Everything Ready for Aeroplane Flights

EXHIBITION STARTS PROMPTLY AT 3 O'CLOCK THIS AFTERNOON

IN NORTH ANDERSON

Cary Will Not Fly Over City—To Drop Bombs On Crowds.

By noon today everything will be in perfect readiness for the great flying exhibition in North Anderson. The powerful bi-plane, with its hundred horse-power motor, and wings, etc., was hauled out there yesterday morning early and the greater part of the assembling of the machine was done yesterday afternoon and will be completed this morning. The flying will begin promptly on the stroke of the hour of three today. As Bud Carey stated yesterday: "I have never yet disappointed the spectators about flying on time, I make it a point to be ready and fly on the minute advertised, please tell the people that for me."

The flight will take place from the road and grounds between ex-Sheriff Nels Greens residence and the Brown park at the end of the North Anderson street car line. This road and adjacent ground was leased yesterday, it is stated from the owners, and ticket sellers and ticket takers will be posted at every road leading into it, and the people will be expected to buy their tickets. These tickets will be taken up, and tags of a certain color, will be exchanged for these tickets, and these tags will be worn in a conspicuous manner so that they may be easily seen in this way the management will be in a position to detect any that try to slip in without paying. There will be several offices of the law on hand to take care of any trespassers—those who try to "get by" without paying. There will be no fence or other enclosure to keep these out who don't care to pay, but there will be other means provided to care for this class of spectators.

In yesterday's Intelligencer, it was erroneously stated that these imitation bombs would be dropped over town. These bombs, containing the valuable premiums contributed by certain Anderson merchants will be dropped into or near the crowds out on the grounds. The grounds selected are so situated that a person can see any of the flights. He can't see any of it from town. A man flying up high and that far off will look like a very small bird; in fact he would hardly be visible to the naked eye, and under no circumstances will Aviator Carey fly over the city of Anderson, stated Mr. Gullimette, the manager of the exhibition. This exhibition is for the purpose of making money to enable these young men, who came all the way from Lewiston, Maine, to Anderson under a misapprehension, or misrepresentation, to get on their feet, so to speak.

They are now in correspondence with managers of fairs and other places of amusement near here—Spartanburg and Augusta and one or two others, from which they hope to make a satisfactory deal; in which event, they will get there from here.

The last thing that Mr. Gullimette said last night was this: "Please tell the people of Anderson that we are going to give them the very best exhibition of flying and 'stunt' flying ever seen in or near Anderson for the small sum of twenty-five cents, and if there is one dissatisfied person in the crowd, we will cheerfully give him his money back. We hope the people will patronize this exhibition, for these two young men are down here at a big expense and at a big loss, and they certainly need the money. This is their only way of earning it, and they will certainly give good value, in the form of a thrilling exhibition, and just one more thing, please tell them that Carey will not fly over Anderson nor toward Anderson. Any one wanting to see him fly will be compelled to come out here to see him."

It developed yesterday that Carey is not only an expert flyer, but that he holds the world's record for five miles, riding a motorcycle on a half mile track. The medal awarded him at Staunton, Va., reads: "Bud Carey fastest five miles on a half mile track. 6 minutes 8-10 seconds. 30-50 class, Staunton Fair 1915."

He has his motorcycle with him, and being asked about it yesterday, Carey said: "Well, I'm not down here to ride a motorcycle, but I'm open to see anything, or anybody on a motorcycle of the same class as this machine here."

DR. WATSON LEAVES

Goes to Harvard For Two Months Course.

Dr. J. E. Watson left yesterday for Harvard University to take a two months course in diseases of children under Dr. J. Lovett Morse and his corps of assistants. Dr. Morse is considered the best authority on this subject in America, and Dr. Watson will gain some valuable experience under his training. Dr. Watson came to Anderson from Iva about the first of February, and for years has given children his special attention, a subject which is especially dear to his heart. He is a young physician, of unusual ability and experience, and has already won a warm place for himself in the hearts of the people of Anderson.

PETROLEUM OIL CO. MOVING HEADQUARTERS

WILL OCCUPY SECOND FLOOR OF NEW ANDERSON BUILDING

MAULDIN ELEC. CO.

To Occupy Ground Floor and Will Run Gasoline Filling for Petroleum Co.

Work was started moving the offices of the Petroleum Oil company to their new building across Main street from the present site. The offices will be in the second story of the building, the second story being now complete. The ground floor is to be occupied by the Mauldin Electrical company, but this part of the building will not be complete for some few days.

Mr. Frank Mauldin of the electrical company has announced that he will run the gasoline sales department for Mr. Gumbrell in the up town station. A large tank has been placed under the sidewalk and a neat and attractive filling station has been placed on the curb. Mr. Mauldin will have his electrical works on the ground floor. Here he will keep a complete line of electrical accessories for autos. Agencies for the Willard Exidem U. S. L., and other storage batteries have been given Mr. Mauldin, and he will install apparatus for recharging these batteries. The business of recharging these batteries promises to be a big one as there are more and more storage batteries being used on autos each year. Mr. Mauldin, an expert electrician is securing material with which he can repair, or work over any old battery and make a new one from it.

Misses Ramsey to Entertain.

Misses Earline and Elizabeth Ramsey of Greenville are the week-end guests of Misses Mary and Elizabeth Ramsey of this city. They will entertain at a Halloween party in their honor on Saturday evening at their home on Calhoun street.

