RECEPTION GIVEN AT ANDERSON COLLEGE

YOUNG WOMEN'S ASSOCIATION WELCOMES NEW STUDENTS

WILL BEGIN WORK

The Regular Scholastic Duties Will Begin on Tuesday Morning.

A reception to the new students was given last evening by the Young Women's association at Anderson college and the affair proved most enjoyable to all. The reception was held in the parlors of the dormitory and during the evening several speeches of welcome on behalf of the association were made.

The officers of the Young Women's association this year are Miss Louise Henry, president; Miss Nelle Darcott, secretary, and Miss Blanche Dalrymple, treasurer.

Today the faculty and student body will attend services at the First Baptist church. The congregation will be glad to welcome them in their midst again.

Dr. Kimard stated last night that the regular college work of the session would begin on Tuesday. All of the preliminary matters have been attended to and the students are now ready to get down to work.

Tuesday evening the Ladies College association will give a reception at the college to the students to which the public is cordially invited.

SCHOOL MONEY WILL MEAN GREAT SAVING

SUPT. J. B. FELTON HAS RETURNED FROM COLUMBIA

HELD CONFERENCE

With State Supt. Swearingen About the Matter--Heretofore Trustees Borrowed Money.

By borrowing the \$40,000 from the Farmers and Merchants bank the other day, Anderson county is to a certain extent installing a new system in getting money to run the schools of the county until taxes are collected. Not only is a new system being installed but it can also be said that the county is saving a great deal of money for the school which will have to borrow money.

"Heretofore, it has been the custom for the trustees of the school's which need money to go to some bank and borrow it at eight per cent interest," stated Supt. J. B. Felton yesterday. "As it is now, proper vouchers will have to be signed and the money will go through the same channels as regular school funds. I have just returned from Columbia where I went to confer with State Superintendent Swearingen and Comptroller Jones about the matter and they were very much pleased.

Since this was something new for the county, I thought I would ask them about the best way to use the money. It means a great saving for the different schools and everyone ought to be proud of the fact that the money was borrowed at such a low rate of interest."

There were beautiful floral tributes. The interment was in Silver Brook Cemetery. Mrs. W. J. Muldrow sang sweetly, "Face to Face," the following being the pall-bearers: Dr. H. R. Wells, James Keith, Wm. Archer, T. M. Harcher, A. G. Epling, George Brownlee.

INSURANCE AGENTS WILL ORGANIZE HERE

FIRST MEETING WILL BE HELD ON SATURDAY NIGHT

NOW HAVE 36 MEN

In Anderson and Organization To Be a Success--Officers to Be Elected.

The life insurance agents of Anderson are formulating plans for a local organization which will be affiliated with or a branch of the National association of life underwriters, and a meeting of these men will be held on next Saturday night, September 25, at which time plans will be affected for the organization.

The first meeting will be in the form of a supper at the Hotel Chiquita given to the agents by the general agents and district managers. After the supper and the discussion the permanent organization will be perfected.

"The organization will have a two-fold purpose," stated Mr. J. Walter Dickson, a prominent insurance man of the city yesterday. "The first will be to create a mutual fellowship and understanding among the agents, of which there are about 36 in Anderson, and to enable us to cooperate so that all of us will receive benefit by it. The second purpose will be that we may meet together to discuss ideas leading to improved service to the insured public. We think that the agents of the city would be greatly benefitted by such an organization and indirectly the insured public would receive benefit."

It is not yet decided how often meetings of the organization will be held but very probably it will be once every month. From time to time various speakers will be invited to address the men. These speakers to include prominent business men, bankers, etc.

An organization of the insurance agents in Columbia has been working very successfully for some time past and it is hoped that the one in this city will be perfected.
