Followed Friend's Advice

After trying Fruitola and Traxo, Mrs. L. C. Clark, 840 Melba St., Dallas, Texas, wrote to the Plume laboratories as follows:

"I have been a sufferer from gall-stones, and Fruitola and Traxo was recommended and I am glad to say I took advantage of your most wonderful medicine, with wonderful results."

Fruitola and Traxo are two remedies that are used in combination. Fruitola acts on the intestinal organs as a powerful lubricant, softening the congested waste and breaking up the hardened particles so that easy elimination follows quickly, to the great relief of the patient. Traxo is a compound of splendid tonic properties, of special value in strengthening and restoring the system that has been weakened by constant suffering.

The Plume laboratories have many letters on file testifying to the merit of Fruitola and Traxo; letters from people who have used the remedy and know how from actual experience what it has done for them. For the convenience of the public, arrangements have been made to supply Fruitola and Traxo through leading drug stores. In Anderson they can be obtained at Evans' Pharmacy, three stores.

This tract of about 125 acres is for sale. It lies about a mile from town, and can be bought in tracts from 10 acres up, and there's money in it. The price now is \$125.00 to \$175.00, according to the land—and ten years from today you couldn't buy it at TWICE this price.

Prof. C. W. Risser bought fifteen acres last week, and is going to build out there on the new road that has recently been made through this property.

Let us show it to you.

Charming Rook Party.

Mrs. J. D. Rast entertained informally on Saturday night for her sister, Miss Rachel Covington; of Florida and her cousin, Mr. Archie McNeill, of Texas. A dozen young people enjoyed the always interesting game of "Rook" for an hour or so, after which the spacious porches and the moonlight proved more interesting even than "Rook." The music of Miss Louise Henry and Miss Katherine Sullivan added to the pleasure of the evening. The hostess, assisted by her little daughter, Martha, served a sweet course.

Miss Spencer Entertains.

The beautiful Fosse Hill club in North Anderson was the scene of a charming little informal card party on Thursday evening, when Miss Grace Spencer entertained in honor of Mr. and Mrs. E. B. Murray of Macon, Ga., and Mrs. George Leitner of Augusta. These attractive visitors have received many delightful social attentions, Miss Spencer's being one of the prettiest.

After enjoying the cards for some little time, the charming hostess served an elegant buffet supper. Her guests were Mr. and Mrs. J. H. Godfrey, Mr. and Mrs. J. B. DeCamp, Mr. and Mrs. C. A. Gambrill, Mr. and Mrs. H. H. Harris, Mr. and Mrs. J. E. Sadler, Mr. and Mrs. R. E. Ligon, Miss Linda Thompson, Miss Stevenson, Messrs. B. B. Gossett, Eugene Watson, Keese Gilmer, C. G. Garrett, Willie Marshall, and Prof. B. M. Parks.

Beautiful Card Party Yesterday.

One of the most delightful social events of the week was the card party given by Mrs. Harleston Barton on Friday evening at her pretty home on River street.

There were eight tables of auction bridge and this charming young hostess planned for and entertained her guests in a most gracious manner. After a merry series of games Mrs. Barton assisted by her mother, Mrs. L. A. Harper of Elberton and Mrs. Keith Prevost and Mrs. Q. Frank Johnson served dainty refreshments. The guests for the afternoon were: Mesdames T. L. Cely, W. W. Morrison, Horace McGee, T. E. Howard, D. A. Ledbetter, Frank Hall, Frank Reed, C. F. Ross, J. D. Rast, W. E. Atkinson, Carrie Patrick, Frank Todd, Willett Sloan, John Fast, T. S. Crayton, W. S. Brock, Ed Atkinson, A. S. Farmer, F. A. Carter, H. H. Harris, J. E. Sadler, A. G. Fretwell, S. R. Parker, John Frank, Misses Vina Patrick, Louise Gilmer, Jessie Brown, Linda Thompson, Janie Hamlin and Belle Norris.

Dr. and Mrs. Mitchell Entertain.

Dr. and Mrs. J. C. Mitchell yesterday afforded a number of their young friends a delightful afternoon in honor of the doctor's sister, Miss Dosabelle G. Mitchell of Cincinnati who has been spending her vacation here and who leaves for her home on Saturday.

The affair was a birthday celebration and Miss Mitchell was the recipient of many beautiful gifts, all of which will keep fresh in her mind the memory of the first summer she has spent in the southland. The guests spent the afternoon playing games and having a good time generally. Refreshments were served in a novel manner, the guests being seated at small tables, decorated with golden rods, on the front porch. There were four persons at each table and there was much delightful chatting over the ice cream and cake.

Probably the most interesting feature of the party was the cutting of the "Fortune Cake" in which were concealed a ring, a dime and a thimble. Miss Mitchell cut the first slice and each person present cut his own slice, each one hoping for the ring, as getting the ring signified that that person was to be married first. The dime signified a wealthy marriage and the thimble a life filled with work.

Miss Elizabeth Breazeale was the fortunate one to secure the ring, which, strange to say, fit her perfectly. Miss Alice Belle Burriss cut the slice containing the dime and Mr. Leroy Burriss the slice which concealed the thimble. Mr. Burriss however intimated that he had known all along that he would have to work and so he felt that the fates had told him nothing new.

Those who took part in the afternoon's fun are: Miss Mirium Seawright of Cornell, Ga.; Miss Maggie Cann of Richland, Ga.; Miss Eralda Hembree, Miss Alice Belle Burriss, Miss Kathleen Burriss, Miss Elizabeth Breazeale, Miss Iris Hembree and Miss Irene Burriss, Mr. D. K. N. Welborn, Mr. Loring Hembree, Mr. Leroy Burriss, Mr. Oscar Stevenson, Mr. Charles Stevenson, Mr. and Mrs. S. N. Smith, Mr. and Mrs. N. R. Green, Mrs. S. B. Elrod and Mrs. Z. C. Simpson, completed the merry group.

McCORMICK VERTICAL LIFT MOWER

The McCormick vertical lift mower has all the good features of the regular McCormick mowers, and, in addition, it is so made that the cutter bar can be raised to a vertical position and lowered without stopping the team. This makes the McCormick vertical lift mower one that is meeting great demand for cutting on rough and stumpy ground. It permits the driver to cut close to the tree, stump, or rock; and save all the hay without loss of time or inconvenience. The cutter bar also can be raised high enough to pass over stones and stumps by means of a very convenient foot lift.
