DR. HOWARD L. JONES DIES IN FLORENCE

END CAME YESTERDAY MORNING AT 7 O'CLOCK

FUNERAL AT NOON

One of Most Widely Known Baptist Ministers in South—Personal Friend of Dr. White.

The Rev. Howard Lee Jones, D. D., president of Coker College at Hartsville, died in the infirmary in Florence yesterday morning at 7 o'clock. Funeral services will be held today at noon in Hartsville.

Dr. Jones had not been in good health for the past several weeks and some time ago he went to the mountains of North Carolina for a rest. About two weeks ago he returned to Hartsville thinking himself improved but later found it necessary to go to an infirmary in Florence. He grew worse about last Friday and after an operation continued to decline.

Dr. Howard Lee Jones was one of the foremost Baptist ministers of the south. He was a brilliant member of one of the south's most prominent families, being one of four sons of the late Rev. J. William Jones, who entered the ministry and became widely known as an eloquent and profound preacher and who also was chaplain general of the Confederate armies attached to the staff of Gen. Robert E. Lee. He was born in Richmond, Va., about 45 years ago, where he spent his early boyhood. Later he entered Wake Forest college and during his four years he was one of the most popular young men on the campus. Soon afterwards he decided to become a minister and entered a Baptist theological seminary.

Soon after entering the ministry he began to advance and served churches in New York City, Brooklyn, Chattanooga, Tenn., and for several years he was pastor of the Citadel Square Baptist church in Charleston. He resigned as pastor of this church about two years ago to serve Coker college as its president.

Dr. Jones was well known in Anderson and was a personal friend of Dr. John E. White, the two being classmates at Wake Forest college. Dr. White left the city yesterday afternoon to go to Hartsville where he will conduct the funeral exercises at noon today. Dr. Jones had preached at the First Baptist church of this city a number of times and he was always greeted by large audiences.

His death is a distinct loss to South Carolina and to southern Baptists. He was about as well known in North Carolina and Virginia as he was in South Carolina and he has friends and admirers all over the southern states who will mourn his death.

Dr. Jones is survived by his wife and two sons and four brothers: Dr. M. Ashby Jones, of Augusta; Dr. E. Pendleton Jones, of Edgefield; Dr. Carter Helm Jones, of Seattle, Washington, and a fourth brother who is a business man in this state.

DEATHS

Death of a Little Boy. William, the two-year old son of Mr. and Mrs. D. W. Rogers, died at their home, 57 Riverside, at 3 o'clock yesterday morning. The funeral will be held today and interment at Sandy Springs.

ANOTHER TEACHER FOR CITY SCHOOLS

WAS ELECTED YESTERDAY AFTERNOON BY BOARD TRUSTEES

3RD AND 4TH GRADE

Have so Many Pupils That it is Necessary to Put Some of Pupils in Kennedy St.

At a regular meeting of the board of trustees of the city schools in the office of Superintendent McCants yesterday afternoon at 5 o'clock, Miss Leona Holland of Greenville, was elected to teach the third grade at Glenn street school.

In addition to electing another teacher, the trustees erected a committee to prepare desks for the overflow of children this session. It was also decided to move some of the pupils in the third and fourth grades to Kennedy street. This is the only school building which has any vacant rooms and there being two there, third and fourth grades will be established.

Miss Holland is expected in the city in the next few days and will probably take up her work Monday. The overflow of pupils made it necessary to elect another teacher and later on, if the attendance increases, it may be necessary to elect additional teachers yet.

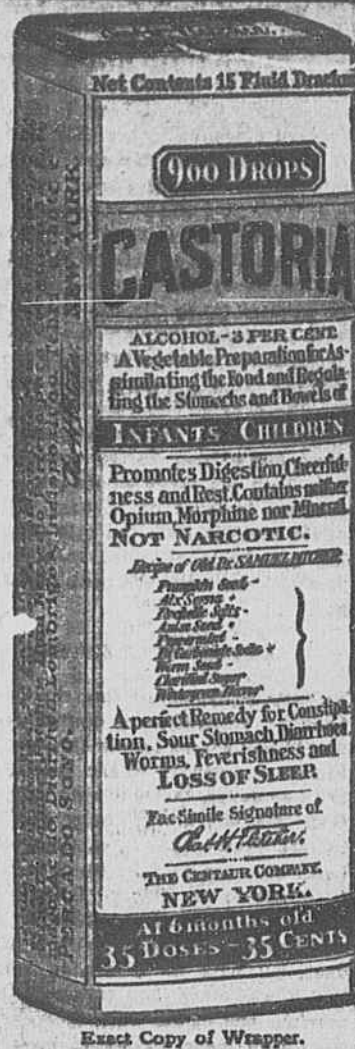

Drugs Excite Your Kidneys, Use Salts

If Your Back Hurts or Bladder Bothers, Drink Lots of Water.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 600 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine as it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what