Mrs. L. R. Watson of Donalds has been spending the past few days here the guest of Mrs. D. S. Watson and Miss Etelle Watson.

Mrs. Horace McGee has returned from a visit to Central.

RUPTURE EXPERT HERE

Seeley, Patronized by U. S. Army and Navy, Called to Anderson.

F. H. Seeley of Chicago and Philadelphia, the noted trans expert, will be at the Chiquita Hotel and will remain in Anderson this coming Wednesday only, Nov 3rd. Mr. Seeley says: "The Spomatic Suiid as now used and approved by the United States Government will not only retain any case of rupture perfectly, affording immediate and complete relief, but closes the opening in 10 days on the average case. This instrument received the only award in England and in Spain, producing result without surgery, injections, medical treatments or prescriptions. Mr. Seeley has documents from the United States government, Washington, D. C., for inspection. All charity cases without charge, or if any interested call he will be glad to show same without charge, or if them if desired. Business demands prevent stopping at any other place in this section.

A Few Timely Suggestions

Genuine Swiss Cheese. Yes, we said GENUINE, and meant it, too! Pineapple Cheese. New York Full Cream Cheese, Pimento Cheese.

Fresh Golden Dates, just in. Mince meat in packages, jars and cans. We have the famous "Royal Scarlet" brand.

Newtonia Marshmallow Cream in two sizes.

Biltmore Wheat Hearts. The ideal food, thoroughly cooked and ready to serve. Crab Meat, Mushrooms, Shrimp and Lobster, Baked Chicken in cans. 22 oz. jars of peanut butter, Country pecans, Crystallized Cherries, pineapple and ginger in cartons. Borden's Graham Flour and Wheat Meal. Also new prunes and new apples.

Of course we have many, many other reasonable good things to eat. Call us up and let us suggest them.

WILLIAM J. BRYAN AT ANDERSON COLLEGE

FORMER SECRETARY STATE ACCEPTS INVITATION EXTENDED BY COLLEGE

A SPECIAL NUMBER

And Not Part of Regular Lyceum Course—To Be Here November 19th.

Mr. William Jennings Bryan will deliver an address at the auditorium of the Anderson College, November 19. This is brought about by an invitation to Mr. Bryan from representatives of the college when he was at Columbia, S. C., recently.

Mr. F. M. Burnett went to Columbia on the suggestion of the late Mr. Charles S. Sullivan and personally invited Mr. Bryan to come to the college and to make the address.

Mr. Burnett received a letter yesterday morning from Mr. Bryan stating that he has accepted the invitation and will come to Anderson either the 17th or the 19th of next month.

The idea of inviting Mr. Bryan to come to Anderson and make this address originated with Mr. Burnett and Mr. Sullivan. Mr. Burnett invited Mr. Bryan to come to Anderson from Columbia but Mr. Bryan stated that a previous engagement prevented this. The trip to Anderson is made in conjunction with one to Greenville when Mr. Bryan will address a mass meeting of the Greenville Y. M. C. A.

The letter from Mr. Bryan reads as follows:

"I think I can lecture at Anderson, Friday night, November 19. My plan is to lecture at Greenville on the evening of the 18th that the Greenville Y. M. C. A. Suppose you telephone Mr. D. E. McCuen, president of the Greenville Y. M. C. A. If the 18th suits Greenville and the 19th suits you, you may call it settled, or you and Greenville can exchange nights if you prefer. After conferring with Greenville please wire me at Columbus, Ohio, in care of the Anti-Saloon league. I think you know my terms.

"Experience has taught me that seats should be reserved. With kindest personal regards, I am,

"William J. Bryan."

This letter arrived yesterday morning and Mr. Burnett began at once to advertise the address and make preparations for a record breaking crowd at Anderson college.

This is not a part of the regular lyceum course of the college. Mr. Burnett emphasized this very plainly and asked that it be announced that this is in addition to the regular course.

Mr. Bryan's subject has been chosen as "The European War and the Lesson in It For Us." This is decidedly the best of Mr. Bryan's many lectures according to a number of persons who have heard him speak many times. It is the question which caused him to resign from his position as secretary of state of the United States.

When in Columbia, Mr. Burnett was informed by Mr. Bryan that the price of admission would have to be not more than 50 cents. This is the maximum price for any of Mr. Bryan's lectures. Reserved seats will cost 50 cents more.

Owing to the nation wide reputation of Mr. Bryan, a great crowd is expected to be in Anderson the day of his lecture. Preparations are being made to have seats for over 1,000 in the college auditorium. There will be something like 500 of these reserved.

Dinner for Veterans.

The Dixie chapter, U. D. C., invites the Confederate Veterans of Anderson county to dinner—Saturday, October 30, at 12:30 p. m. in store room on East Whittier street, two doors above Tolly's Furniture store.

Mrs. James R. Anderson, Mrs. Phelps Sasseen, President, Secretary.

We Specialize

ON CLOTHES for young men--young in years or young in heart.

FOR MEN of all ages who play young men's active parts.

These are the days when men and women try to keep their youth.

Mothers and daughters, fathers and sons, dress very much alike--chimney corners are deserted--parents and children are pals.

We cater to those sons and fathers who work and play together.

We are Specializing this week on Suits at \$15.00 and \$20.00

We are not going to try to convince you with any sort of claims or talk, but with the goods. Don't make the mistake of thinking you can do as well elsewhere--you'll only deceive yourself.
