FURMAN EXPECTING A STRONG FOOTBALL TEAM

Faculty and Alumni, as Well as Student Body, Interested in Team.

Greenville Aug. 16.—The outlook for a strong, winning, football team at Furman University this season is at present very favorable. The faculty and alumni are very much interested, and are doing all in their power to aid the management to put out a team of which the university may well be proud at the close of the season when the last down has been called.

The varsity men who are coming back on September 1 for early practice are Nelson, Gregory, Hahn, Wingo, Payne, Rice and Gressette. These will form a nucleus around which the team will be built. There are a number of men who were on the second team last season who will be valuable additions. Among these are Jeter, McManaway, Stover, Woods, Ballentine, Farmer, Hogan, Ted Jones, Cox, Shirley, Big Smith, Watson, Wharton, and Moore. There are a number of high school men with records who will report for practice on September 1 also.

Through the splendid co-operation of the alumni members of the athletic council in Greenville a training camp will be held from September 1 to September 14. Its location is ideal. It is in the heart of the Blue Ridge up in the mountains near Carolina. Near the camp is a deep pool of water over one's head in a clear, cold, sparkling mountain stream in which the men may take a plunge after a work-out on the field nearby. The men will sleep out in tents. The camp will be free to all who try out for the team. Between twenty five and thirty five men are going to be on the camp. They will leave Greenville in autos belonging to friends of the university on the afternoon of September 1. The athletic director, the graduate manager, the athletic council and the student manager are all in touch with the players lining them up for the camp.

The schedule is a hard one, but the men will only work the harder to win. It is as follows:

- Clemson College, September 25, Greenville, S. C.
 - Presbyterian College, October 15, Greenville, S. C.
 - Carson-Newman College, October 21, Jefferson City, Tenn.
 - Bingham Academy, October 23, Asheville, N. C.
 - Davidson College, November 6, Davidson, N. C.
 - University of South Carolina, November 17, Greenville S. C.
 - Wofford College, November 25, Greenville, S. C.
 - Open dates, October 2 to 7, Greenville, S. C.
- All communications in regard to the team or the camp should be addressed to W. D. Nixon, Mgr. Furman Football Team, Greenville S. C.

Had Rib Broken.
 Lawrence Glenn, the 12 year old son of Mr. Frank Glenn, had one of his ribs broken yesterday morning when he fell down an elevator shaft at Davis stables. He was playing in the second story and in some way fell.

Postponing Old Age.
 Overworked, weak or diseased kidneys will often make a man or woman feel old before middle age. Rheumatism, aches and pains in back, puffiness under eyes, stiff joints and sore muscles, biliousness, headache and various other symptoms give warning that the kidneys need help. Foley Kidney Pills bring a sound, healthy condition and help the kidneys eliminate uric acid and other poisons from the system, which, when permitted to remain, cause dangerous disease. Sold everywhere.

Drink More Water If Kidneys Bother
Eat Less Meat and Take Salts for Backache or Bladder Trouble.

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.
