SULPHUR DRIES UP ECZEMA AND STOPS ITCHING

This old time skin healer is
used just like any
cold cream.

Sulphur, says a renowned dermatol-
ogist, just common hold-sulphur made
into a thick cream will soothe and heal
the skin when irritated and broken out
with Eczema or any form of eruption.
The moment it is applied all itching
ceases and after two or three applica-
tions the Eczema disappears, leaving the
skin clear and smooth.

He tells Eczema sufferers to get from
any good pharmacy an ounce of hold-
sulphur and apply it to the irritated
parts the same as you would any cold
cream.

For many years common hold-sulphur
has occupied a secure position in the
practice of dermatology and cutaneous
affections for reason of its parasite-
destroying property. It is not only para-
siticidal, but also antipruritic, anti-
septic and remarkably healing in all
irritate and inflammatory conditions of
the skin. While not always effecting a
permanent cure it never fails to in-
stantly subdue the angry itching and
irritation and heal the Eczema right
up and it is often years later before
any eruption again appears on the skin.

WAS GREAT REVIVAL

Has Just Closed Near Robert's Church
Much Good Accomplished.

We have been among the fortunate
in our three weeks, having had in our
midst the Rev. S. W. Danner and his
brother, Rev. Harvey Danner of Pel-
zer, who together presented to the
old, young, the family, and the
children in special services. The
truth as it is, so utterly devoid of that
subservience to public opinion, as to
call a halt in many instances, where
progress would have meant utter
ruin.

This interest was not confined to
the sect to which the preachers be-
longed, for the homes and hearts of
Presbyterians, Baptists and all others
were opened wide to the ser-
vants of the Lord, and many there
are who joined with Methodists in
giving thanks for a season of blessed
results.

Not only was Robert's neighborhood
the recipient, but the city of Ander-
son contributed its quota to the team-
ing crowds, that from day to day fill
the space in hearing the "Word."

At a time called by the "Word,"
for the amenities of polite existence,
especially among the self-constituted
moulders of public opinion, it is re-
freshing to get beyond idiotic din,
and rest in the vale of pristine quiet-
ude, seeing ourselves as others see
us, and trying to live in accord with
the teaching of the meek and lowly
One, who freely gave his life on the
cross, for the salvation of the seek-
ers after the truth, at the hands, and
aid the howls of the infamous lead-
ers of a terror stricken and deluded
people.

Again we wish to express our grati-
fication as recipients of a beneficial
period of perfect enjoyment, in hear-
ing from the lips of those two de-
vout men, truths indicated in that
"Old Time Religion," which is good
enough for us.

TAKE SALTS FOR THE KIDNEYS IF YOUR BACK HURTS

We Should Drink Lots of Water and Eat Less Meat, Says
Noted Authority on Kidney Disorders

Recommends a Spoonful of Jad Salts In Glass of Water Before
Breakfast to Stimulate Kidneys and Eliminate
the Uric Acid

Uric acid in meat excites the kidneys, they
become overworked, get sluggish, ache, and feel
like lumps of lead. The urine becomes cloudy,
the bladder is irritated, and you may be obliged
to seek relief two or three times during the night.
When the kidneys clog you must help them flush
off the body's urinous waste or you'll be a real
sick person shortly. At first you feel a dull
misery in the kidney region, you suffer from
backache, sick headache, dizziness, stomach gets
sour, tongue coated and you feel rheumatic
twinges when the weather is bad.
Eat less meat, drink lots of water; also get
from any pharmacist four ounces of Jad Salts;
take a tablespoonful in a glass of water before

breakfast for a few days and your kidneys will
then act fine. This famous salts is made from
the acid of grapes and lemon juice, combined
with lithia, and has been used for generations
to clean clogged kidneys and stimulate them
to normal activity, also to neutralize the acids
in urine, so it no longer is a source of irritation,
thus ending bladder weakness.
Jad Salts is inexpensive, cannot injure, makes
a delightful effervescent lithia-water drink which
everyone should take now and then to keep the
kidneys clean and active. Druggists here say
they sell lots of Jad Salts to folks who believe in
overcoming kidney trouble while it is only
trouble.
