SALE SOUVENIR SPOONS WILL BE DISCONTINUED ON 25 INST

Now Have Spoons of 12 Different States and Those Wishing to Buy Better Do So at Once.

Having decided to discontinue the sale of the Oneida Community State souvenir spoons after the 25th instant, The Intelligencer wishes to announce it now so that those who desire may avail themselves of this wonderful opportunity of securing these beautiful spoons at the ridiculous price of fifteen cents each before that time. We have spoons of twelve southern states, including Louisiana and Mississippi which were the last ones to arrive. This makes a set of twelve or two sets of six each; or a person may obtain six each of any one state if they prefer. These spoons are guaranteed by the manufacturers for an indefinite time; and they are of such a high grade quality that if they were bought from a jeweler in the regular way they would probably sell for fifty to seventy five cents each. While they last they may be had here for the price of fifteen cents each, when accompanied by a coupon; or by mail twenty cents each.

## BAR ASSOCIATION HAS ARRANGED THE ROSTER

OF CASES TO BE TRIED IN COMMON PLEAS COURT

### ADMITTED TO BAR

Mr. Rufus Fant, Jr., is Now Member—Committee Appointed to Arrange Entertainment.

A meeting of the local bar association was held yesterday afternoon at 4 o'clock in the court room for the purpose of arranging the roster of cases for the approaching term of common pleas court which convenes on October 4th, with Judge Ernest Moore of Lancaster presiding.

The members of the bar found that there were only cases enough to consume the court's attention until sometime during Thursday of the first week, provided they were finished in the time it was thought would be necessary. Thursday afternoon equity cases and appeals will be taken up and these will occupy the court as long as is necessary.

A committee consisting of Mr. K. P. Smith, Gen. M. L. Bonham and Mr. Paul Dickson was appointed to arrange an entertainment for Judge Moore during his stay in Anderson. The name of Mr. Rufus Fant, Jr., who passed the state bar association in the spring and who has located in Anderson, was brought before the meeting and he was unanimously elected a member of the Anderson Bar association.

In welcoming the new students at the chapel exercises President Riggs suggested as the key note for the session work and efficiency. The work of the session has started well. Two young men joined the church at the very first service after college opened.

At the opening exercises of the Y. M. C. A. there was a large attendance both of the students and the people of the campus. The opening address was by Dr. D. W. ## DR. MOFFETT WILL TRAVEL FOR ERSKINE

DUTIES OF PRESIDENT TO FALL UPON PROF. E. B. KENNEDY

### ANNOUNCED PLANS

Dr. Moffett Told Student Body of His Plans Monday Morning—Will Still Be President.

There was a report in Anderson yesterday morning to the effect that Dr. Moffett had resigned as president of Erskine college at Due West and would no longer be connected with the college. This report, however, was only half true. Dr. Moffett has not resigned as president but in the future will be in the field, traveling in the interest of the college.

The Intelligencer called Dr. Moffett over telephone yesterday afternoon and learned that on Monday morning at the opening exercises of the college, he announced that in the future he would travel for the college to raise funds and to canvass for new students. He also announced that in his absence Prof. E. B. Kennedy of the college would be vice president and would look after the entire work of the president. He will in a way take the place of Dr. Moffett, but the latter will still be president and will spend much of his time in Due West. The people of Anderson will be glad to know that Dr. Moffett has not resigned and that he is still with Erskine college. Dr. Moffett is a frequent visitor in this city and has preached here numerous times. It is not known why he has seen fit to take the field in the interest of the college but his many friends here feel that he knows he is doing the right thing and that by his traveling he will add much to Erskine's prestige.

## COLLEGE RECEPTION WAS GREAT SUCCESS

GIVEN FACULTY AND STUDENT BODY BY COLLEGE ASSOCIATION

### ABOUT 350 GUESTS

Called During the Evening and All Were Delighted With Affair—Two Receiving Lines.

The reception at Anderson college given by the ladies of the College association last evening in honor of the members of the faculty and the students was a grand success and was better attended than any previous affair of that kind in the history of the institution. Guests began calling promptly at 8:30 and during the evening about 350 people met the students and the members of the college faculty.

The parlors and corridors of the administration building were brilliantly lighted and beautifully decorated with palms, ferns and pink cochet roses. The lights and decorations alone made a beautiful scene but added to this the beautiful young ladies, charmingly gowned, overflowing with joy and youth, which caused everyone to want to hurry inside as soon as the entrance was reached.

The guests were met at the doors leading to the corridors of the building by Mesdames B. A. Henry and H. H. Watkins. Mesdames Rufus Fant and O. L. Martin then took charge of them and introduced them to these in the receiving line.

There were two receiving lines, the first composed of president of the College association, Mrs. Charles S. Sullivan, who carried a large bouquet of pink crochet roses and the following members of the faculty: Dr. and Mrs. James P. Kinard, the latter carrying bouquet of white American beauties; Mr. F. M. Burnett, Miss Helen Smith, Miss Sara Stranathan, Dr. Olga Pruitt, Miss Mary Abbot, Miss Florence Maddocks, Miss Helen Hunter and Mr. and Mrs. Frederick Goode, Mrs. E. B. Johnson, Miss Alice Buxton, Miss Mary C. Demarost, Miss Lois Cody, Miss Marjorie Geary, Miss DeVane, Mr. Webb von Hasseln, Miss Kathaleen Lee, Misses Lee and Clinkscates. The second line included the following members of the senior class: Misses Nelle Gentry, Marguerite and Louise Henry, Zulene Masters, Nellie Martin, Maggie Shirley, Lou Nellie McGee, Charly Wedborn, Katherine Sullivan, Eula Mae Turbillville, Helen Burris, Ethel Norris, Izetta Pruitt and Ruth Anderson.

The receiving lines formed a semi-circle around the parlors and after leaving these the guests were ushered back into the corridors of the building by Mrs. Frank Bolt and Mr. Thomas Bolt, where nectar and wifles were served. Presiding at the first punch bowl were Mesdames Harleston Barton and Levis Sanders; at another, Misses Jean Harris and Nelle Barton and at the last Mesdames H. B. Fitzgerald and Muldrow.

In addition to those above mentioned there was a bevy of beautiful young ladies who assisted in entertaining the guests and introducing them to those they had not met. These young ladies also helped in serving the refreshments and saw that everyone was made to feel at home.

During the evening music was furnished by Mrs. C. B. Earle, Miss Zenobia Welch, Mrs. Steele, Mrs. M. McClure, Miss Zoe Broyles and Misses Helen and Kathaleen Burris. Nothing but the sound of the gong broke up the enjoyable affair and everyone left feeling that the reception had been one of the best attended and most successful affairs ever given at Anderson college.

A telegram to Mrs. Willett P. Sloan yesterday morning brought the sad news of the death of her brother, Leonard Hill, somewhere in California, which was caused by electrocution. The body has been shipped to the home of his parents in Highlands, N. C., and the funeral will be held later.

Mr. Hill attended the Anderson high school about nine years ago and is well remembered here. Later he went to Valparaiso University where he graduated as an electrical engineer. ### ATLANTA MAN HAS DISAPPEARED

C. W. Martin, Successful Business Man Called Away By Mysterious Phone Message.

Atlanta, Sept. 21.—Police and private detectives are baffled by the mysterious disappearance of C. W. Martin, a well known Atlanta business man, who walked out of his office in response to a mysterious telephone call, and has not been seen since.

Mr. Martin was successful in business and happy in his home life. He had no enemies, so far as is known, and no bad habits. Consequently the police are working absolutely without any clues.

Isn't it queer that a man never shows his temper until after he loses it?
