

War Surgeon Dressed to Prevent Infection.

This is a British physician in the field ready for work. The Brits have learned as did the Germans long ago that extreme care must be taken to prevent infection of wounds. So careful are the surgeons that the rubber gloves are used only once.

The nurses do not touch them in handing them to the surgeons, but use a pair of tongs, sterilized. The mortality of wounded men in the Franco-Prussian war was about 75 per cent. In this on the side of the Allies it has not been one-tenth of that.

Recipes for Various Dainties

Written for The Intelligencer by Miss J. C. Garlington, in Charge of Tomato and Canning Club Work in Anderson County.

Chili Sauce.

For those wishing a sauce not too sweet, the following recipe is excellent: Scald and peel 24 ripe tomatoes, chop these up with two red peppers, two large green peppers and two large onions. Put into an enamel saucepan and add four cups of vinegar, one and half cup of brown sugar, two tablespoonfuls each of sauce, allspice, cloves, cinnamon, ground ginger and ground nutmeg. Bring to a boil, stirring frequently to prevent scorching, and boil until it begins to thicken. This should take one hour. Put the sauce in hot jars and seal.

Piccalilli.

Chop one peck of green tomatoes and eight large onions, add one cup of salt, mix well and let stand over night. In the morning drain thoroughly and add two quarts of water and one quart of vinegar. Boil twenty minutes and drain through a sieve. Put the vegetables in an enamel kettle and add two quarts of vinegar, one pound of sugar, one half pound of white mustard seed, two level tablespoonfuls of ground black pepper, ground cinnamon, one level tablespoonful ground ginger, all spice cloves and one-half teaspoonful ground cayenne pepper. Boil all together for 15 minutes, stirring often to prevent scorching. Put in jars and seal while hot.

Pickle Beets.

Select nice red beets and boil until tender, skin and cut lengthwise into strips. Place those in a glass jar and to two quarts of vinegar, add four pounds of brown sugar, and one half

teaspoonful powdered alum. Let this boil. After skinning, add one teaspoonful of cloves, allspice mustard, all unground and tied in a bag. Boil again adding a little cayenne and salt. Pour over the beets. Next day drain off the syrup, bring to a boil, pour over the beets again, and seal.

Grape Sherbet.

One half envelope Knox gelatin, one pint of grape juice, one pint of water, two lemons, one orange and one cup of sugar. Soak gelatin in cup of cold water five minutes. Boil sugar and water to a syrup and add gelatin. When partly cooled add the juice of the lemon and orange and grape juice. Freeze. This is excellent to serve with meat course.

Perfection Salad.

One envelope of Knox gelatin, one half cup of cold water, one half cup of mild vinegar, one pint of boiling water, one teaspoonful of salt, one cut of finely shredded cabbage, juice of one lemon and one half cup of sugar, two cups of celery cut in to small pieces, two large red peppers cut finely. Soak the gelatin in cold water five minutes. Add vinegar, lemon juice, boiling water, sugar and salt. Strain and when beginning to set, add remaining ingredients. Turn into a mold and chill. Serve on lettuce leaves with mayonnaise or serve in casseroles made of red or green peppers, or the mixture may be shaped in molds lined with pimenton. This is delicious served with cold sliced chicken, or veal.

HEAVY RAINS FELL HERE LAST NIGHT

Thought to Be General Over County—Lightning Rather Severe.

Last night about 10 o'clock rain began falling in the city and for over an hour fell heavily to the satisfaction of the people generally.

Clouds began gathering late yesterday afternoon and before long the entire sky was shadowed. From their appearance it is very probable that the rain was general over the county. Conductors on the last interurban car last night stated that the rain was heavy between here and Belton.

The lightning was rather severe last night and several telephones were put out of connection. At various times the lights in the city went off causing much inconvenience. Otherwise no damage had been reported.

The rain came after a drought of about 4 weeks and was badly needed. Visitors in the city yesterday stated that the crops were beginning to parch up for the want of water.

FULL SUPPLY SPOONS RECEIVED BY EXPRESS

INTEREST IN SOUVENIR SPOONS IS GROWING DAILY

THE NEW OFFER

Is Being Taken Advantage of By Many People Over County—65 Cents Sufficient.

Yesterday the souvenir spoons for Florida, North and South Carolina came in by express, and now we are prepared to supply the spoons for the following states: North and South Carolina, Georgia, Delaware, Florida and Alabama.

Notwithstanding the extreme heat the interest in these Oneida-Community souvenir spoons, which we are selling at the ridiculous price of fifteen cents each is still maintained. Almost every day, some one drops in and buys one or more spoons, saying they are tarding a set of these souvenir spoons.

The subscription offer which the Intelligencer has lately put on, in which they offer a set of six of these beautiful Souvenir spoons free with a three months subscription, provided the subscriber pays 65 cents down and agrees to pay the balance of one dollar and twenty cents at the rate of ten cents a week until the entire dollar and eighty five cents is paid; however the spoons are delivered to responsible citizens of Anderson on the payment of the first sixty five cents. This is an extremely attractive and liberal offer, and it has been taken advantage of by quite a good many new subscribers already. This offer is only good for new subscribers.

President of Electric Company on to Chicago

H. B. Thayer, President of the Electric Company, hundreds of whose employees and their families lost their lives in the Eastland wreck at Chicago, was at his home in New Canaan, Conn., when he heard of the accident. He took a train for Chicago at once. The Eastland was one of the five steamers that were to carry the employees on their annual excursion on Lake Michigan.
