Cost of tobaccos blended in Camel Cigarettes prohibits premiums!

Quality is apparent in every puff of Camels—a blend of choice Turkish and choice Domestic tobaccos. You'll prefer them to either kind of tobacco smoked straight.

The blend is delightful, creating a cigarette that's smooth, fragrant and satisfying and without a suggestion of tongue-bite, throat-parch or any unpleasant cigarette after-taste!

Compare Camels with any cigarette in the world. They'll stand the test!

CAMELS sell 20 for 10c. If your dealer can't supply you, send 10c. (2c one package or 21-22 for a carton of ten packages (200 cigarettes), and post-paid shipping. W. R. OSBORNE WILL OPEN UP AN OFFICE

MADE ANNOUNCEMENT YESTERDAY REGARDING FUTURE PLANS

UNTIL SEPT. 1ST

Osborne and Pearson Will Occupy the Former Fleishman Bros. Stand—Want to Sell Out.

Owing to the fact that Osborne and Pearson still have some goods in stock. It was announced yesterday morning that they would remain in business for a while longer and would occupy the Wilhite store room occupied formerly by Fleishman Bros. Mr. Osborne stated last night that they were positively going out of business but would try within the next few days to make a clean sweep sale of the goods left over.

"For the past 12 months we have been trying to sell out our stock of goods," announced Mr. W. R. Osborne last night. "One year ago we announced that we would sell out with the object of retiring from business and we are a little disappointed because we did not make a clean sweep of the goods. Having some stock left over and in order to completely get rid of the goods, we will occupy the store room that Fleishman Bros. are moving out of and will be there for the next 30 days. In that time we hope to sell out the entire stock."

"As to myself, I will state that I have made my arrangements for launching into the real estate field and insurance business. I have already engaged as my office a room over Evans Pharmacy No. 2 and have arranged to open up October 1." People all over Anderson county will be interested in Mr. Osborne's announcement in regard to his future plans. He has been in Anderson, connected with some business around the public square for the past 35 years, eight years as a clerk and for the past 27 years has been connected with the present firm. It was first known as the Sylvester-Bleckley company, then as the Browne-Osborne company and finally as Osborne and Pearson. Mr. Pearson has also been connected with the firm for 27 years.

Picnic Saturday, Sept. 4. Fant's Grove Sunday school will have a picnic in "Woodburn" pasture about one and a half miles west of Pendleton. Some excellent speakers will be present. The picnic will begin about 9:30 o'clock. Let every body come and bring a full basket.

Coal From the Arctic.

(From the Chicago Journal) A few years ago the idea of getting coal from Spitzbergen, one of the most desolate islands of the arctic ocean, was a topic for romancers. Now it is a fact of considerable moment in many of the world's markets. A single company, mined nearly 40,000 tons of coal from Spitzbergen last year.

The deposit of fuel in the Far North is said to be a single seam about four feet thick stretching along the coast for 30 miles. The surrounding rock is so solid that timbering is not needed. The temperature is always below the freezing point in the present workings which does away with the need of pumps. In fact the only real difficulty is that of getting men—and motion pictures have gone far to solve that problem.

Yet for every ton of coal a Spitzbergen there are 10 in Alaska of at least equal quality, closer to a hungry market. The Arctic zone won't make a real dent in the fuel market till our big Northwest territory gets in action.

Live and Learn. With a sleepy yawn the guest, who had arrived at the hotel on the previous night, limped into the dining room for his breakfast. He did his best with the bacon and potatoes, says "Tit-Bits," but gave up at last and went to sleep on a sofa in the corner of the room. When he awoke he found the hotel proprietor standing near, looking at him curiously.

"Didn't you get enough sleep last night?" "Didn't I get enough sleep?" repeated the other sitting up suddenly as though galvanized into life. "Tell me one thing: what on earth do you stuff your mattresses with in this place?"

"Stuffed 'em with? Why, the very best straw it is possible to get in the whole of this country."

"Ah, now I understand."

"Understand what?"

"Why, where that straw came from that broke the camel's back."

THE NEW HEAD NURSE TAKES CHARGE TODAY

MISS CATHRYN CALDWELL WILL TAKE MISS KUNZ'S PLACE

IS RECOMMENDED

Has Had Charge of Philadelphia Hospital and Just Finished Post Graduate Course.

Miss Cathryn Caldwell of Richmond, Va., will arrive today to succeed Miss Kunz, resigned, as head nurse at the Anderson county hospital. The former head nurse tendered her resignation some time ago and has been in San Francisco attending the exposition. She is now in Chicago visiting her brother but will in a few days go to New Jersey to visit her sister.

Miss Caldwell comes to Anderson very highly recommended. For the past 14 months she has been at St. Elizabeth's hospital, Richmond, Va., taking a post graduate course. Before that time she was in charge of hospitals in Philadelphia where she gave perfect satisfaction. She is a native of Virginia and has been a trained nurse for several years. St. Elizabeth's hospital in Richmond, where Miss Caldwell has been taking a post graduate course, is under the supervision of the celebrated surgeon, Dr. Horsey, and she has had some of the best training.

REAPING BENEFIT

From the Experience of Anderson People. We are fortunate indeed to be able to profit by the experience of our neighbors. The public utterances of Anderson residents on the following subject will interest and benefit many of our readers. Read this statement. No better proof can be had.

T. H. Hall, 52 P. St., Anderson, says: "When I was fourteen years old I hurt my back and after that I had attacks of kidney trouble. Two years ago I could hardly walk and every step I took sent a sharp pain from the small of my back all through by body. The kidney secretions passed too often and I had an extreme thirst. I suffered from dizzy spells and almost toppled over. The first few doses of Doan's Kidney Pills relieved me and one box fixed me up in fine shape." Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Hall had. Foster-Milburn Co., Props., Buffalo, N. Y.
