#### Salts if Kidneys Or Bladder Bother

Harmless to Flush Kidneys and Neutralize Irritating Acids.

Kidney and Bladder weakness reilt-from uric acid, says a noted authority. The Kidneys filter this acid from the blood and pass it on to the blad for, where it often remains to irritate and inflame, causing a burning scalding rensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in avoiding

Bladder weakness, most folks call it, because they can't control urina-tion. While it is extremely annoying and sometimes very painful, this is really one of the most simple allments to overcome. Cet about four ounces of Jad Salts from your pharmacist and take a triblespoonful in a glass of water before breakfast, con-tinue this for two or three days. This vill neutralize the acids in the urine so it no longer is a source of irrita-

tion to the bladder and urinary or-gans which then act normally again. thousands of folk who are subject to urinary disor ders caused by uric acid irritation disor-Jad Salts is splendid for kidneys and auses no bad effects whatever.

Here you have a pleasant, efferve-scent lithia-water drink, which quick-ly relieves bladder trouble.

# China Aroused By Talk of Changing Form of Government

Peking, Aug. 20.—(Associated ters:—Yang Tu, San Ta-yun, Yen Press Correspondence.)—The Associated Press Correspondence.)—The The extent to which Yuan Shi-kai Associated Press cable dispatches of stood back of or was interested in bearing on the matter.

The manifesto published on August ernment ought to take any steps to interfere with the movement.

"The president whether the government ought to take any steps to interfere with the movement.

"The president replied: 'Within rechy, and signed by Yang Tu. head of peror. In some high quarters, both Chinese and foreign, it is believed

ance of the above mentioned manifes-to there had been a quiet campaign conducted in Peking and other cities for the establishment of a monarchy.

sideration to the future political af-fairs of the country. They hastily adopted the republican form of govcrnment without weigning carefully its sultability for this country. When a proposal to the effect was made by a few people, others followed blindly without further questioning its advis-ability. The far-sighted people at but to prevent dissension and odier not in conflict with republican printroubles, which would have further endangered the existence of the country, were compelled to accept this proposal though reluctantly.

"Since the addiction of the Tsing lic. I care neither for the aceptre of anarchy, the regime of the provisional government and finally the call the second s tablis ment of the present govern-ment, there have been numerous colses in the government and many unspeakable sufferings of the peo-ple, which are still fresh in the memendless trouble in this country.

and such quarrels frequently sulmia monardy to a republic has been immediately followed by deadly intercay. Their party leaders have strug-gled for supremacq with one another with military forces. When they win they occupy the land and when they are defeated they never scruple to commit looting, incendiarism and mas-sacre. Finally the whole nation is divided into five camps with as many presidents, and the country is prac-'The United States of America, is

the senior republic of the world and her great student of politics, Dr. Goodnow, has stated that a Monarchy is a better form of government than ernment is most indispensible at present for China. This view has been shared by not a few notable scholars of other countries. Ar. Dr. Goodnow is a citizen of a republic lie is more competent to make such a statement than others. His words are, 'the conditions are different in China and America and it is impossible to transplant one system from one country to another.' If foreigners who are insympathy with China have so openly and leadly before us their unprejudiced views, can we people of China leave everything to fate raising not a hand to find a fundaraising not a hand to find a funda-mental solution for this important problem? Where is your patriotism? Where is your duty as a citizen to the country, if you, for fear of adverse criticism or other dangers, remain silent and indecisive? "We are the people of this country, the properity your decline of this country.

the prosperit yor decline of this coun-try is nothing less than the prosperity or decline of our selves. Therefore we cannot bear to sit silent and see the country being obliterated without making any attempt to sample. We have therefore gathered a number of our sympathizers and started this society with a view of deviaing means for keeping peace in this country. We shall each give our views concerning the forces of the second of th

August 16, disclosing that the prospect the promotion of this manifesto is of a shift back to a monarchial form of government was under discussion evidently inspired article, however, in China, may now be elaborated with recently appeared in the Peking pathe full text of interesting documents pers in the following form, purport-bearing on the matter. | ing to give the words of President

Although President Yuan Shi-Kai Yuan Shi-kai: has denied that he desires to be emperor, and several of his prominent supporters have authorized the statement that the president would decline the imperial title if it were offered to him, O in a saill stirred discuss the question of the monorchial the extent to which the monor form of government and the

cent years, although there has not been a society organized or a meetcan be described by the control of cant years, although there has not seen a society organized or a meetother prominent supporters of Yuan ing held to discuss this question, yet such reports have so frequently reached my ears that they now no longer attract my attention. Since the would accept the idea of an empty of the support of the outbreak of the European war. the outbreak of the European was both the conventional views of the whole world ave undergone a great change that if no revolution or danger of revolution develope, Yuan Shi-kai will worship heaven as the emperor of China before another year.

World ave undergone a great change, world ave undergone a great change, world ave undergone a great change. Party feuds of a most bloody charge acter in Mexico have made a great change. China before another year. For months previous to the appear-nce of the above mentioned manifes-tages and disadvantages which will accrue from the newly established republican form of government. Befor the establishment of a monarchy. Ing in this position, I only care for the manifesto itself, as translated from the Grinese by the Peking George of government and shall refrain from control of the control of government and shall refrain from the Grinese by the Peking George of government and shall refrain from the control of the c

cette, reads as follows:

"During the revolution of 1911 the racial prejudices of our people were so aroused that their attention was haustive dissertion on the advantages entirely concentrated on the removal and disadvantages to the country according from both the monarchial and and they did not give the least conrepublican forms of government. I of the republic, I was not an a post-tion to discuss these questions. The fundamental principle underlying republicanism is to collect the thoughts. ideas and the abilities of the majority of the people in order to work for the happiness and well-being of that time foresaw the danger and trouble to the fature of the country, a society to discuss this question is not in conflict with republican pringing the fature of the country. the majority of the people. Judg- at the ing by this, the organization of such place.

made my intention known to the pub-lic. I care neither for the sceptre tirement haunts my memory. No matter what views are entertained by those who participate in the discussion of this question. I have no cause to fear that I should be susple, which are still fresh in the memory of every class of our people. If a proper measure is not advised to remedy the situation, there will be endless trouble in this constant. ondless trouble in this country.

"In such countries as Argentine, Peru, Chile and other republics in so have their person, their familyy, South and Cential America, party feuds have been the order of the day, is quite reasonable for them to disapplies for the day, is quite reasonable for them to disapplies. It feuds have been the order of the day, is quite reasonable for them to disapplies. and such quarrels trequently suiminated in civil war. In Portugal the sure them permanent peace and happenent change of government from plness, as it concerns their vital interests. Moreover, the question contents of the contents of the property of the p cuss the best method which will inimmediately followed by deadly internecing strife, and the worse case of all is in Mexico. Since the abdication of Dias, that country has been seething with civil strife till the present day. Their party leaders have strugday. cerns the life and death of four hunsuch a movement would ter I to misrepresent me to the public as a re-son who entertains some doubtful and suspicious ambition, while in reality I have neither intention nor aspiration for the same.
