druggist recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. The first dose relieved me and within two days I was as well as ever." Obtainable everywhere.

Contributions to this most worthy cause, as in so doing they contribute to the assistance of men who are worthy and need help. "Cast thy bread upon the waters, for thou shalt find it" after many days."

This report was discussed by Dr. Z. T. Cody, the Rev. W. B. Hawkins and the Rev. E. S. Reeves, and was adopted.

Drugs Excite Your Kidneys, Use Salts

If Your Back Hurts or Bladder Bothers, Drink Lots of Water.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salt which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking and no doubt you will wonder what became of your kidney trouble and backache.

Traveling Man's Experience.
"In the summer of 1888 I had a very severe attack of cholera morbus. Two physicians worked over me for four a. m. to 6 p. m. without giving me any relief and then told me they did not expect me to live; that I had best telegraph for my family. Instead of doing so, I gave the hotel porter fifty cents and told him to buy me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and take no substitute. I took a double dose according to directions and went to sleep after the second dose. At five o'clock the next morning I was called by my order and took a train for my next stopping point, a well man, but feeling rather shaky from the severity of the attack," writes H. W. Ireland, Louisville, Ky. Obtainable everywhere.
